(57) **CLAIM**

The ornamental design for an automotive hood scoop, as
shown and described.

DESCRIPTION

FIG. 1 is a top view of the exterior front of an automobile
hood, illustrating the automotive hood scoops of the present
invention installed therein, the automobile hood is shown
only in phantom for illustrative purposes, and forms no part
of this invention;

FIG. 2 is a perspective view of a right-side automobile hood
scoop of the present invention;

FIG. 3 is a perspective view of a left-side automobile hood
scoop of the present invention;

FIG. 4 is a bottom view of the automobile hood scoop shown
in FIG. 2;

FIG. 5 is a bottom view of the automobile hood scoop shown
in FIG. 3;

FIG. 6 is a perspective view similar to FIG. 1, with the
automobile hood again shown in phantom for illustrative
purposes;

FIG. 7 is a perspective view of a second embodiment
right-side automobile hood scoop of the present invention;
and,

FIG. 8 is a perspective view of a second embodiment
left-side automobile hood scoop of the present invention.

The bottom view of the second embodiment shown in FIGS.
6-8 is plain and unornamented.
