(57)**CLAIM**

The ornamental design for an icon for an electrosurgical tissue recovery instrument, as shown and described.

DESCRIPTION

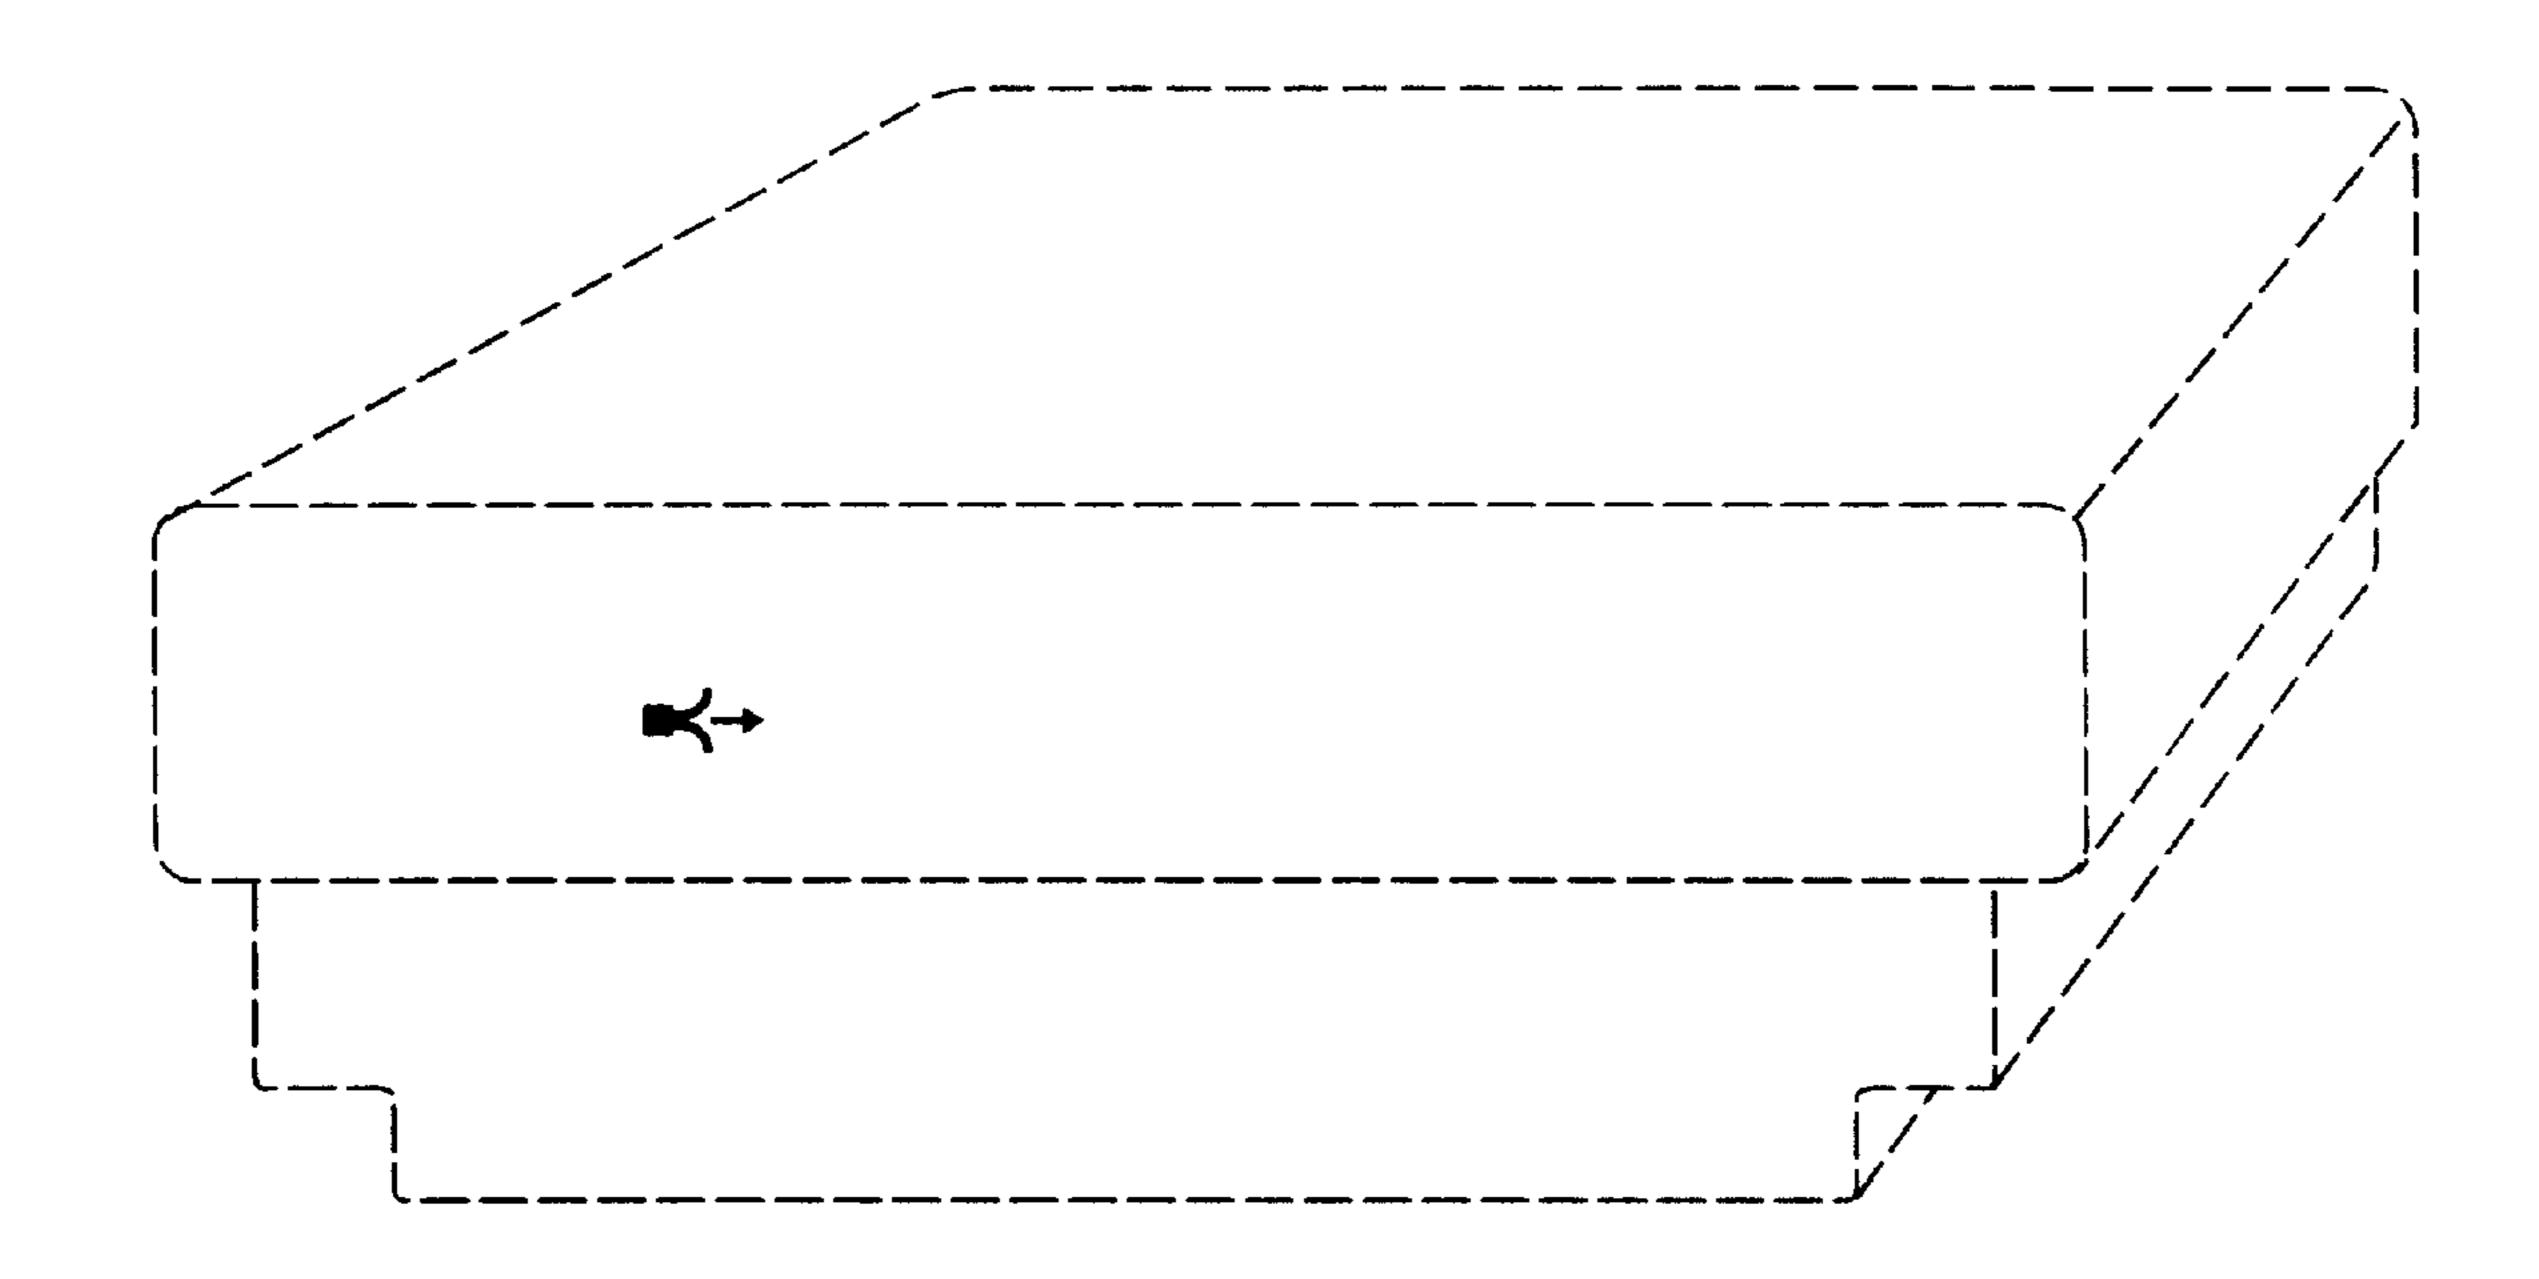

FIG. 1 is a