(57) **CLAIM**

The ornamental design for the combined lamp housing and support arm, as shown and described.

**DESCRIPTION**

FIG. 1 is a side elevation view of the combined lamp housing and support arm in accordance with my design;

FIG. 2 is a front elevation view of the combined lamp housing and support arm in accordance with my design;

FIG. 3 is a rear elevation view of the combined lamp housing and support arm taken along the line 3—3 in FIG. 1 in accordance with my design;

FIG. 4 is a top plan view of the combined lamp housing and support arm in accordance with my design; and,

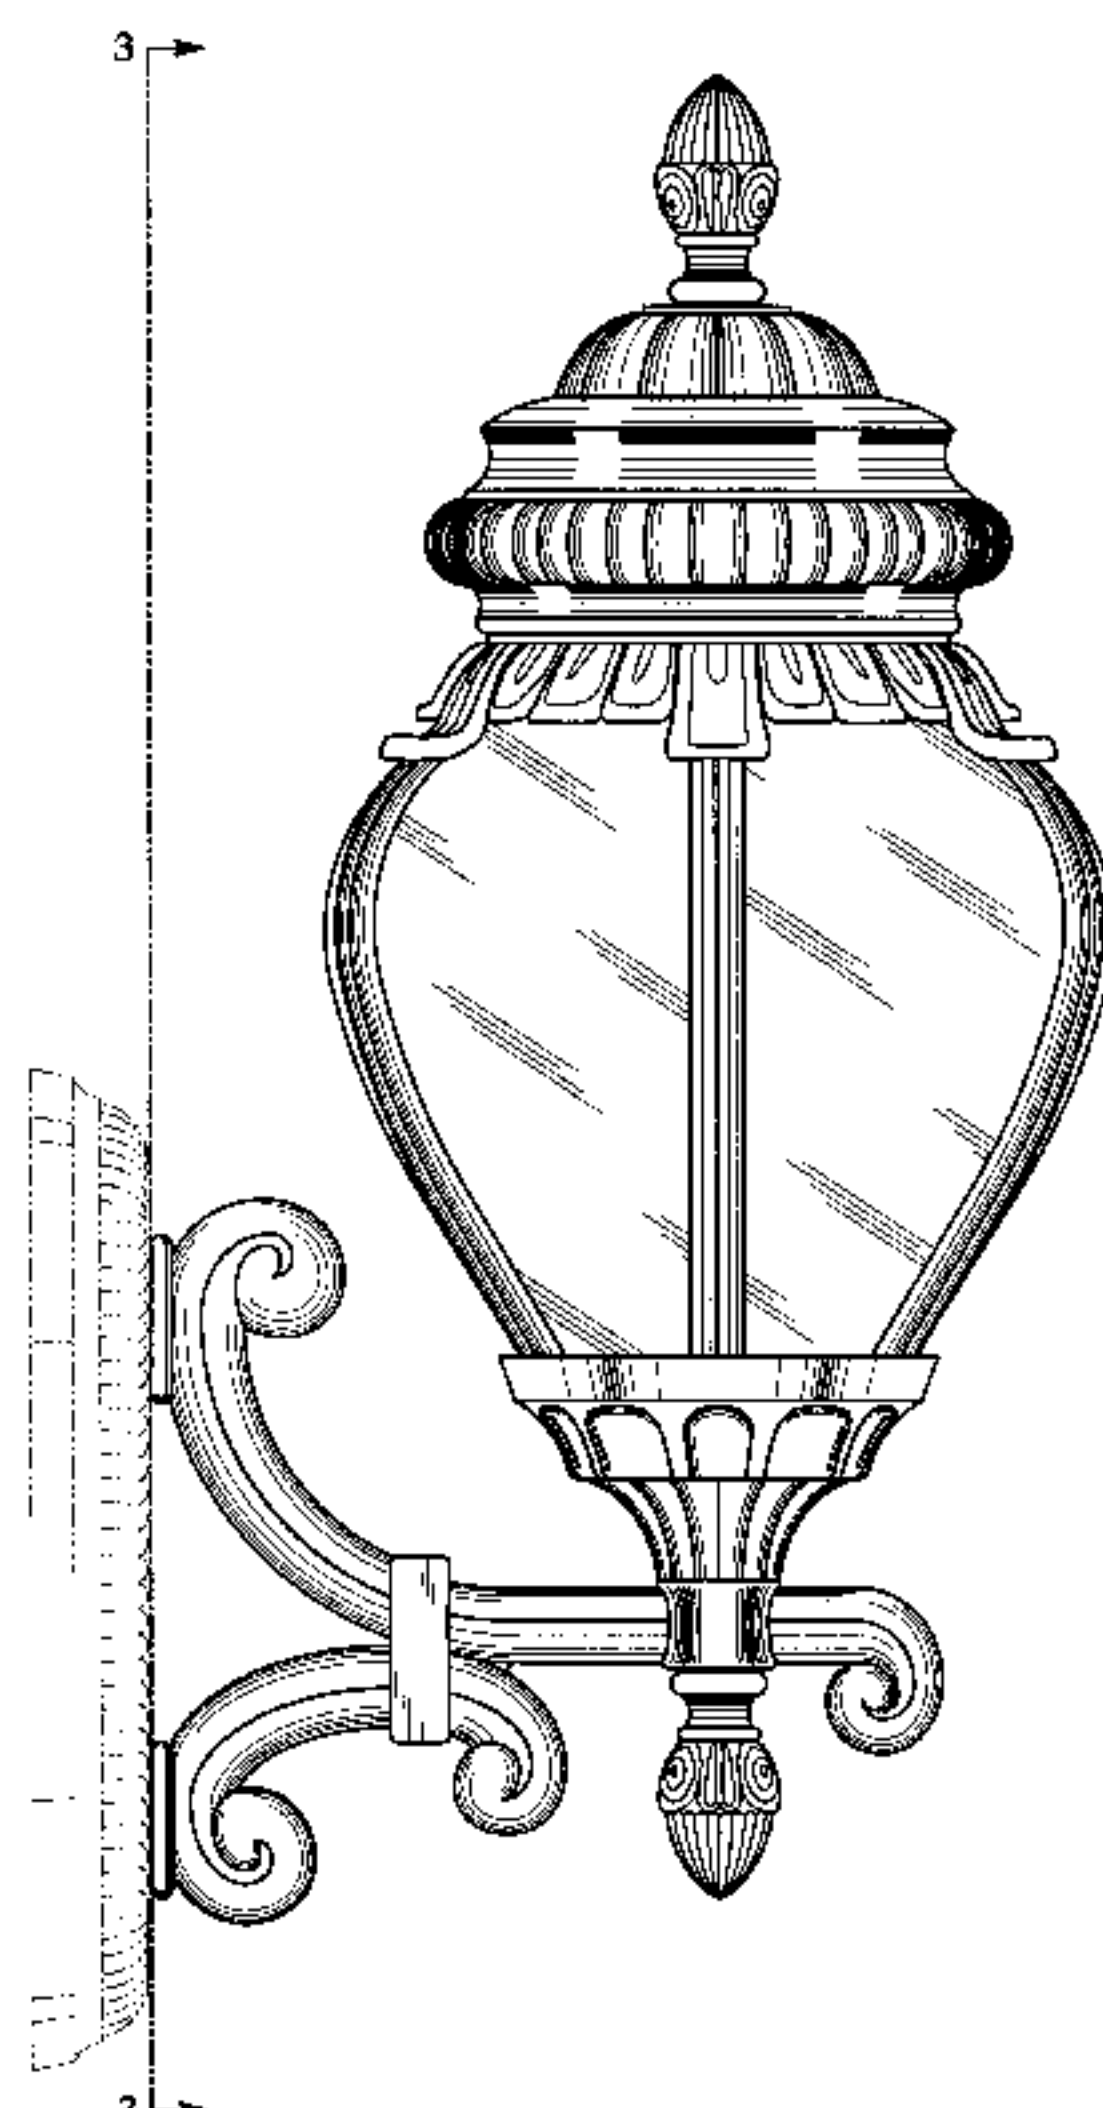

FIG. 5 is a bottom plan view of the combined lamp housing and support arm in accordance with my design;

