(57) **CLAIM**

I claim the ornamental design for an extruded member for flooring, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an extruded member for flooring, showing my new design with the upper surface simulating a wood grain effect;

FIG. 2 is a top plan view thereof without the wood grain effect;

FIG. 3 is an end elevational view thereof;

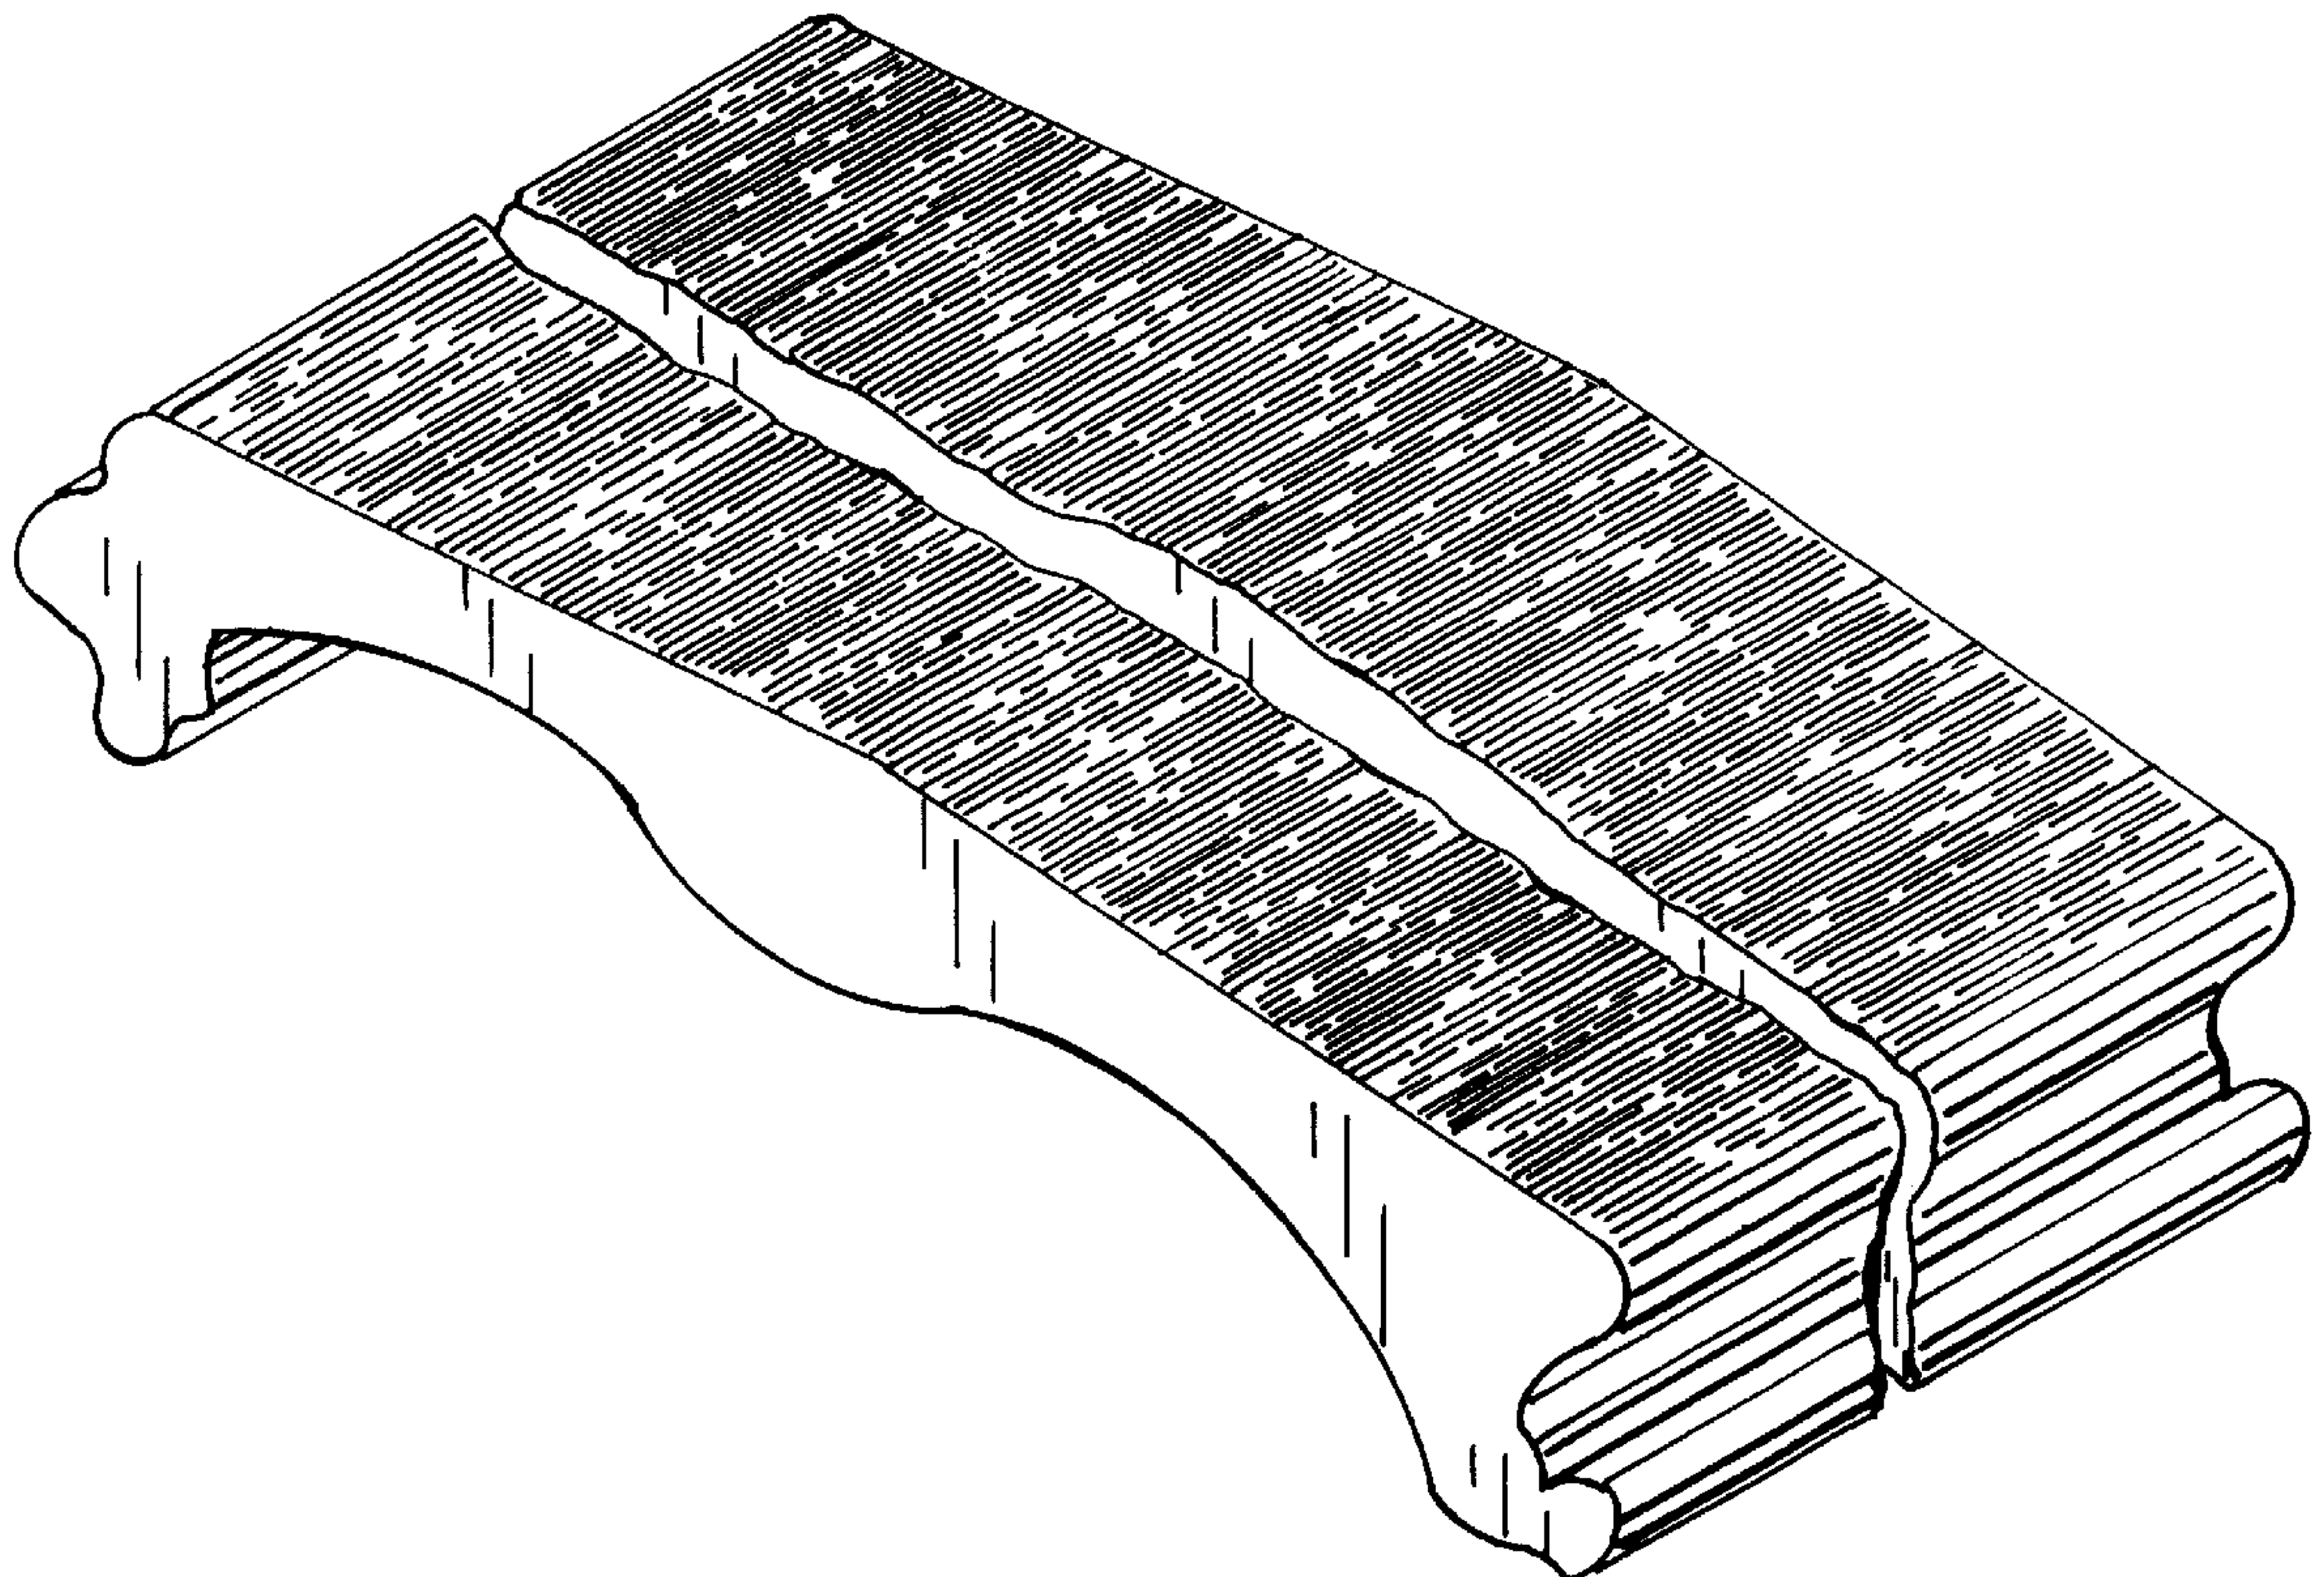

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a left side elevational view thereof; and,

FIG. 6 is a right side elevational view thereof.

The article has been shown broken away in the views to show indeterminate length.
