(57) **CLAIM**

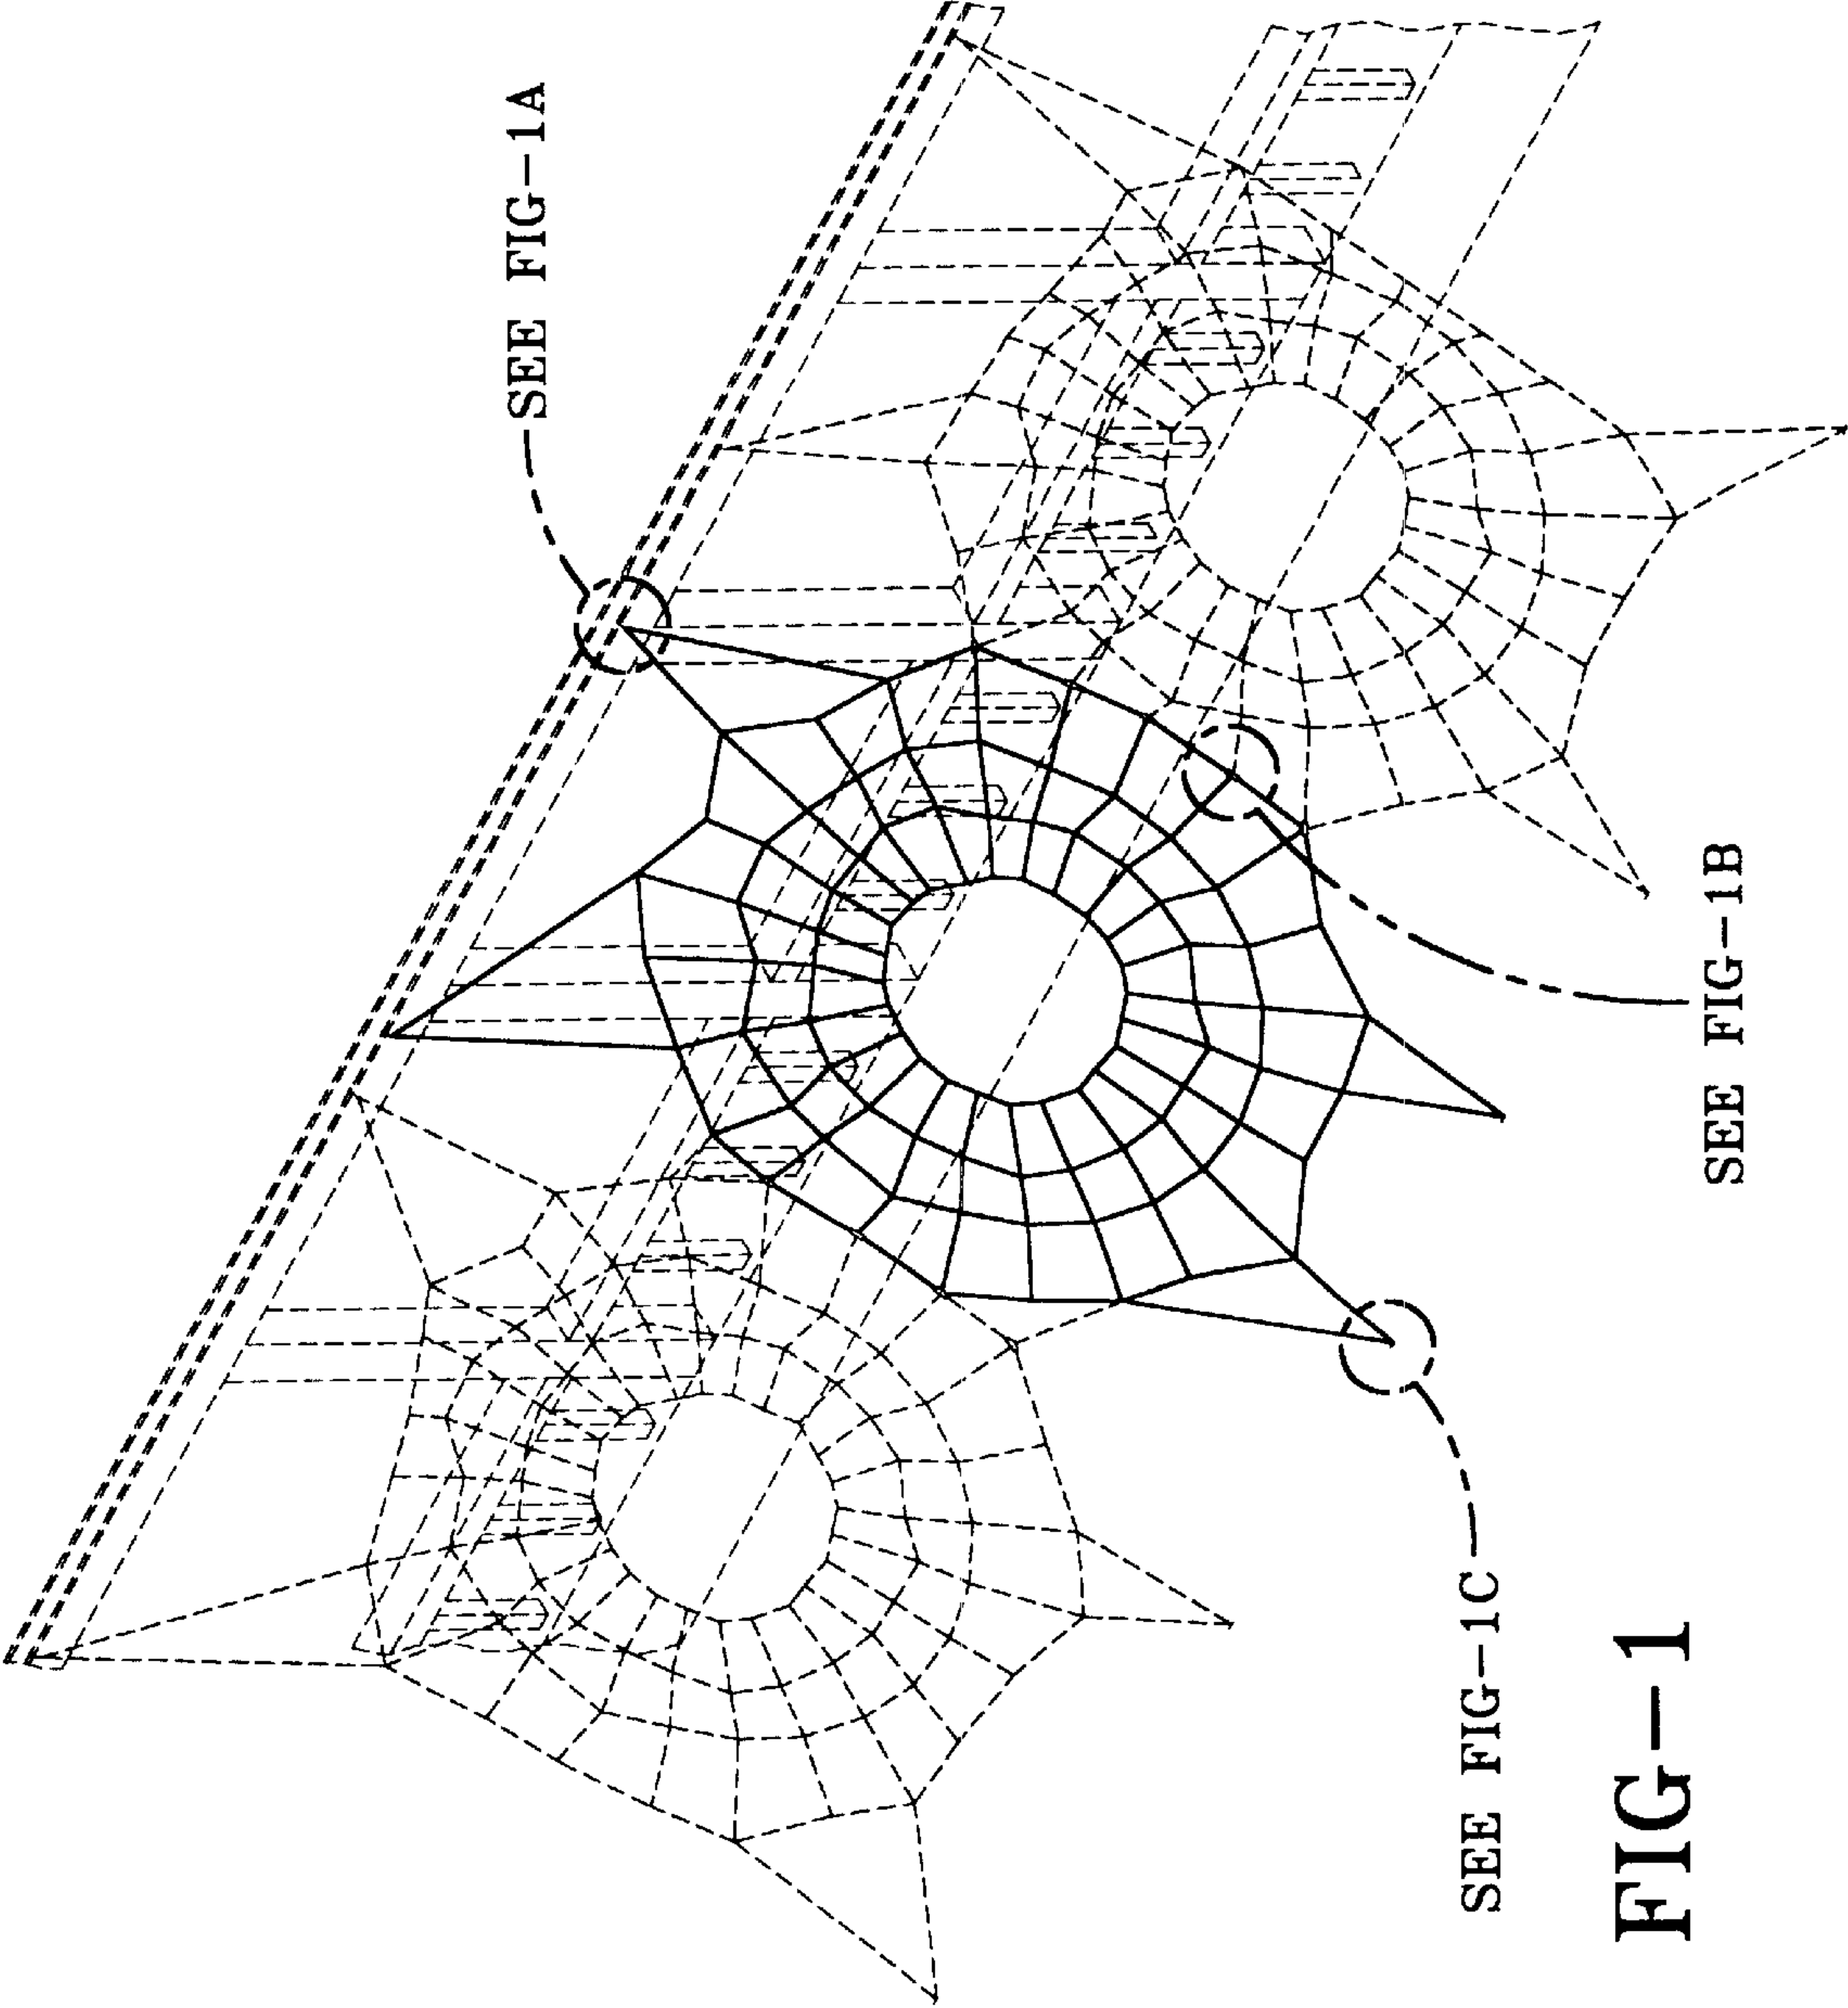

The ornamental design for a web, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of three artificial elastic, spider
web units connected together and showing in phantom the
units stretched between a building component such as a
drain gutter and the ground;
FIG. 1A is an enlarged view showing an illustrative repre-
sentation of a hook connection of one of the webs to such
building component;
FIG. 1B is an enlarged illustrative view showing an inter-
connection between adjacent web units;
FIG. 1C is an enlarged view illustrating one type of web to
ground connection; and,
FIG. 2 is an elevation view of the web.
