(57) **CLAIM**

The ornamental design for paint color display cards, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a paint color display card according to one embodiment of the invention, showing the new design;

FIG. 2 is a side view of the paint color display card of FIG. 1;

FIG. 3 is a top view of the paint color display card of FIG. 1; and,

FIG. 4 is a rear view of the paint color display card of FIG. 1.

The inventor's design is directed toward a pattern of adjacent polygonal paint color samples in a paint color display, as shown. This pattern is useful to permit a customer to select a paint color. In one use, the individual paint color samples may be of varying colors. However, color is not claimed as a feature of the design.
