(57) **CLAIM**

The ornamental design for a front of a dishwasher, as shown and described in FIGS. 1-4.

DESCRIPTION

FIG. 1 is a perspective view of a front of a dishwasher according to a first embodiment of my design;

FIG. 2 is a right side elevational view of the front of the dishwasher according to the first embodiment;

FIG. 3 is a top plan view of the front of the dishwasher according to the first embodiment; and,

FIG. 4 is a bottom plan view of the front of the dishwasher according to the first embodiment.

While FIG. 2 illustrates the right side elevational view of the front of the dishwasher according to the first embodiment, the left side elevational view of the front of the dishwasher according to the first embodiment would be the mirror image.

In each of the Figures, the front of the dishwasher is shown positioned on a broken line representation of a dishwasher which is for illustrative purposes only and forms no portion of the claimed invention.
