(57) **CLAIM**

The ornamental design for an acupressure device, as shown and described.

DESCRIPTION

The article to which this design is applied relates to an apparatus that improves the condition of health by applying pressure to specific points of the human body known as the therapeutic points.

FIG. 1 is a perspective view of acupressure device showing our new design; and,

FIG. 2 is a front elevational view thereof.

1 Claim, 2 Drawing Sheets

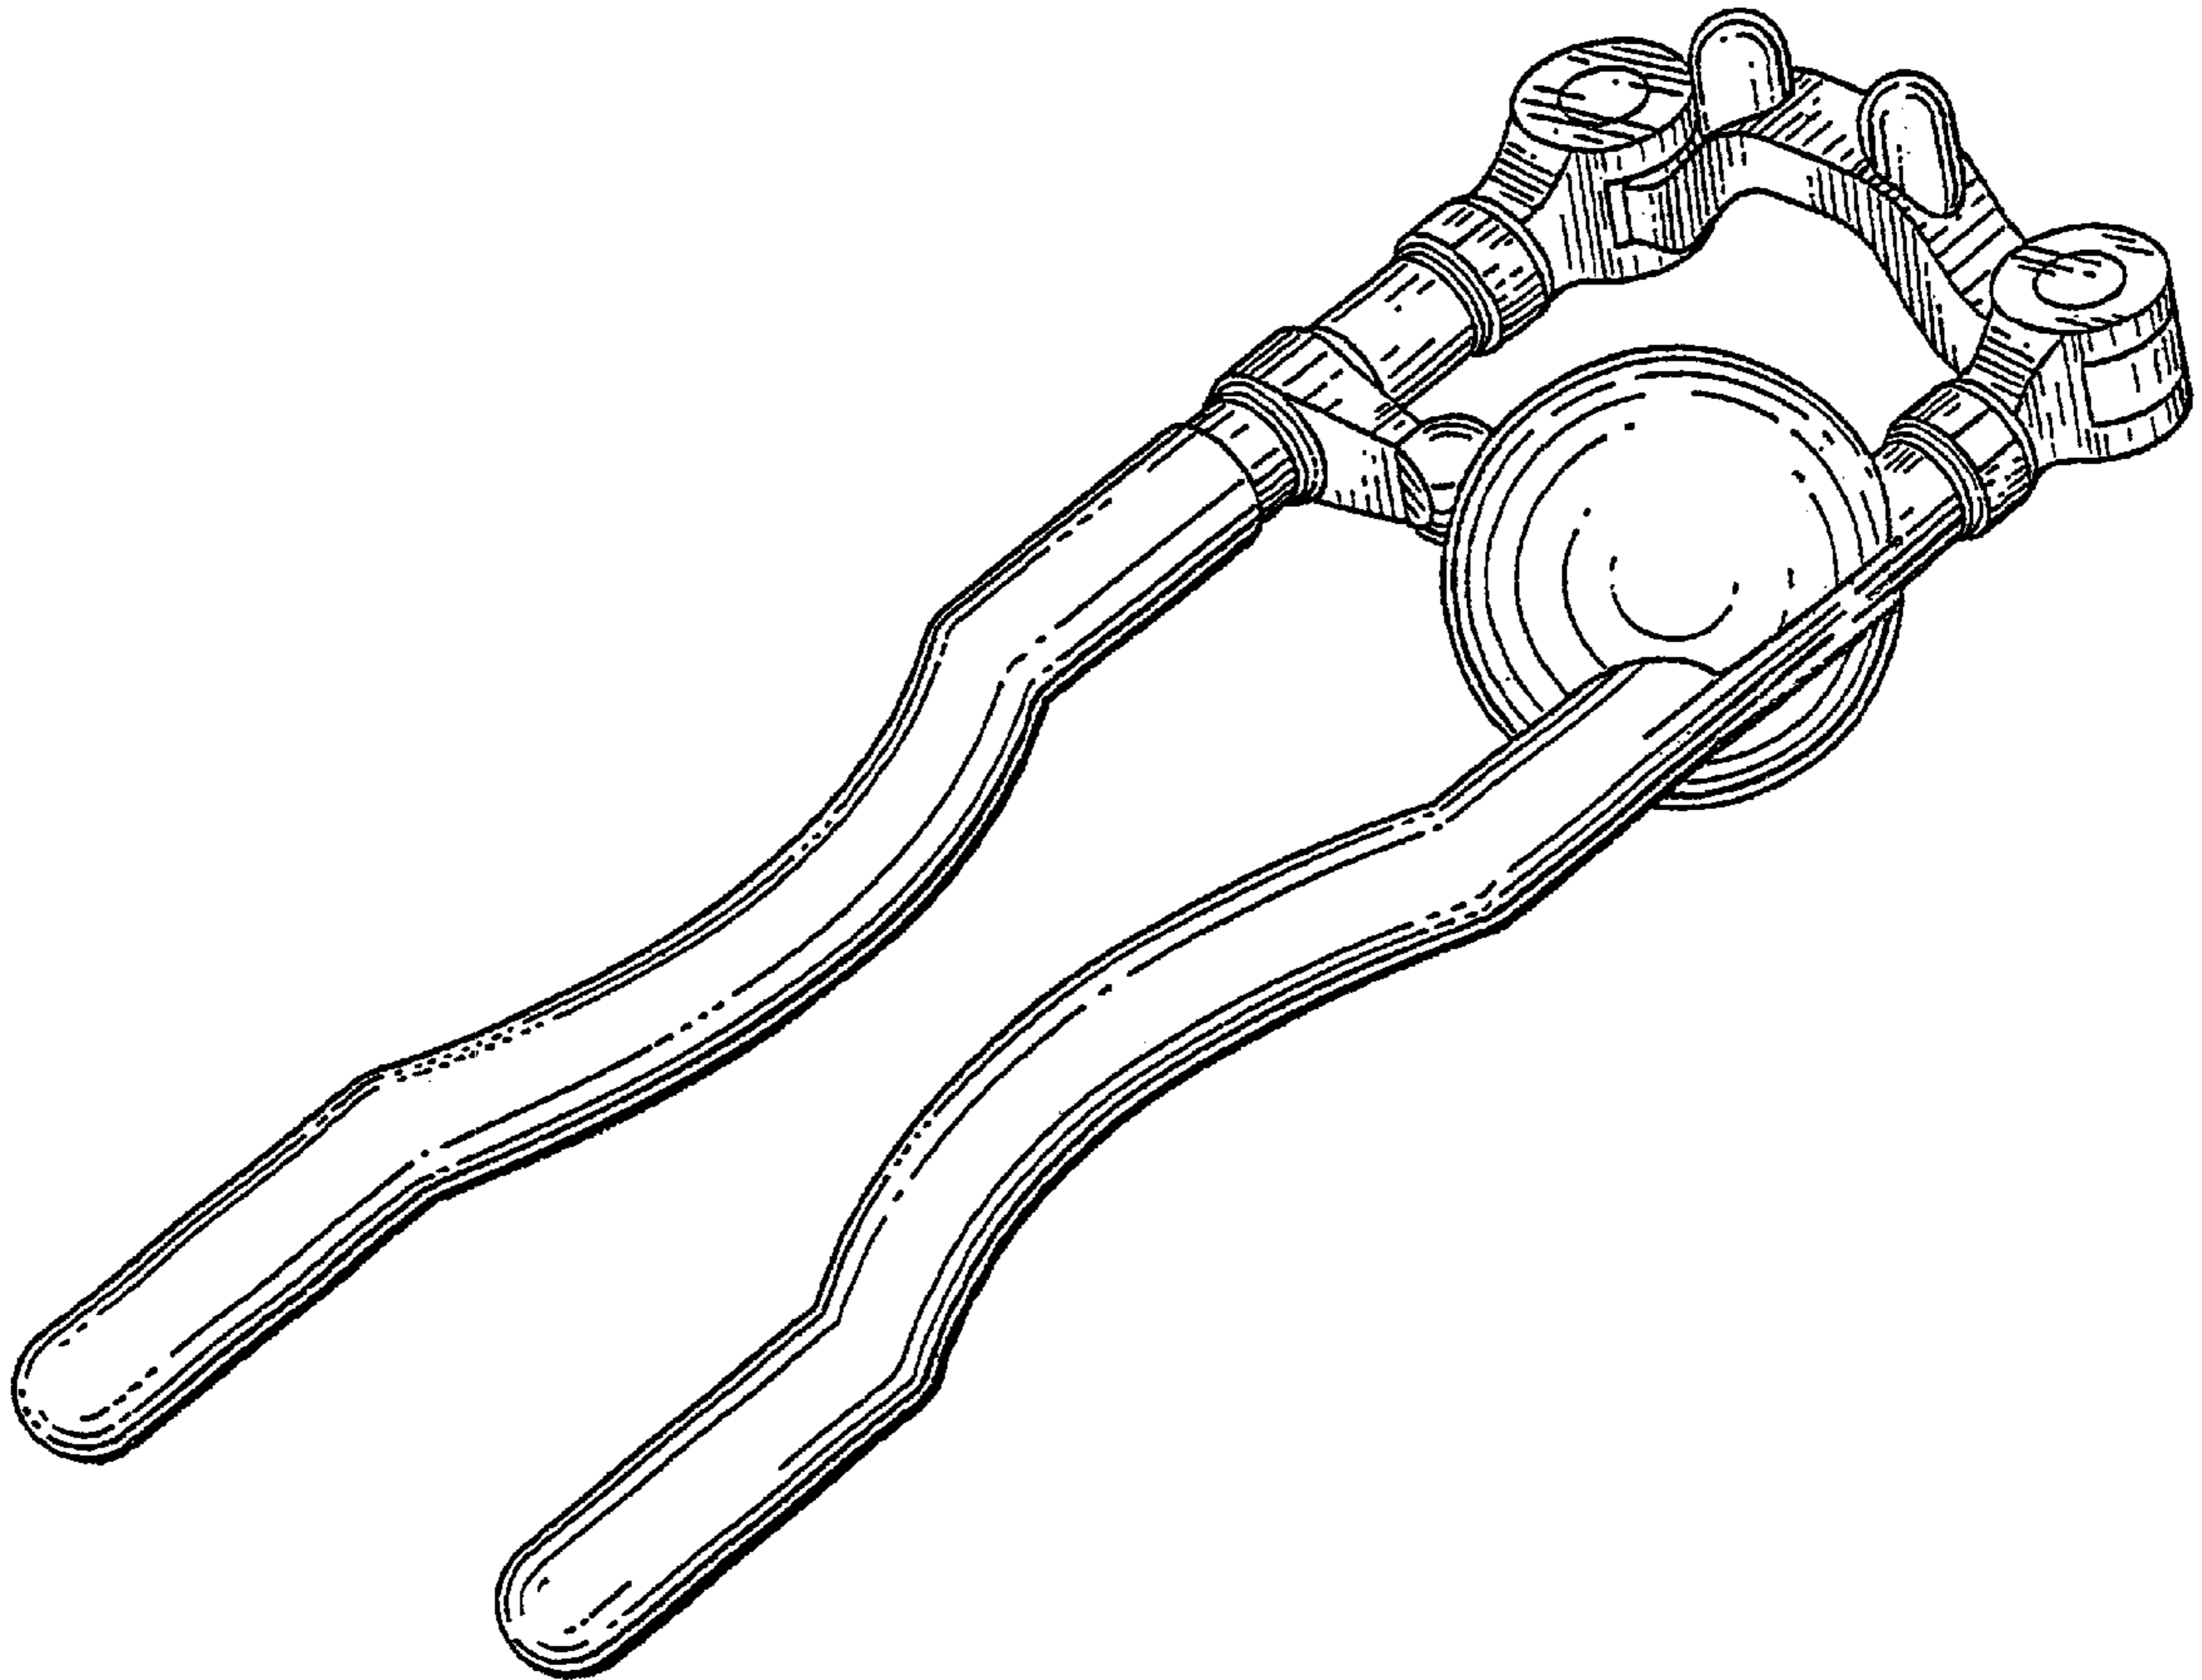

FIG. 1

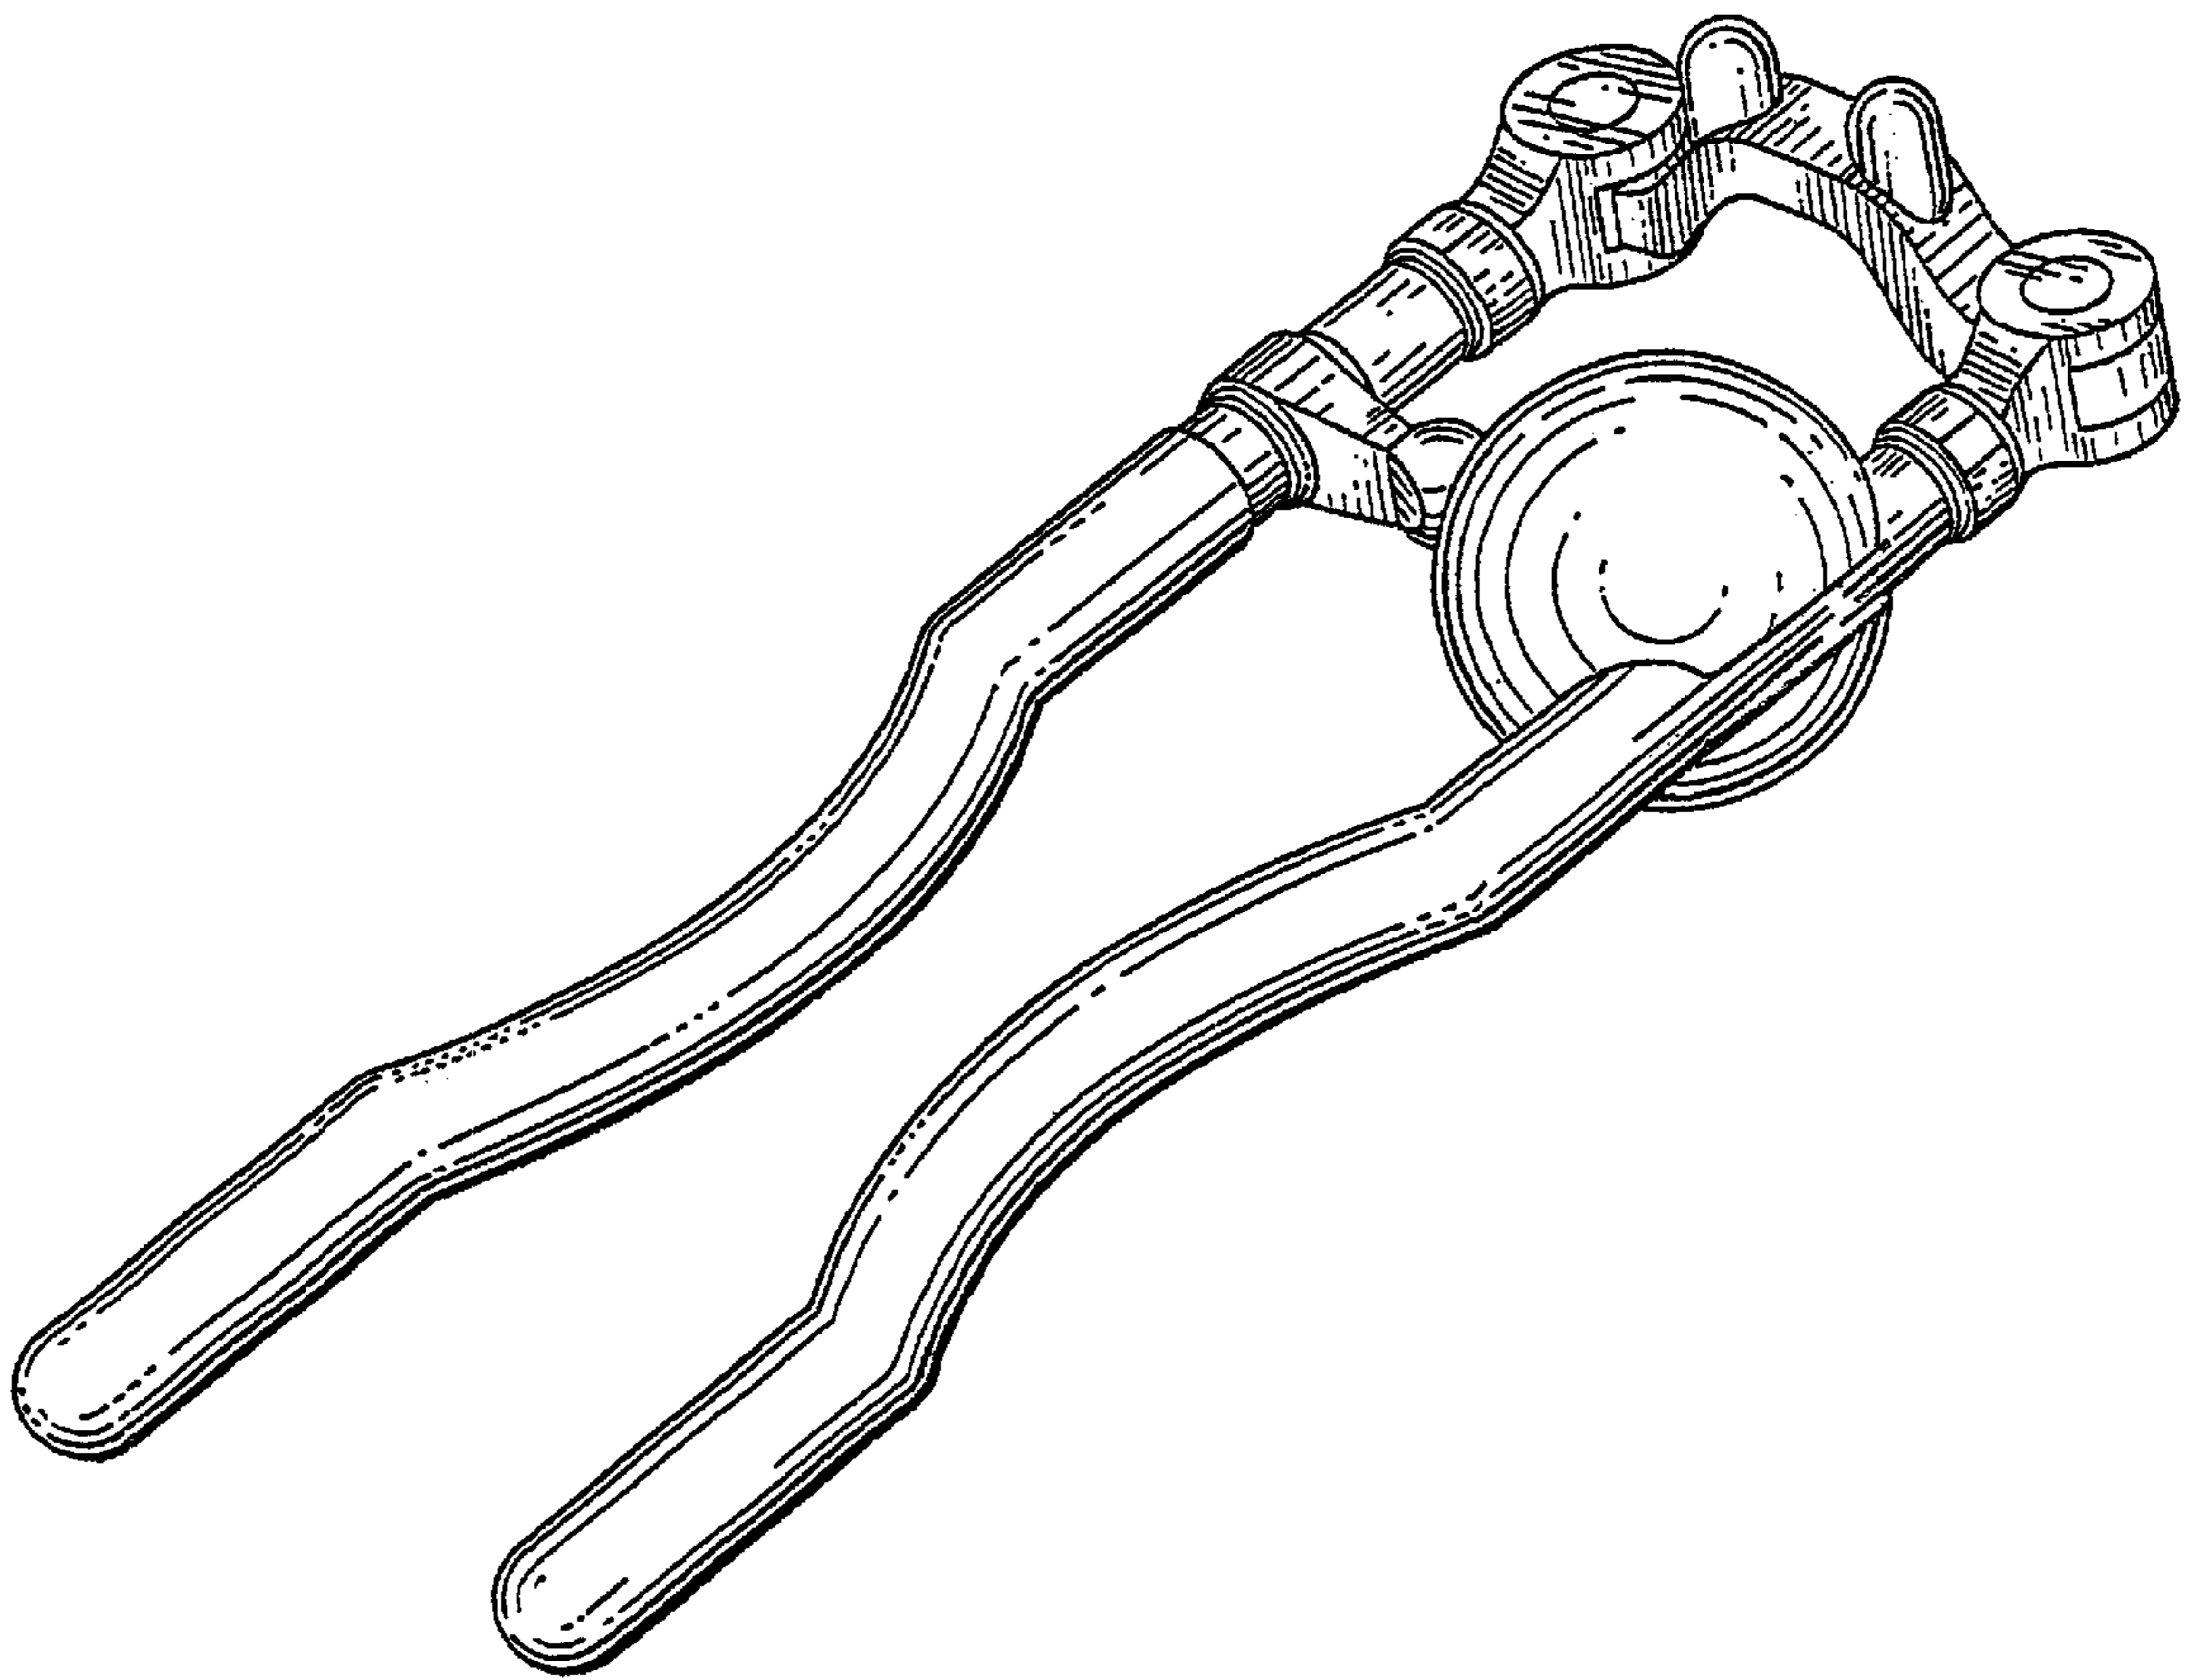

FIG. 2
