(57) **CLAIM**

The ornamental design for a flame automotive grille, as shown and described.

**DESCRIPTION**

The flame automotive grille of the invention is characterized by elongated, vertically oriented curving and tapering apertures which resemble flames.

FIG. 1 is a front view of a flame automotive grille showing our new design, the broken lines are shown for illustrative purposes only and form no part of the claimed design;

FIG. 2 is a rear view of the flame automotive grille.

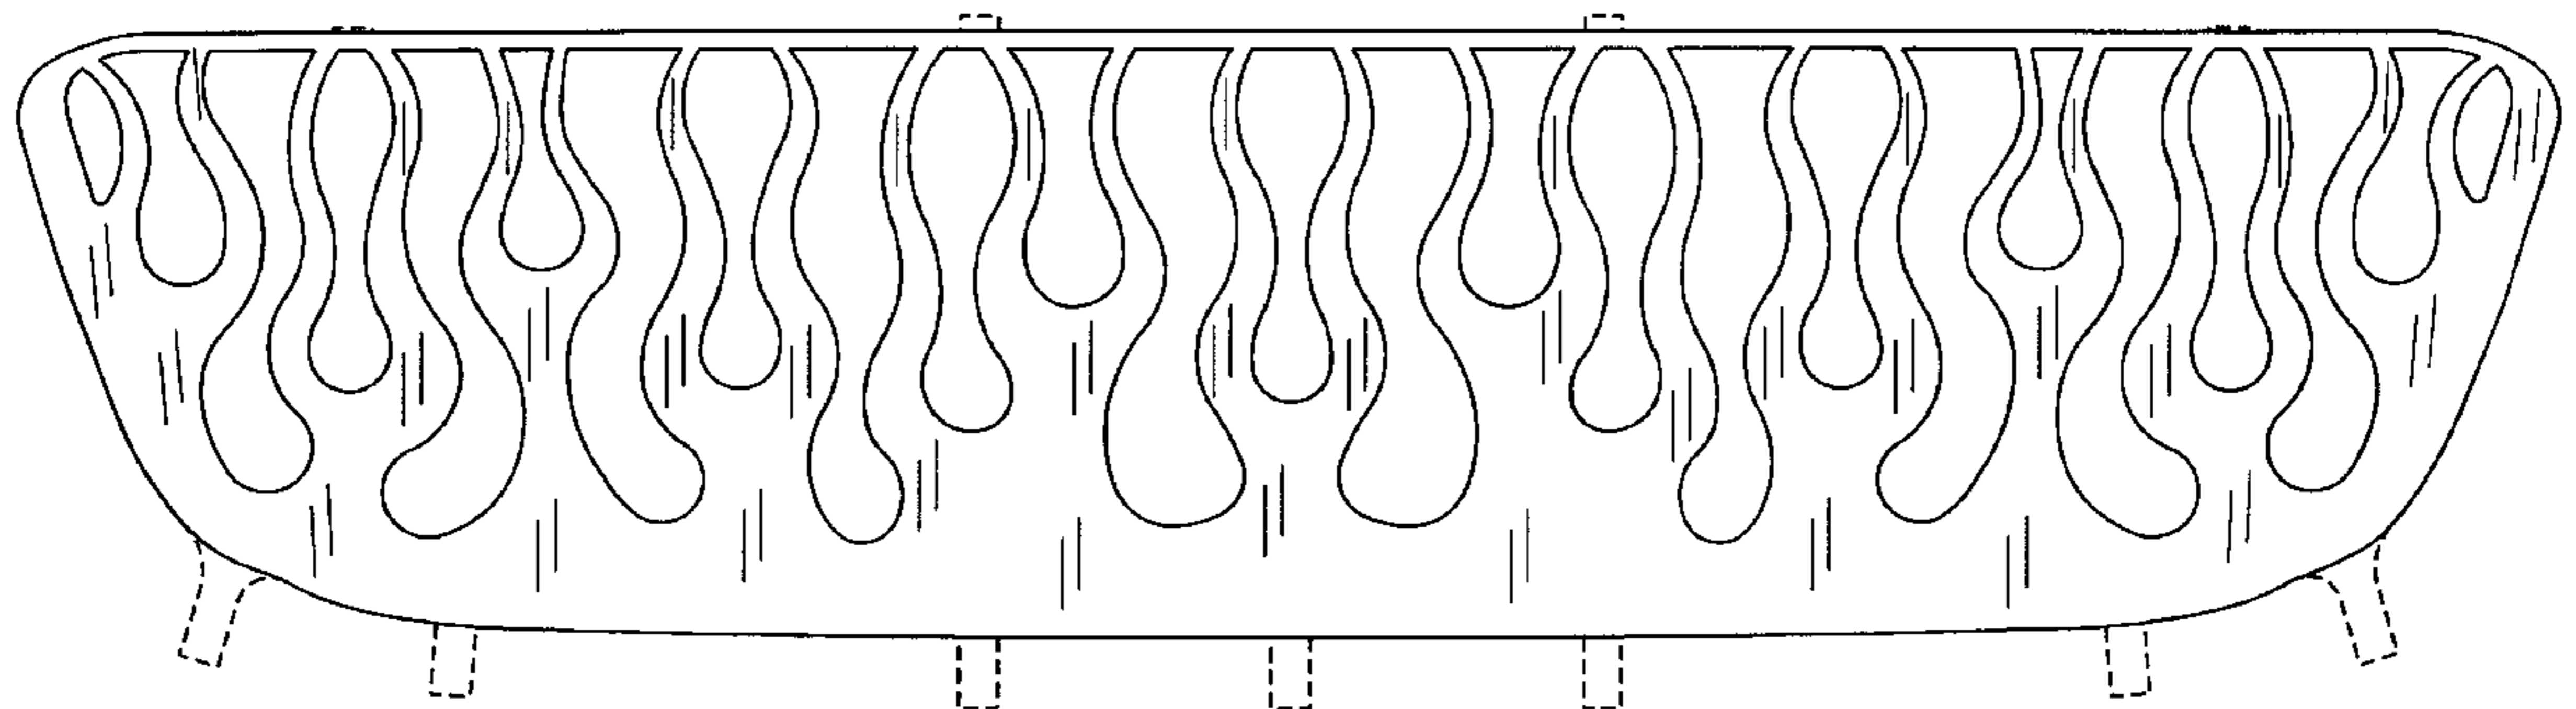

FIG. 3 is a top view of the flame automotive grille.

FIG. 4 is a bottom view of the flame automotive grille.

FIG. 5 is a right side view of the flame automotive grille; and,

FIG. 6 is a left side view of the of the flame automotive grille.
