(57) **CLAIM**

The ornamental design for a pattern for leather or other fabrics, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of the pattern for leather or other fabrics;

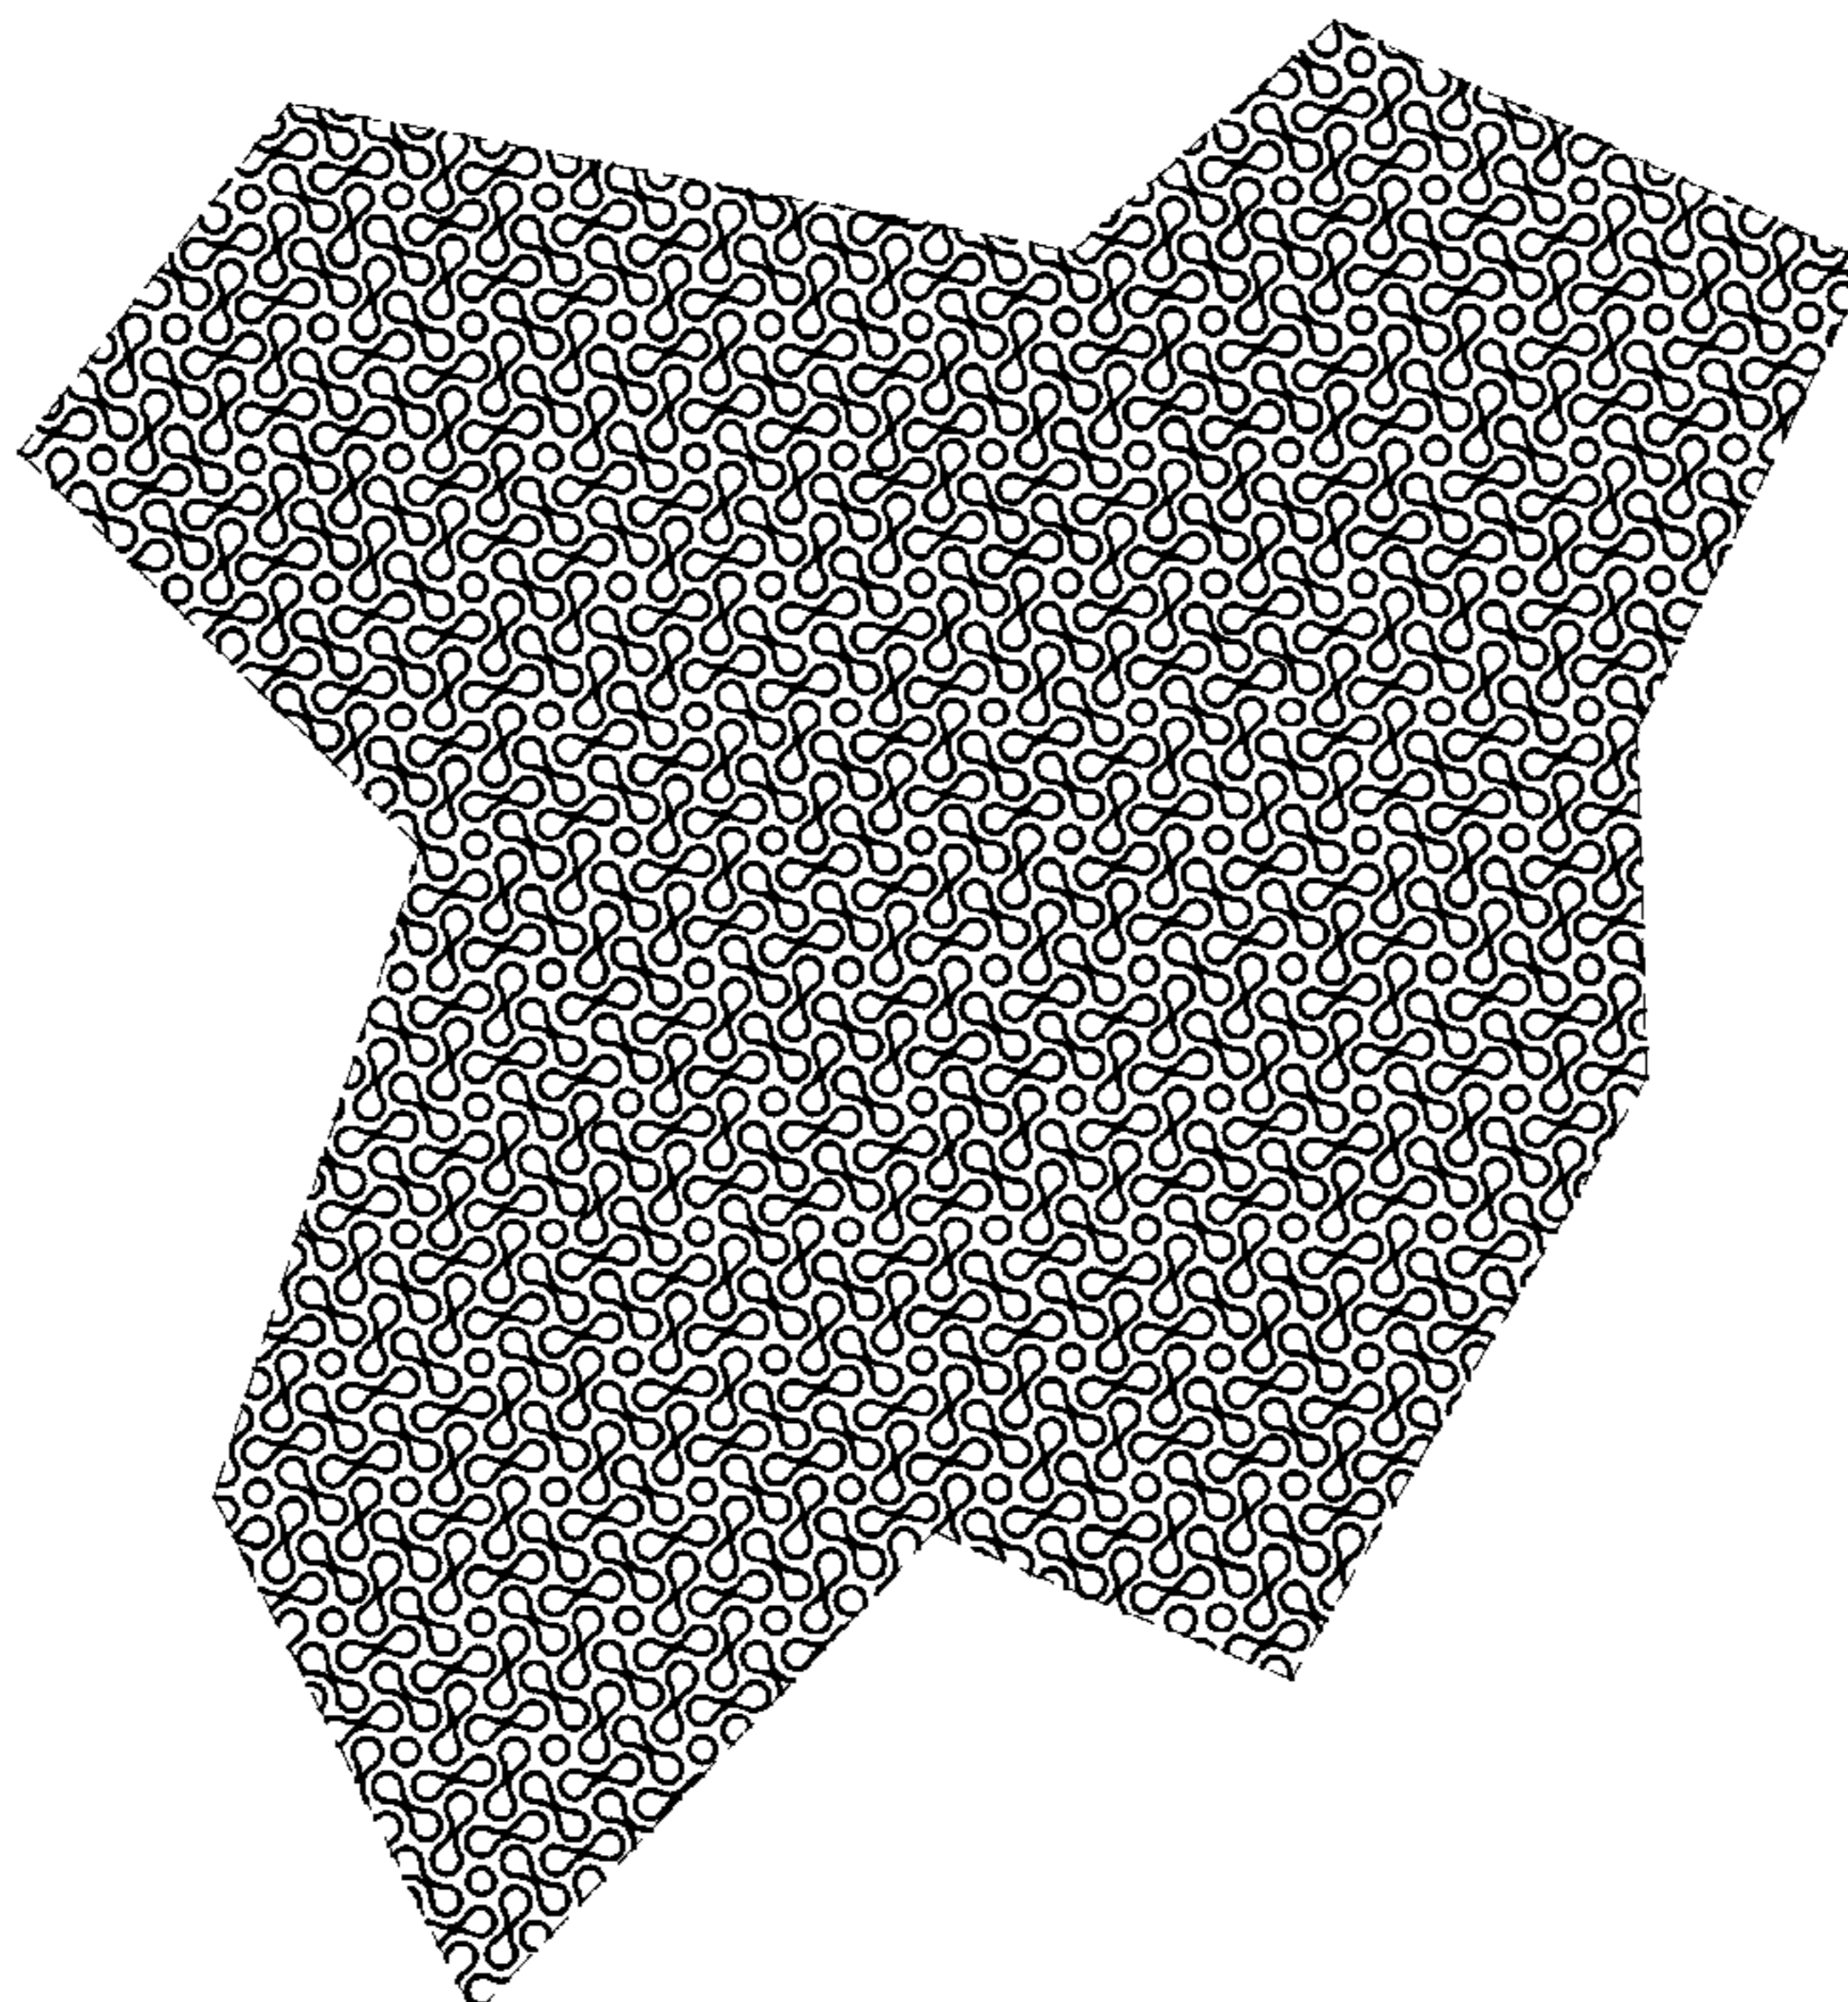

FIG. 2 is an enlarged fragmentary perspective view of a portion of the pattern of FIG. 1;

FIG. 3 is a top plan view of a second embodiment of the pattern for leather or other fabrics; and,

FIG. 4 is an enlarged fragmentary perspective view of a portion of the pattern of FIG. 3.

The broken lines define a portion of the leather or other fabric and indicate that the pattern continues indeterminately in one or more directions and repeats uniformly throughout the length and width of the leather or other fabric. The broken lines form no part of the claimed design.