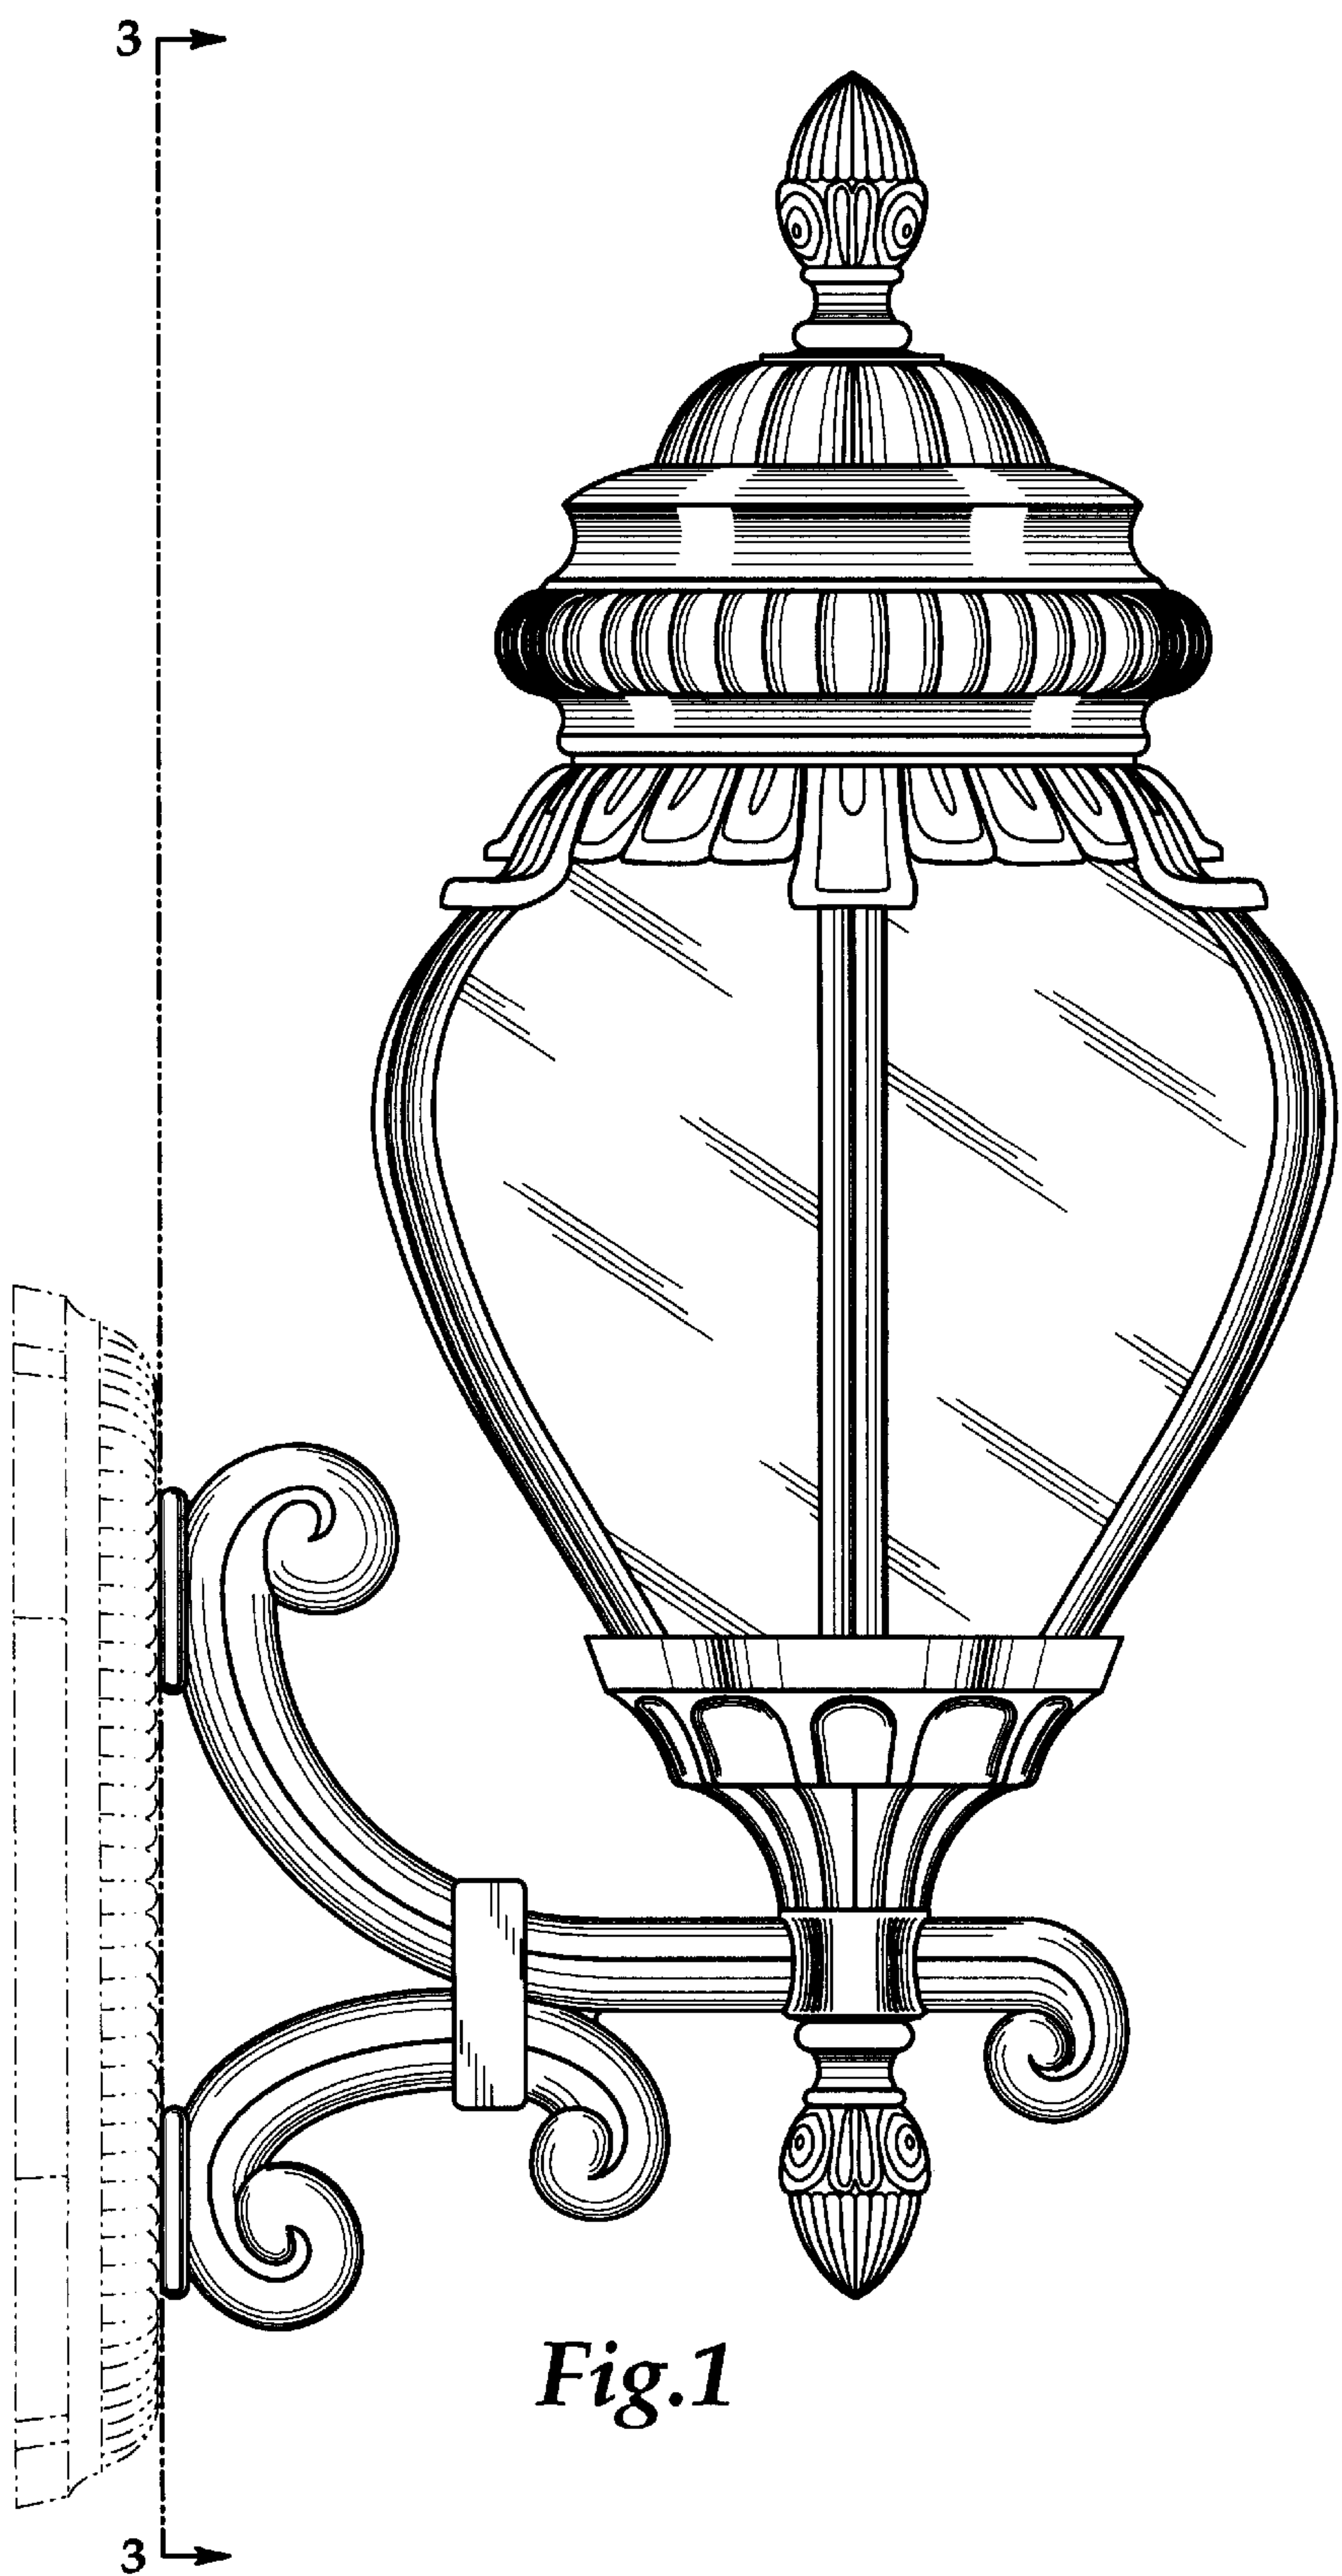

The left and right elevational views are symmetrical.

The light globe of the present invention is translucent.

