(57) **CLAIM**

The ornamental design for a folding lectern, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a folding lectern, showing my new design;

FIG. 2 is a perspective view, showing a second embodiment of my new design;

FIG. 3 is a perspective view, showing a third embodiment of my new design;

FIG. 4 is a perspective view showing the first embodiment in exploded condition;

FIG. 5 is a perspective view of the base of the first embodiment showing the folding aspect of the base for convenience of illustration;

FIG. 6 is a front elevational view thereof;

FIG. 7 is a top plan view thereof;

FIG. 8 is a rear elevational view thereof; and,

FIG. 9 is a side elevational view, the opposite side being a mirror image thereof.

The broken lines are shown in the views for illustrative purposes only and form no part of the claimed design.
