(57) **CLAIM**

The ornamental design for a motorcycle meter panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a motorcycle meter panel showing our new design; and,

FIG. 2 is an elevational view thereof.

The broken line showing of gauge indicia, buttons and rectangular element within the claimed area and the remainder of the motorcycle is for illustrative purposes only and forms no part of the claimed design. Any portions of the meter panel which are not illustrated in the Figures form no part of the claimed design.