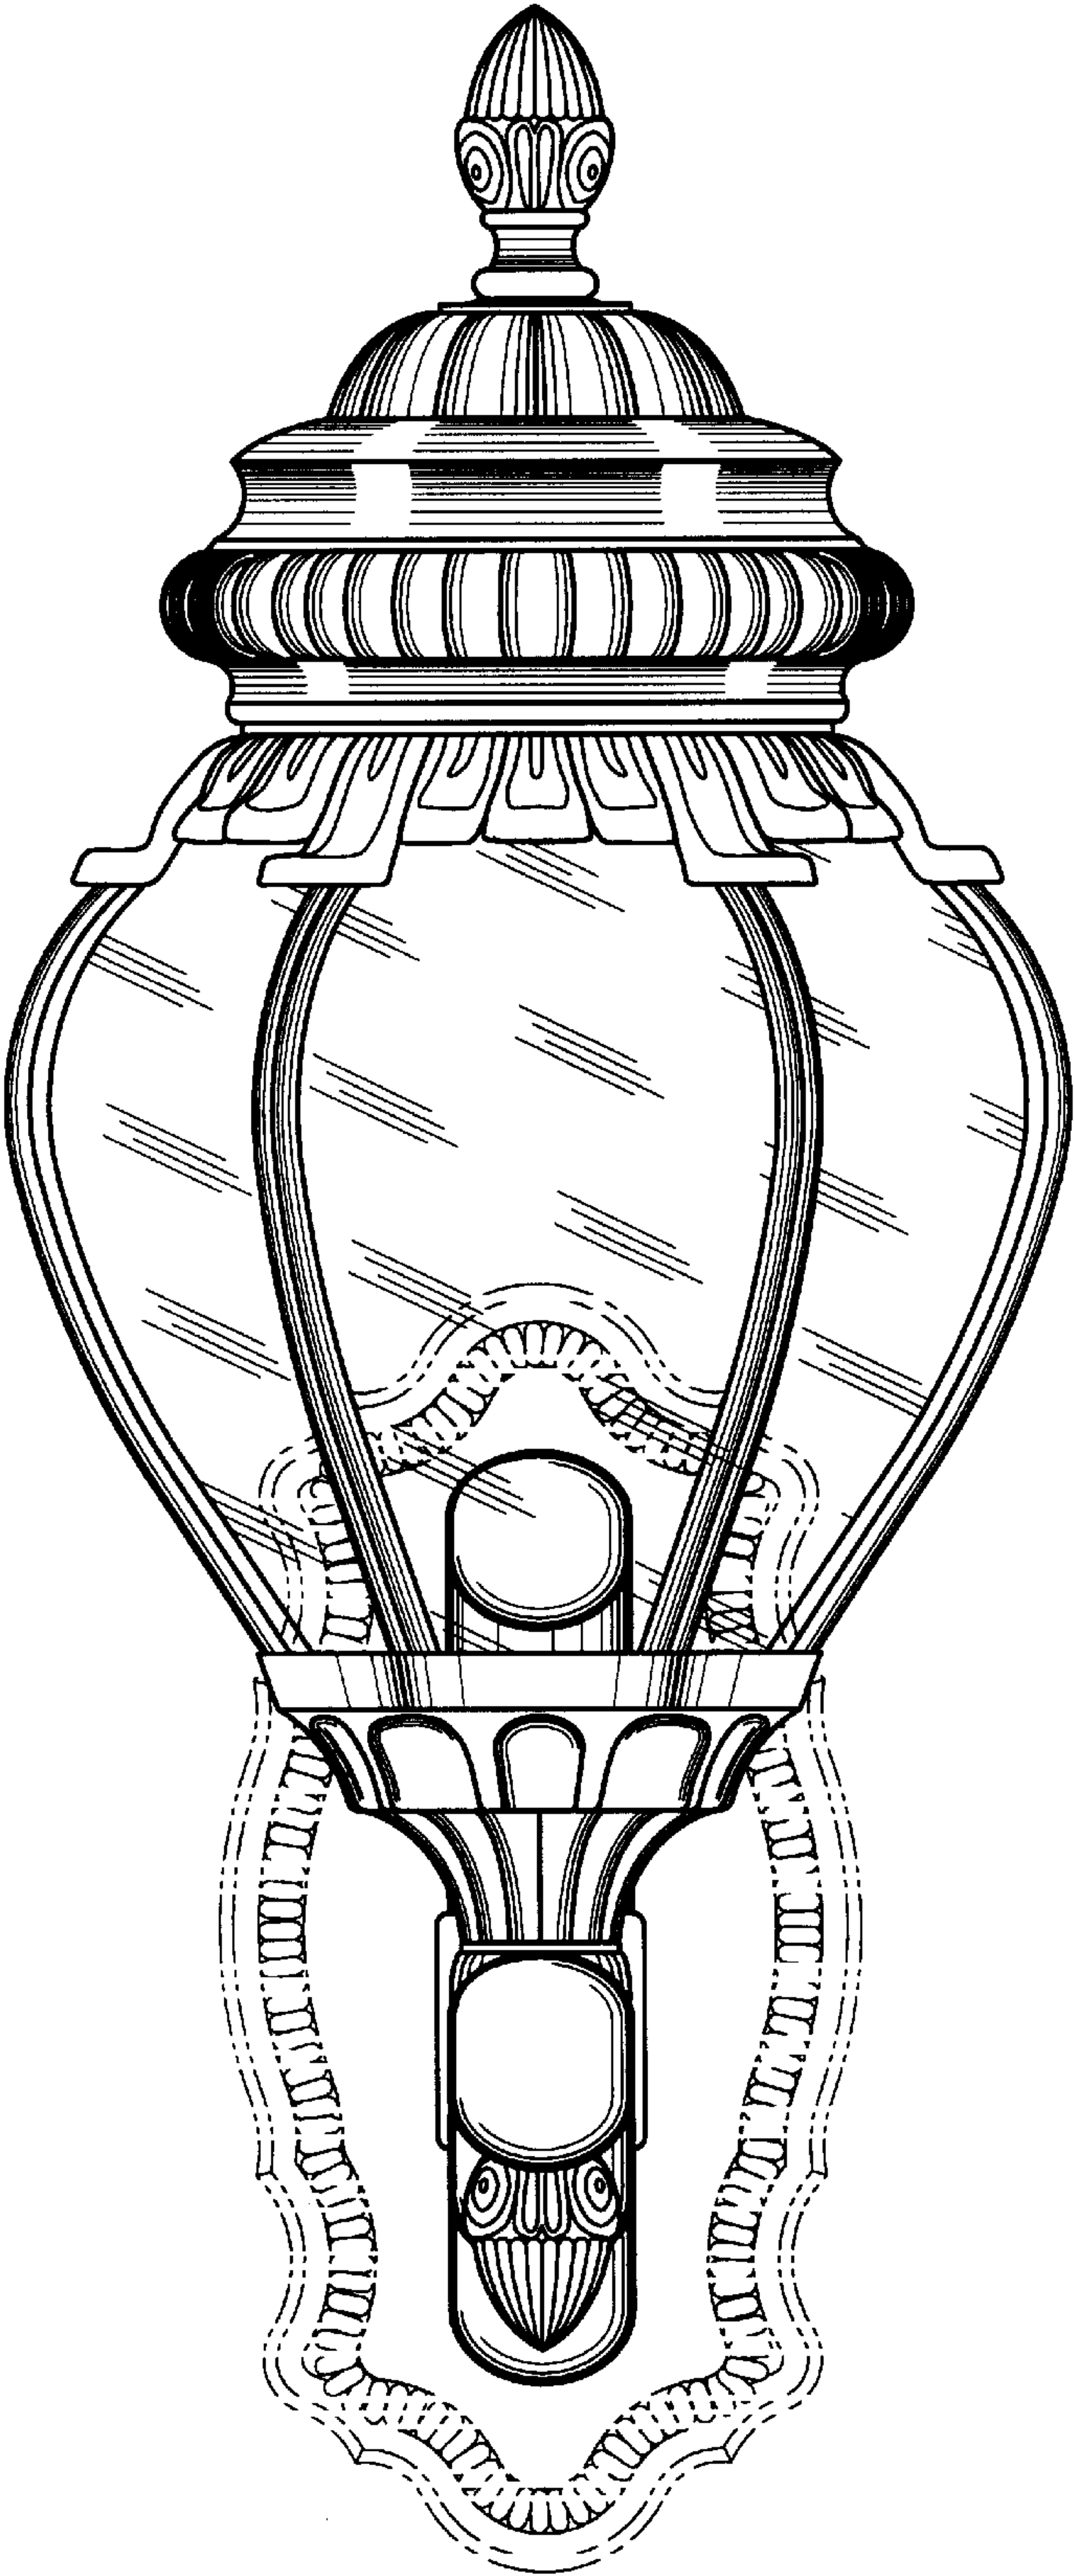

The broken lines illustrating the environment of the present invention are for illustrative purposes only and form no part of the claimed design.