perspective view of an icon for an electrosurgical tissue recovery instrument showing our new design; and,

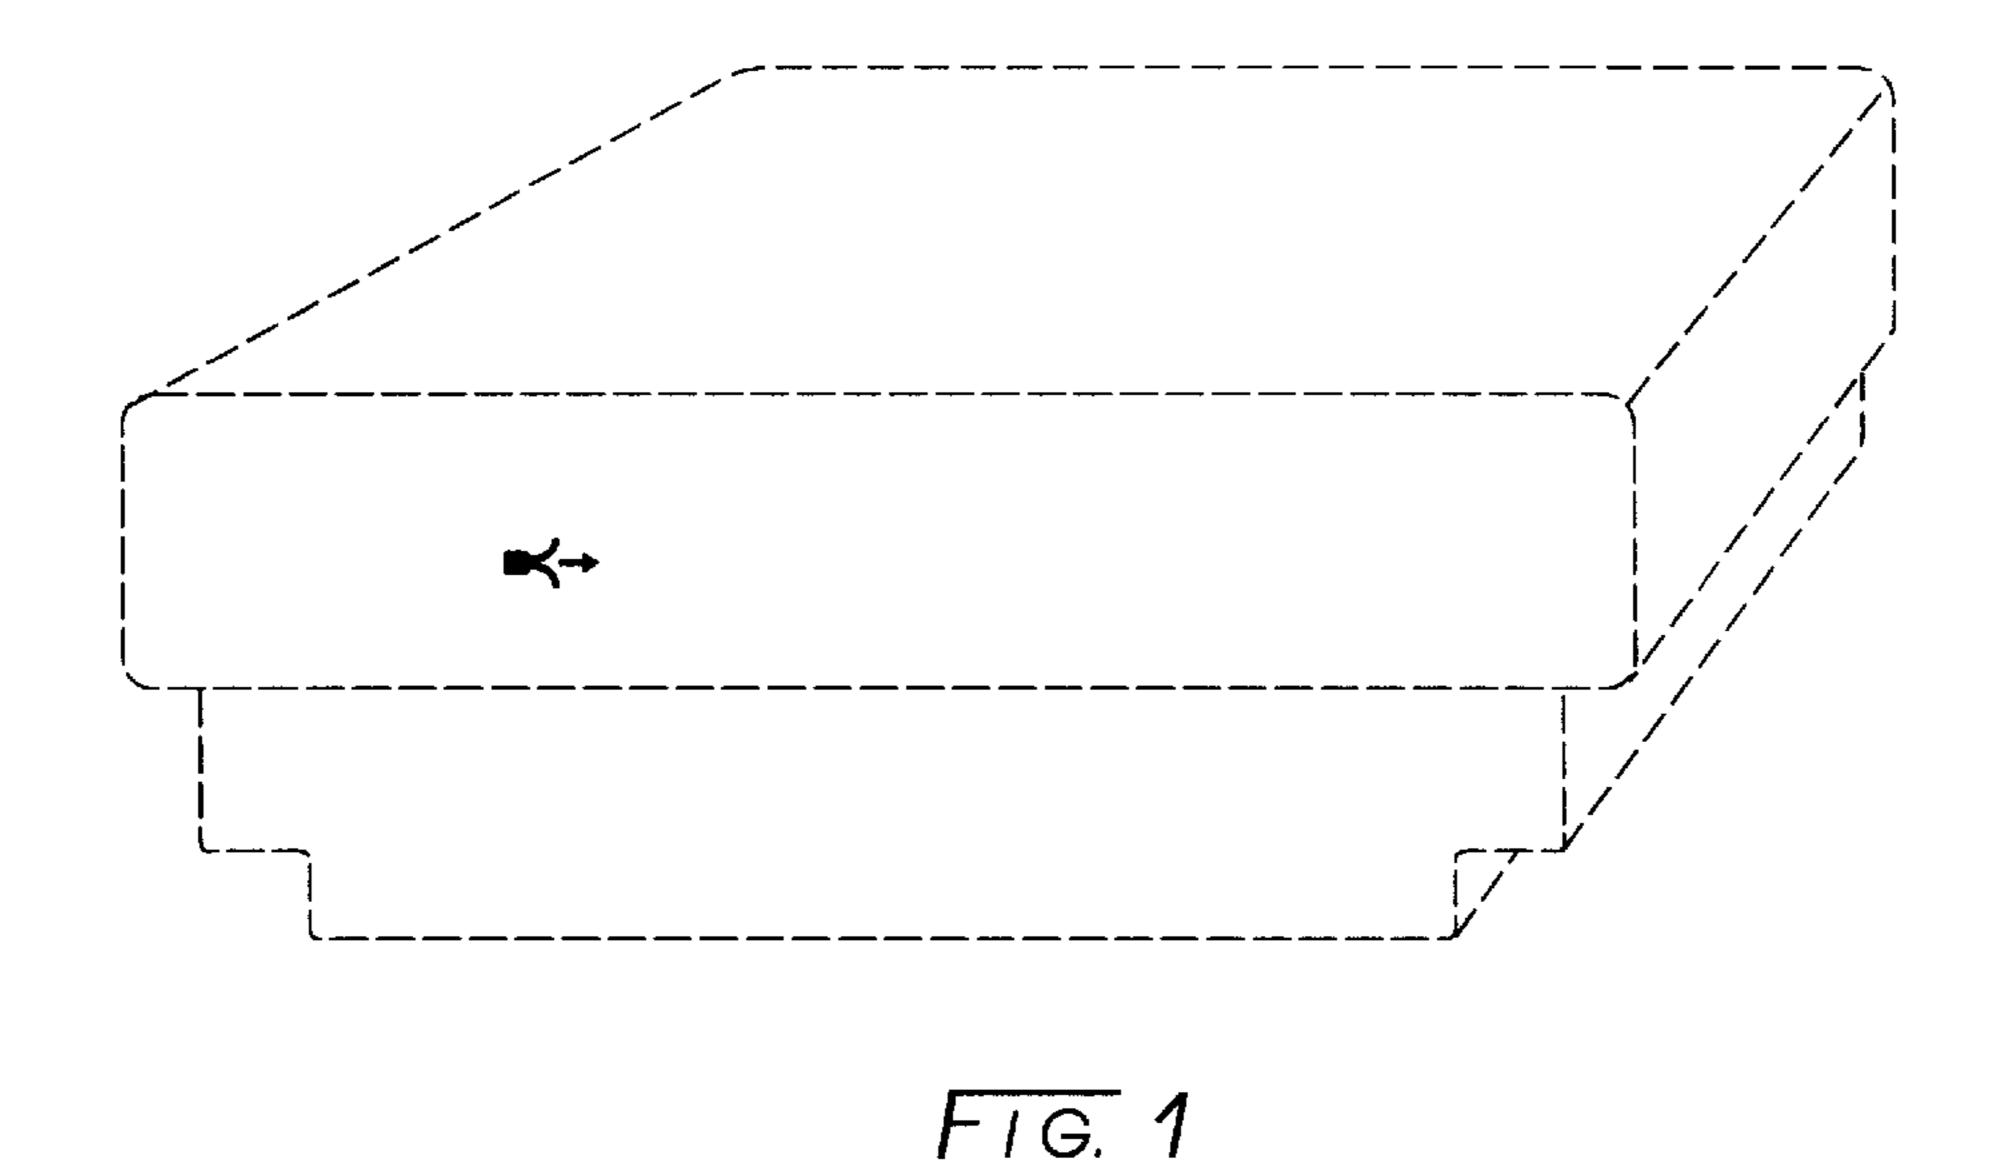

FIG. 2 is a front view thereof, on an enlarged scale.

