(57) **CLAIM**

The ornamental design for a geographic adaptor electric plug, as shown and described.

DESCRIPTION

FIG. 1 is a top, left side and front isometric view of a geographic adaptor electric plug showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a right side elevational view thereof; FIG. 5 is a rear elevational view thereof; FIG. 6 is a bottom plan view thereof; FIG. 7 is a top, right side and rear isometric view of a geographic adaptor electric plug showing my new design, and illustrating the male plugs and prong suitable for United Kingdom usage in a position extending from the rear of the design; FIG. 8 is an isometric view similar to that of FIG. 7, but with male plugs suitable for North American usage in an extended position; FIG. 9 is an isometric view similar to that of FIG. 8, but with the extended plugs of FIG. 8 angularly oriented, suitable for usage in Australia and New Zealand; and, FIG. 10 is an isometric view similar to that of FIG. 7, but with plugs and a plug base extending from the bottom portion of the rear thereof, suitable for usage in Europe.
