(57) **CLAIM**

The ornamental design for a user interface for computer display, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyright rights whatsoever.

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawing(s) will be provided by the Patent and Trademark Office upon request and payment of the necessary fee.

The single FIGURE is a front view of a user interface for computer display showing our new design, the broken line drawing of the computer display, window and the contour surrounding the user interface is for illustrative purposes only and forms no part of the claimed design.
