(57) **CLAIM**

The ornamental design for a contoured head pillow, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a contoured head pillow embodying the invention;

FIG. 2 is a front elevational view of the contoured head pillow of FIG. 1, the rear elevational view being a mirror image of the front elevational view;

FIG. 3 is a left side elevational view of the contoured head pillow of FIG. 1, the right side elevational view being a mirror image of the left side elevational view;

FIG. 4 is a cross-sectional view of the contoured head pillow taken along line 4—4 of FIG. 1; and,

FIG. 5 is a cross-sectional view of the contoured head pillow taken along line 5—5 of FIG. 1.

The present application is directed to the design illustrated in the drawings. The cross-sectional views in FIGS. 4 and 5 are intended to only illustrate the exterior contoured shape of the head pillow design, and are not intended to illustrate the interior properties of the pillow.
