(57) **CLAIM**

The ornamental design for a greeting card, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of my greeting card design and the environment where the card is being used around the neck of a person, wherein the dash lines showing a person's head, neck and shoulders are for illustrative purposes only and forms no part of the claimed design;

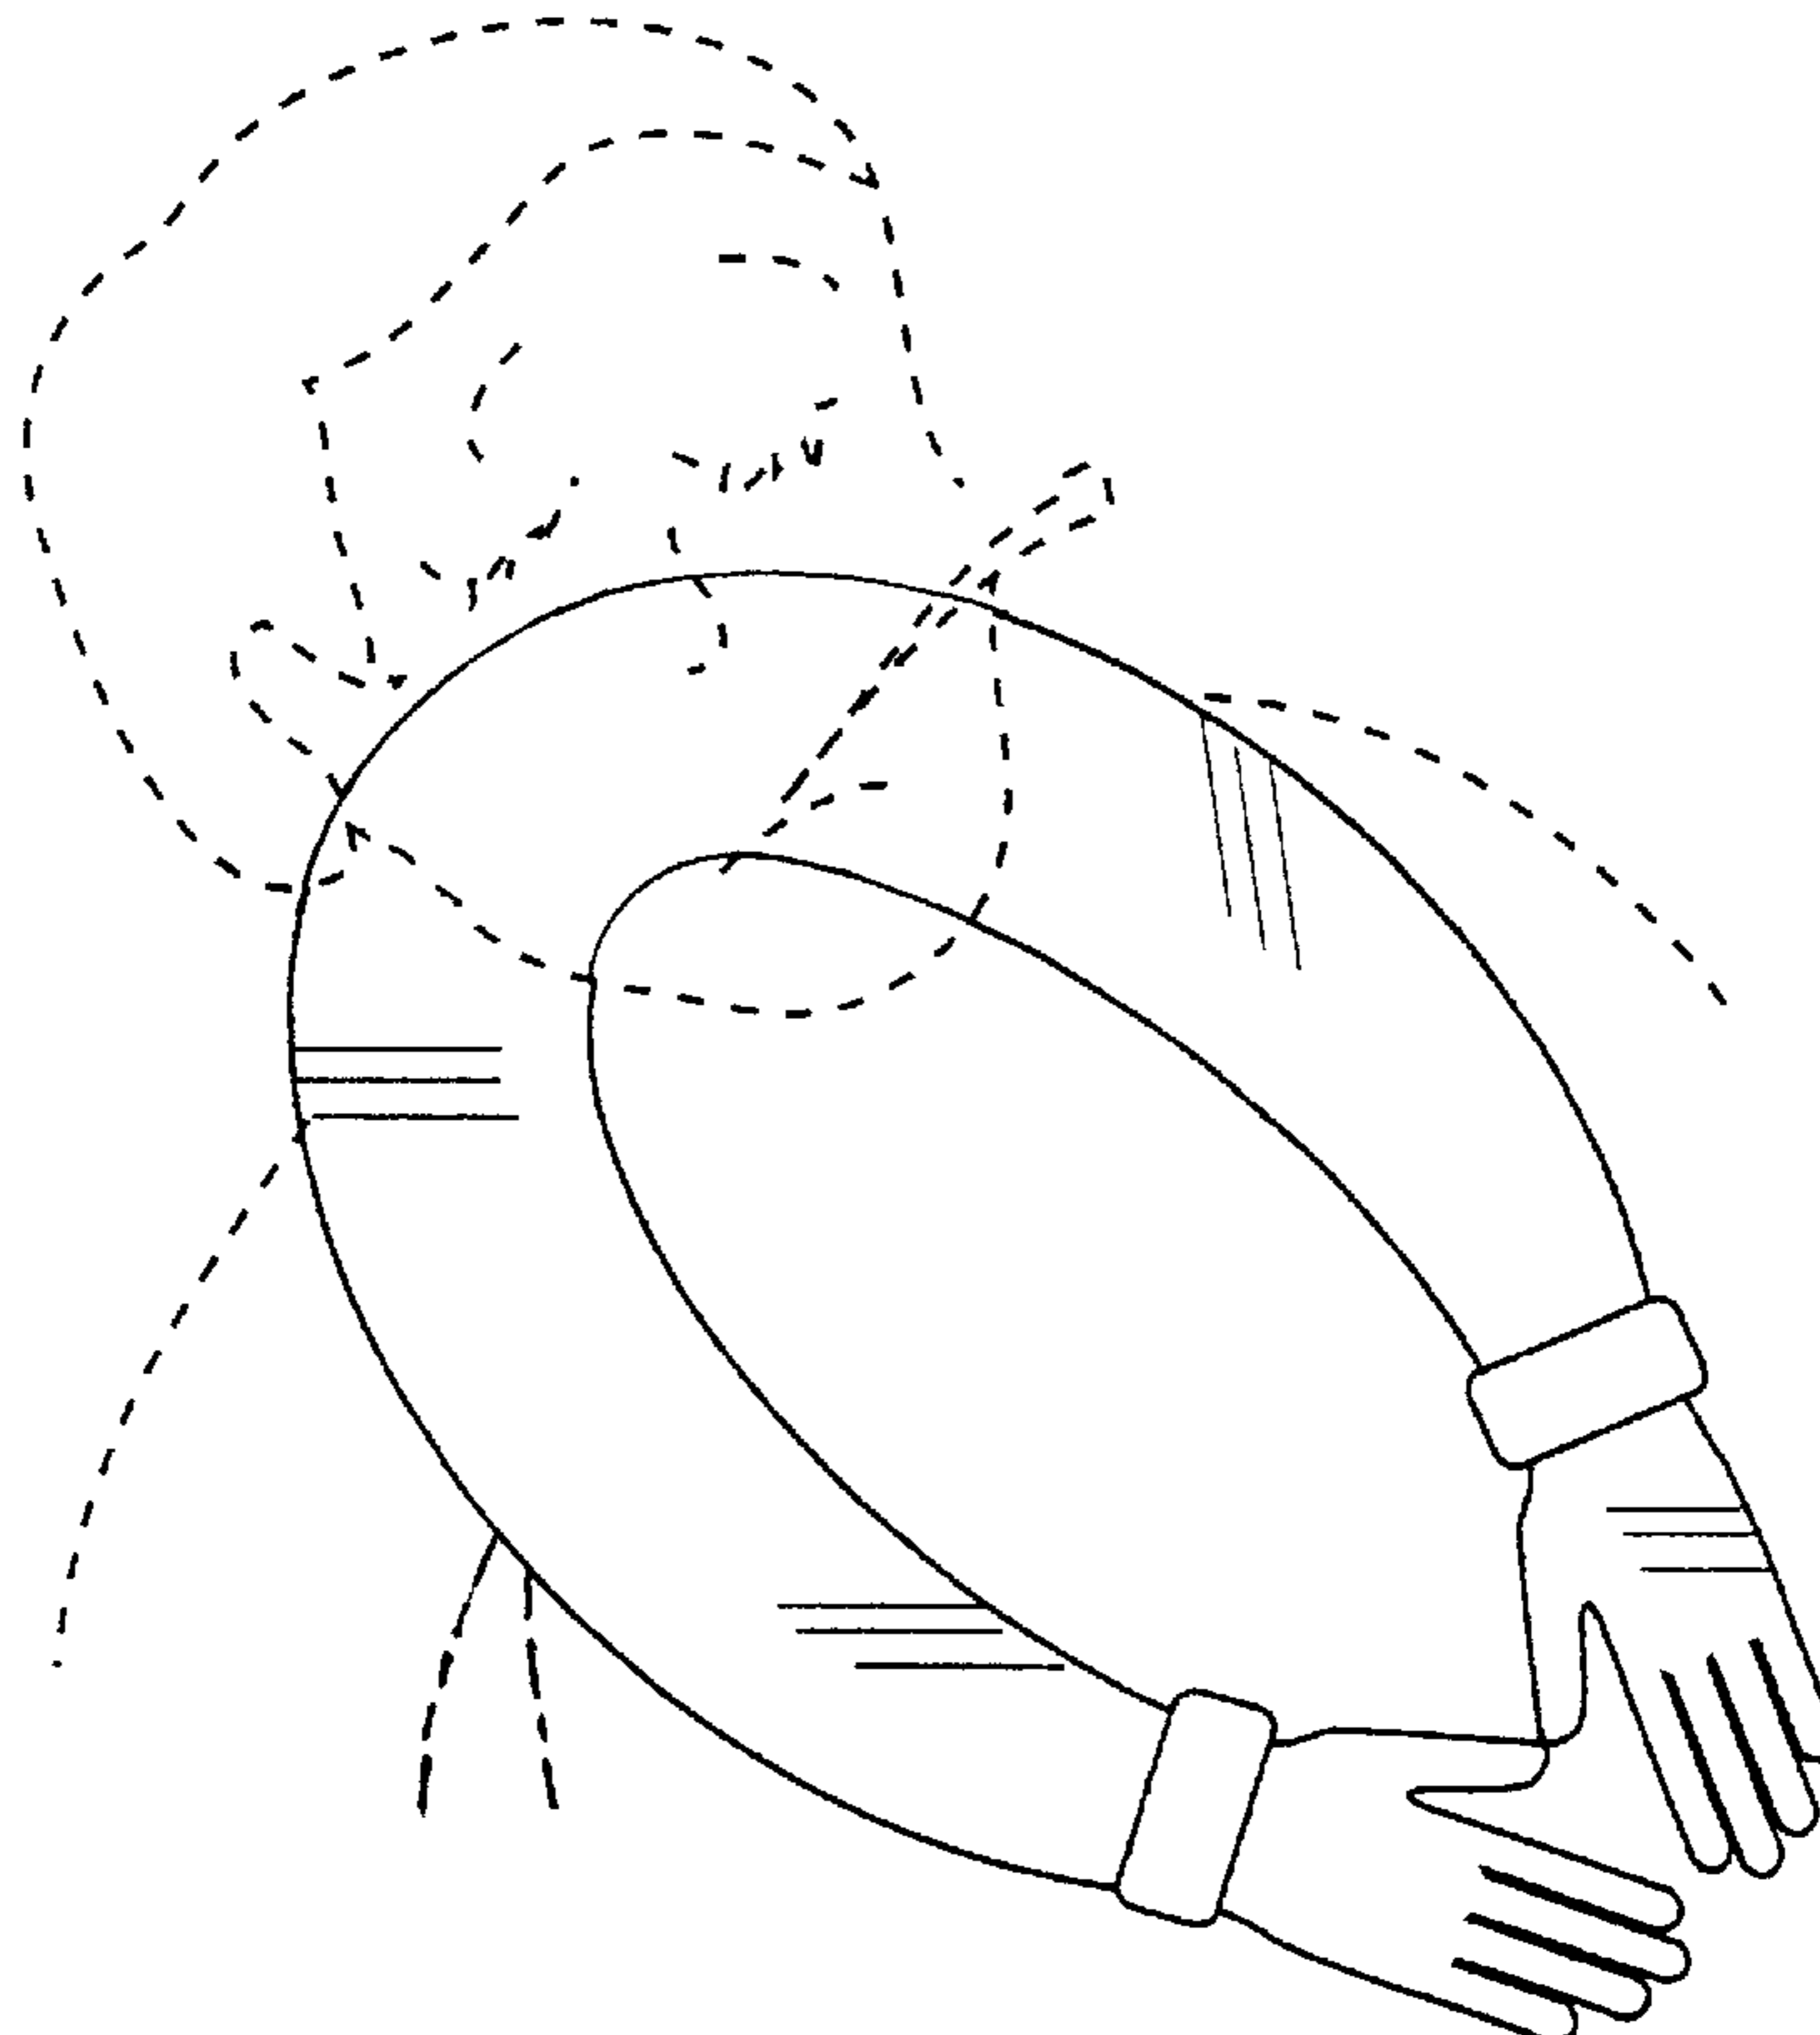

FIG. 2 is a front face view of the greeting card of my invention thereof, wherein a logo, trademark, message and/or design printed on the card are for illustrative purposes only and form no part of the claimed design;

FIG. 3 is a rear face view of my greeting card design, wherein personal notes written on the card are for illustrative purposes only and form no part of the claimed design;

FIG. 4 is an edge view of the greeting card of the invention thereof being partially folded at various fold locations; and,

FIG. 5 is an elevation view of a folded greeting card of the design being placed in an envelope for transporting or mailing, wherein the envelope is for illustrative purposes only and forms no part of the claimed design.
