(57) **CLAIM**

The ornamental design for a writing instrument grip and body, is claimed, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a writing instrument grip and body embodying the new design.

FIG. 2 is a left side elevational view thereof, the right side elevational and the top and bottom plan views being the same.

FIG. 3 is a front elevational view thereof; and,

FIG. 4 is a rear elevational view thereof.

The broken line showing of a clip and an end piece is for illustrative purposes only and forms no part of the claimed design.
