(57) **CLAIM**

The ornamental design for a set of icons for an electrosurgical tissue recovery instrument, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a set of icons for an electrosurgical tissue recovery instrument showing our new design; and,

FIG. 2 is a front view thereof, on an enlarged scale.

The broken line drawing of an electrosurgical tissue recovery instrument in both views is for illustrative purposes only and forms no part of the claimed design.
