(57) **CLAIM**

The ornamental design for a multi-composition stick product, such as lip balm, sun screen, deodorant, or glue stick, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a multi-composition stick product, such as lip balm, sun screen, deodorant, or glue stick, showing my new design;

FIG. 2 is a front view of the multi-composition stick product shown in FIG. 1, the rear, left-side and right-side views being the same;

FIG. 3 is a top view of the multi-composition stick product shown in FIG. 1; and,

FIG. 4 is a bottom view of the multi-composition stick product shown in FIG. 1.

The broken line portions of the drawings are for illustrative purposes only, to show the environment of the multi-stick composition, and form no part of the claimed design.
