(57) **CLAIM**

The ornamental design for a lineman's socket wrench combination tool for a cable clamp, as shown and described.

DESCRIPTION

FIG. 1 is a plan view of a lineman's socket wrench combination tool for a cable clamp, showing my new design; FIG. 2 is a front elevational view of the lineman's socket wrench combination tool for a cable clamp; FIG. 3 is a bottom view of the lineman's socket wrench combination tool for a cable clamp; FIG. 4 is a right side elevational view of the lineman's socket wrench combination tool for a cable clamp, the left side elevational view being symmetrically opposite; and, FIG. 5 is a rear elevational view of the lineman's socket wrench combination tool for a cable clamp.
