(57) **CLAIM**

The ornamental design for postage label screen for a display, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a postage label screen for a display; FIG. 2 is a front view of a second embodiment thereof; and, FIG. 3 is a front view of a third embodiment thereof.

The broken line drawings of words, lines and symbols in all views are for illustrative purposes only and form no part of the claimed design.
