(57) **CLAIM**

The ornamental design for a combination ceiling fan blades and blade mounting assembly, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the combination ceiling fan blades and blade mounting assembly in accordance with my design; FIG. 2 is a front elevation view of the combination ceiling fan blades and blade mounting assembly in accordance with my design;

FIG. 3 is a bottom view of the combination ceiling fan blades and blade mounting assembly in accordance with my design; and,

FIG. 4 is a side elevation view of the combination ceiling fan blades and blade mounting assembly in accordance with my design.

The front and rear elevational views are substantially identical except for the positioning of the blades.

The left and right side elevational views are substantially identical except for the positioning of the blades.

The broken lines showing environmental structures are for illustrative purposes only and form no part of the claimed design.

The support rod has been shown broken away to indicate indeterminate length.
