*Primary Examiner*—Gary D. Watson(74) *Attorney, Agent, or Firm*—Howrey Simon Arnold & White, LLP(57) **CLAIM**

The ornamental design for a chair guide, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the chair guide of the present invention, illustrating the chair guide in a closed position and attached to an exemplary arm of an exemplary chair;

FIG. 2 shows a front view of the chair guide in a closed position;

FIG. 3 shows a back view of the chair guide in a closed position;

FIG. 4 shows a right side view of the chair guide in a closed position;

FIG. 5 shows a left side view of the chair guide in a closed position;

FIG. 6 shows a top view of the chair guide in a closed position;

FIG. 7 shows a bottom view of the chair guide in a closed position;

FIG. 8 is a front perspective view of the chair guide of the present invention, illustrating the chair guide in an open position and attached to an exemplary arm of an exemplary chair;

FIG. 9 shows a front view of the chair guide in an open position;

FIG. 10 shows a back view of the chair guide in an open position;

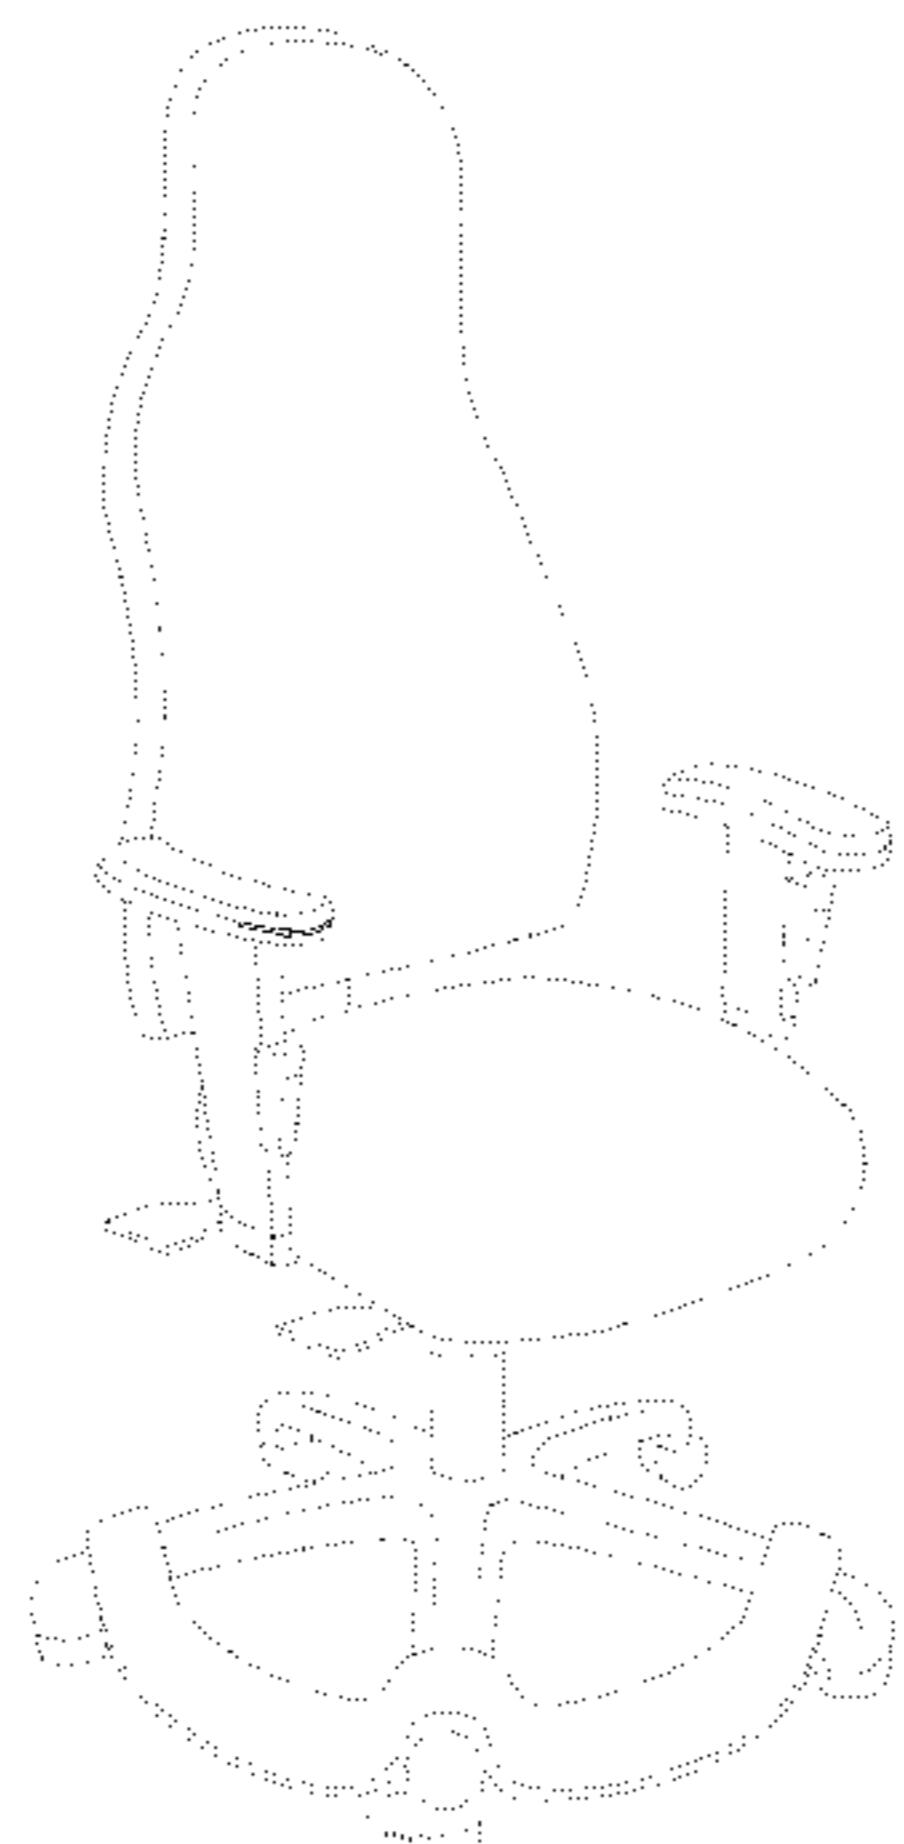

FIG. 11 shows a right side view of the chair guide in an open position;

