(57) **CLAIM**

The ornamental design for a key for electronic lock, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the key for an electronic lock according to my novel design, in which the depiction in broken lines on the body of the key is for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a right side elevational view thereof, the left side elevational view thereof being a mirror image thereof; and,

FIG. 5 is a front elevational view thereof, the rear view not being visible.