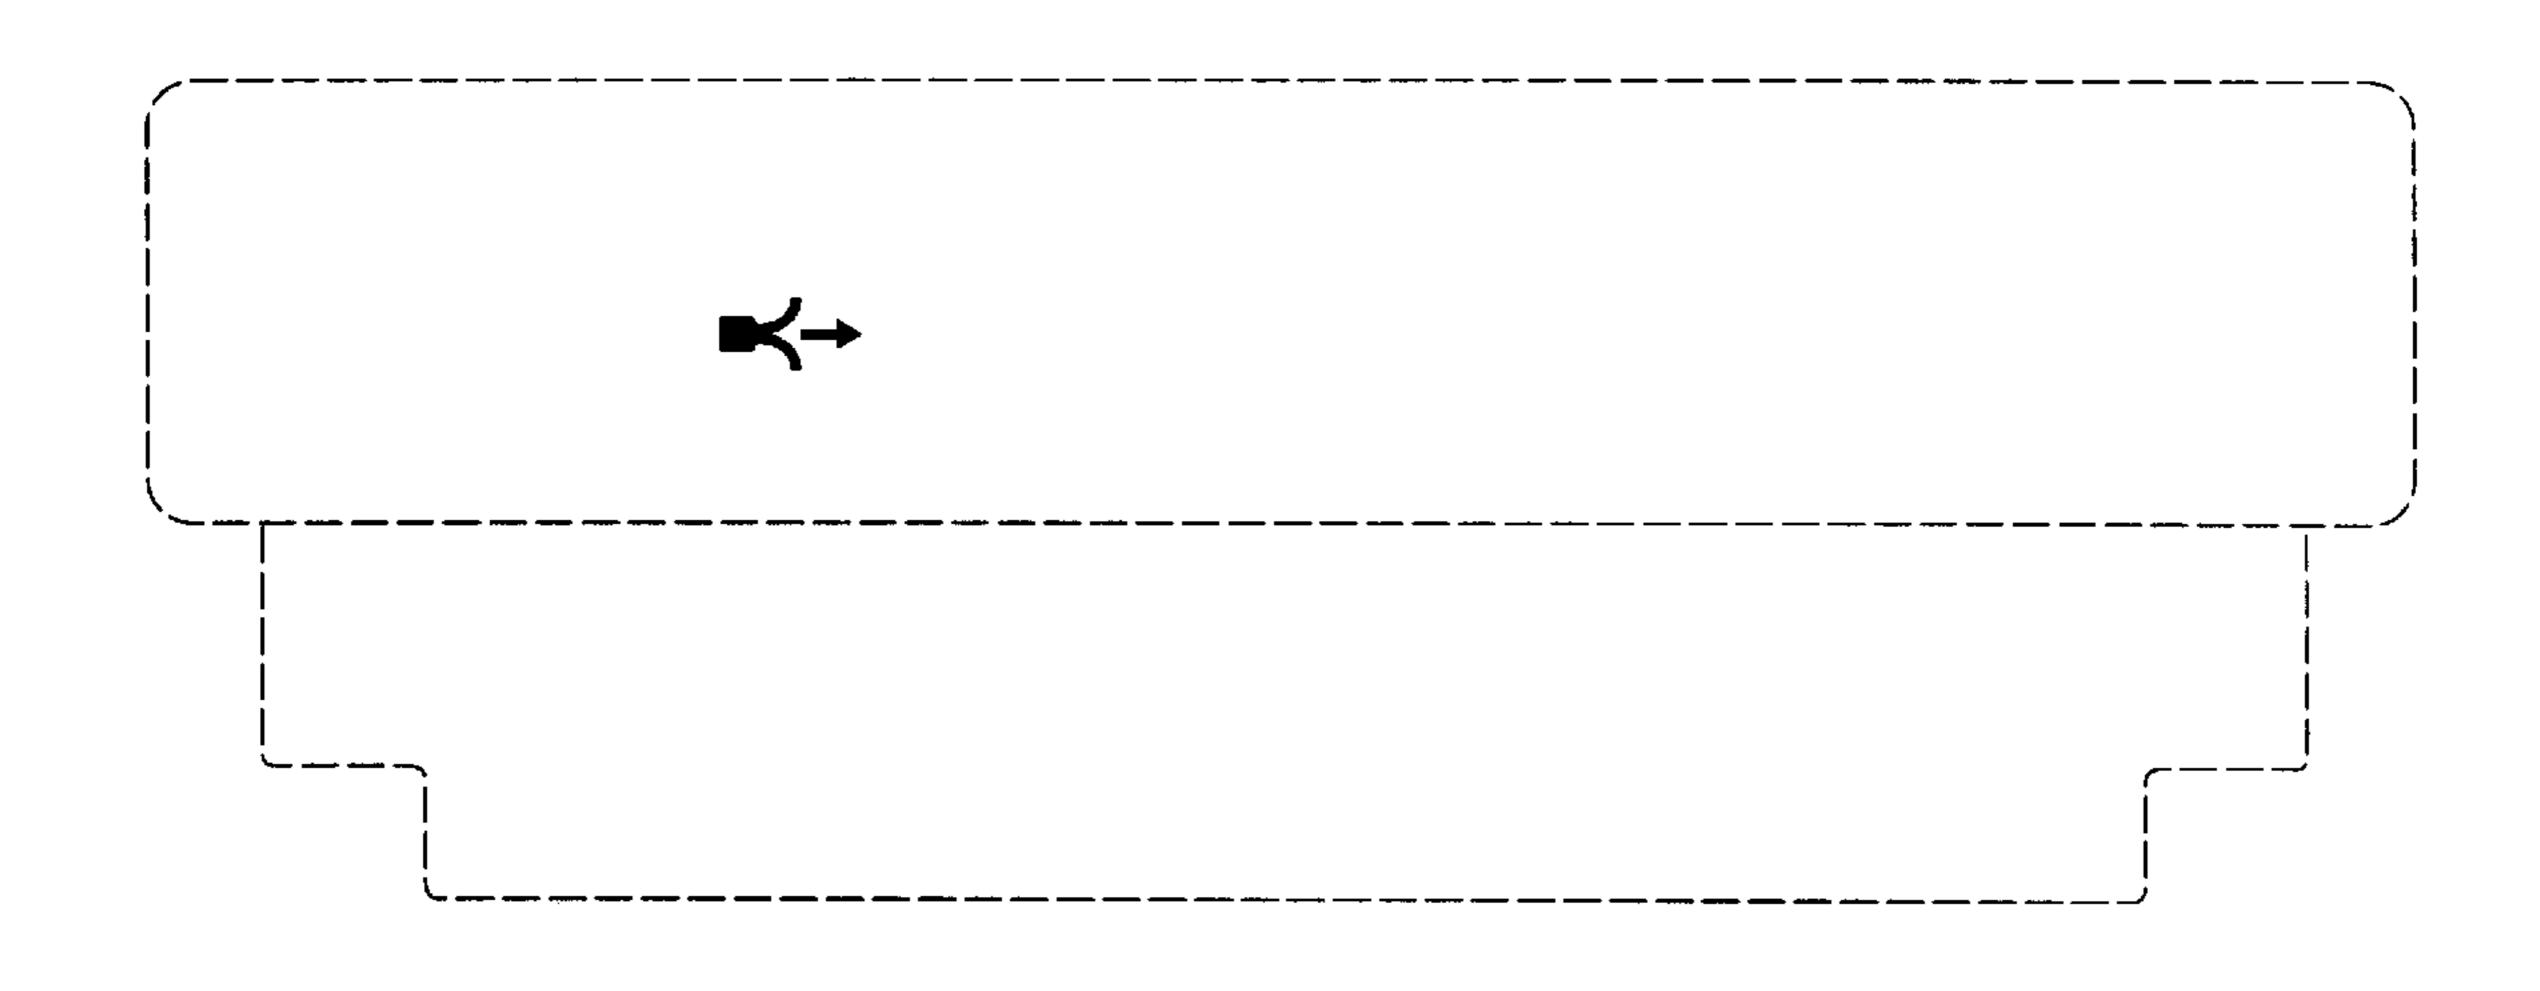

The broken line drawing of an electrosurgical tissue recovery instrument in both views is for illustrative purposes only and forms no part of the claimed design.
