1 Claim, 3 Drawing Sheets

(57) **CLAIM**

The ornamental design for a server appliance bezel, as shown and described.

DESCRIPTION

FIG. 1 is a top view of a first embodiment of a server appliance bezel.

FIG. 2 is a front view of the first embodiment of the server appliance bezel.

FIG. 3 is a bottom view of the first embodiment of the server appliance bezel.

FIG. 4 is a left side view of the first embodiment of the server appliance bezel.

FIG. 5 is a right side view of the first embodiment of the server appliance bezel.

FIG. 6 is a perspective view of the first embodiment of the server appliance bezel; and,

FIG. 7 is a perspective view of a second embodiment of the server appliance bezel.

The broken lines are shown in the views for illustrative purposes only and form no part of the claimed design.
