FIG. 1 front elevation of the grip with the handle only partially shown;
FIG. 2 is a side elevation of the grip in clamped position;
FIG. 3 is a back elevation of the grip in clamped position;
and,
FIG. 4 is a side elevation of the grip in opened position.

The handle is shown partially to show environmental structure for the claimed design. The handle itself forms no part of the claimed design.

The end of the grip is unornamented and forms no part of the claimed design.
