(57) **CLAIM**

The ornamental design for an extendable top hood and container for a bicycle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the extendable top hood and container for a bicycle.
 FIG. 2 is a front view of the extendable top hood and container for a bicycle.
 FIG. 3 is a plan view of the extendable top hood and container for a bicycle shown in non-use position and with the container removed for clarity.
 FIG. 4 is a bottom view of the extendable top hood and container for a bicycle of FIG. 3; and,
 FIG. 5 is a right side view of the extendable top hood and container for a bicycle of FIG. 3.
 The broken lines shown are for illustrative purposes only and form no part of the claimed design.
