(57) CLAIM

The ornamental design for a paint color display pattern for a paint color selection cards, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a paint color display pattern, showing the new design thereof, with the broken line showing for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a side view of the paint color display pattern of FIG. 1;

FIG. 3 is a top view of the paint color display pattern of FIG. 1; and,

FIG. 4 is a rear view of the paint color display pattern of FIG. 1.

The inventor's design is directed toward a pattern of adjacent polygonal paint color samples in a paint color display, as shown. This pattern is useful to permit a customer to select a paint color. In one use, the individual paint color samples may be of varying colors. However, color is not claimed as a feature of the design.