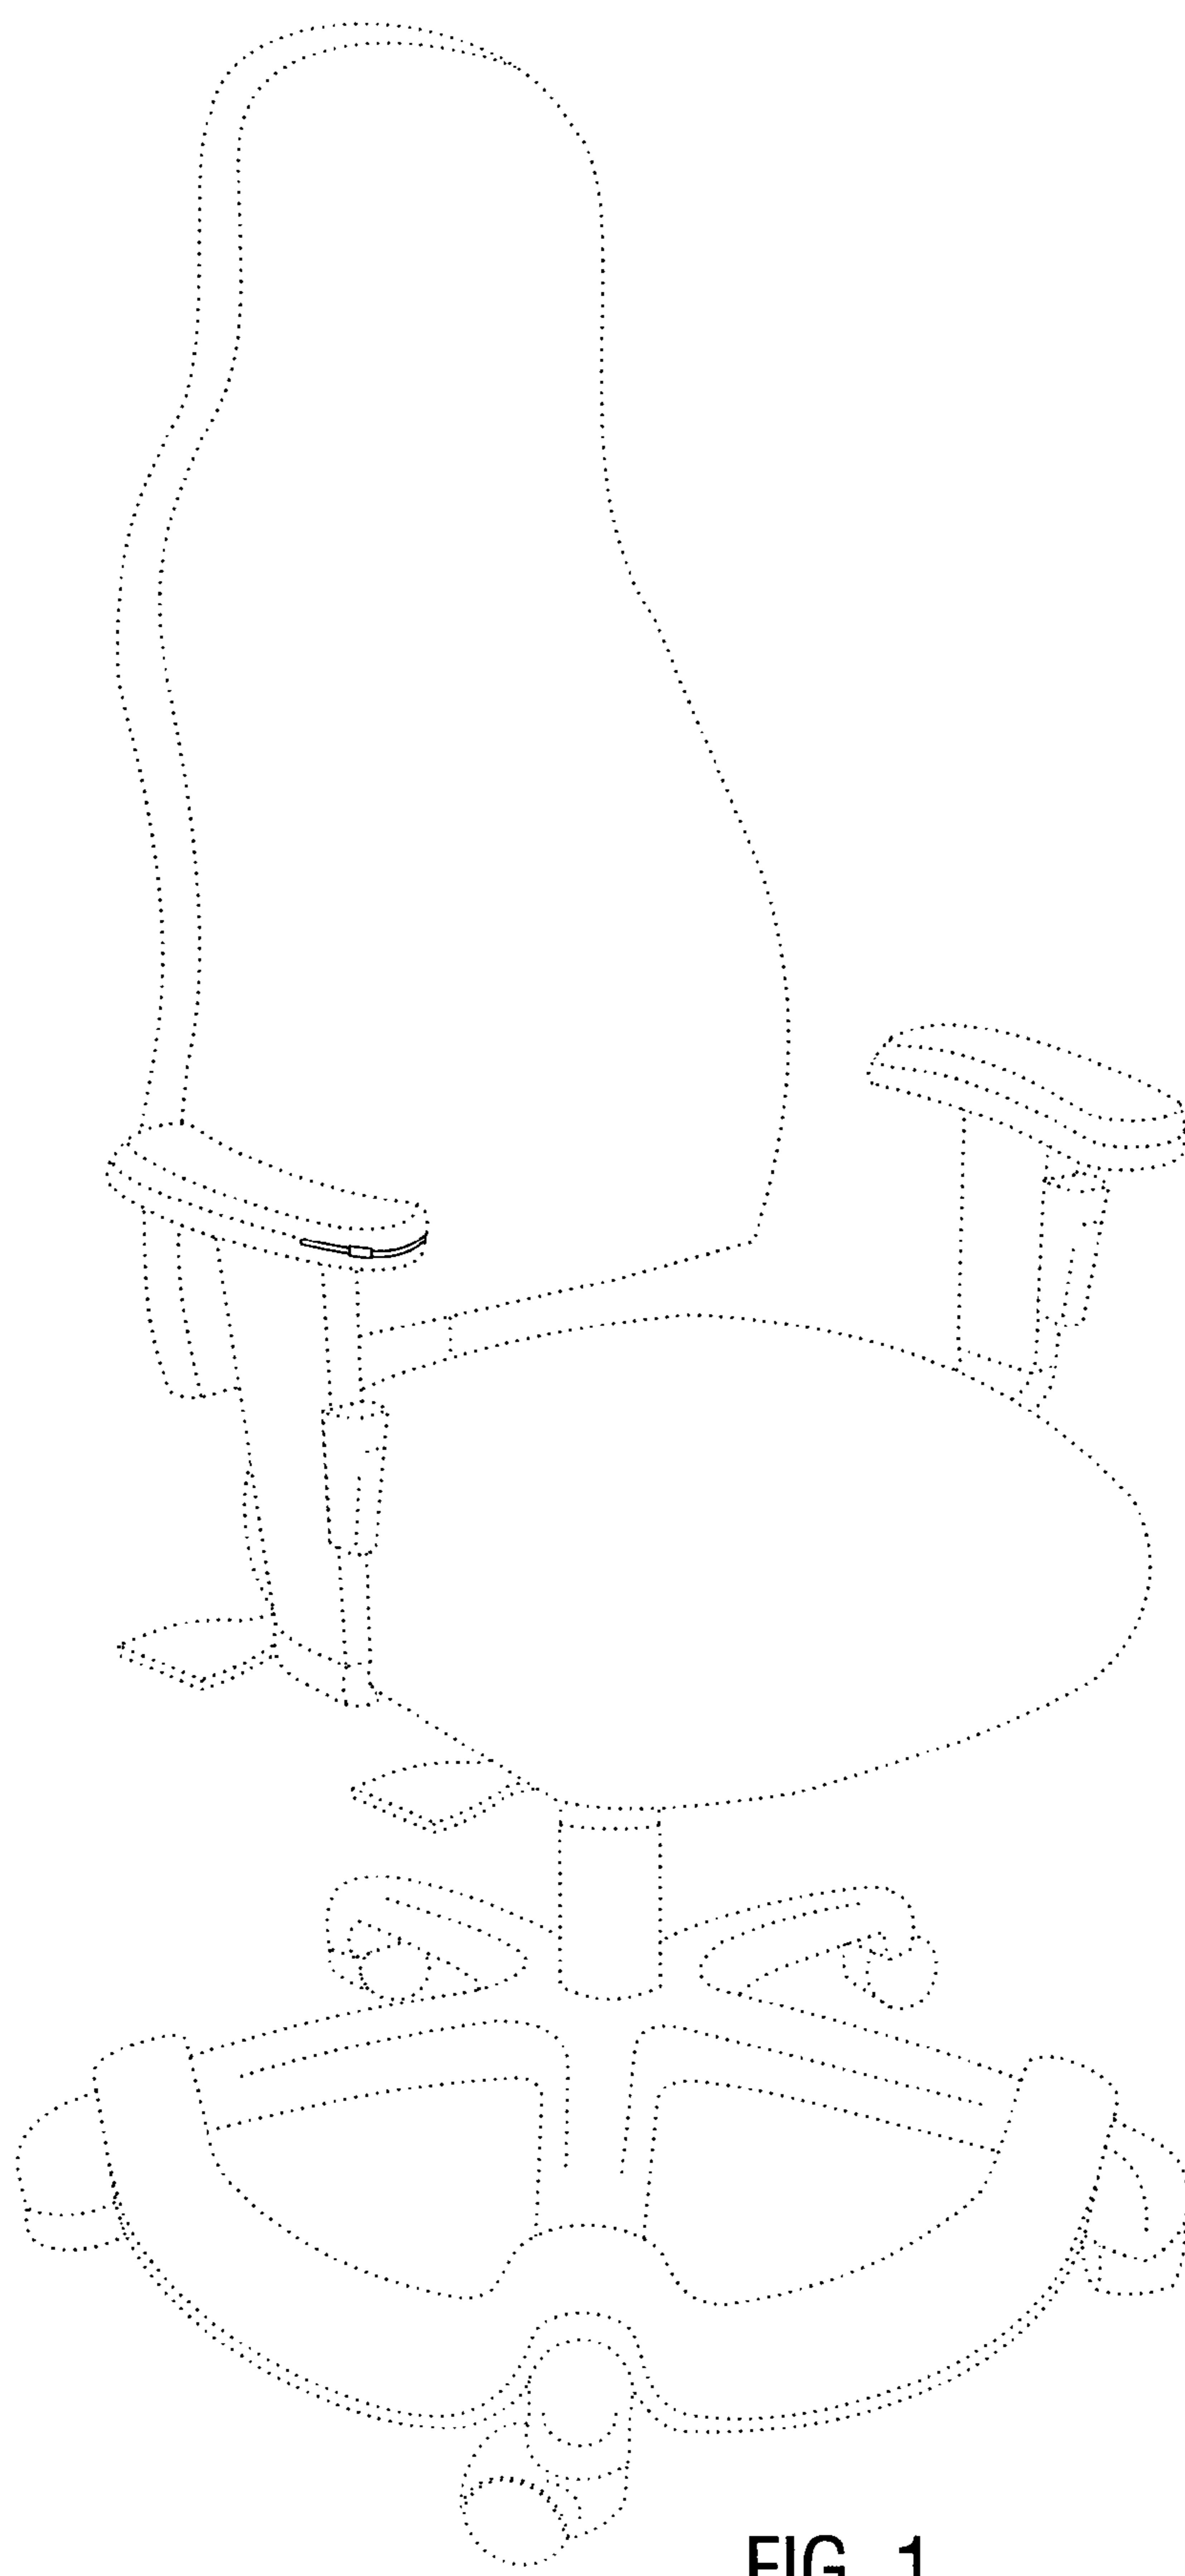

FIG. 12 shows a left side view of the chair guide in an open position;

FIG. 13 shows a top view of the chair guide in an open position; and,

FIG. 14 shows a bottom view of the chair guide in an open position.

The broken lines disclose the environment in which the claimed design is associated. These broken lines are for illustrative purposes only and form no part of the claimed design or a specified embodiment thereof. Thus, the items shown in broken lines (e.g. the chair, the chair arms, the chair legs, etc.) are exemplary only. These items illustrated in broken lines form no part of the claimed design, and are hereby disclaimed.
