(57) **CLAIM**

The ornamental design for a tire tread, as shown and described.

DESCRIPTION

FIG. 1 is a side perspective view of a tire tread showing our new design, it being understood that the tread pattern is repeated throughout the circumference of the tire tread, the opposite side being the same as that shown;

FIG. 2 is a front elevational view thereof; and,

FIG. 3 is an enlarged fragmentary side perspective view thereof.

The broken lines between the tire tread and sidewall are for illustrative purposes only and form no part of the claimed design.
