(57) **CLAIM**

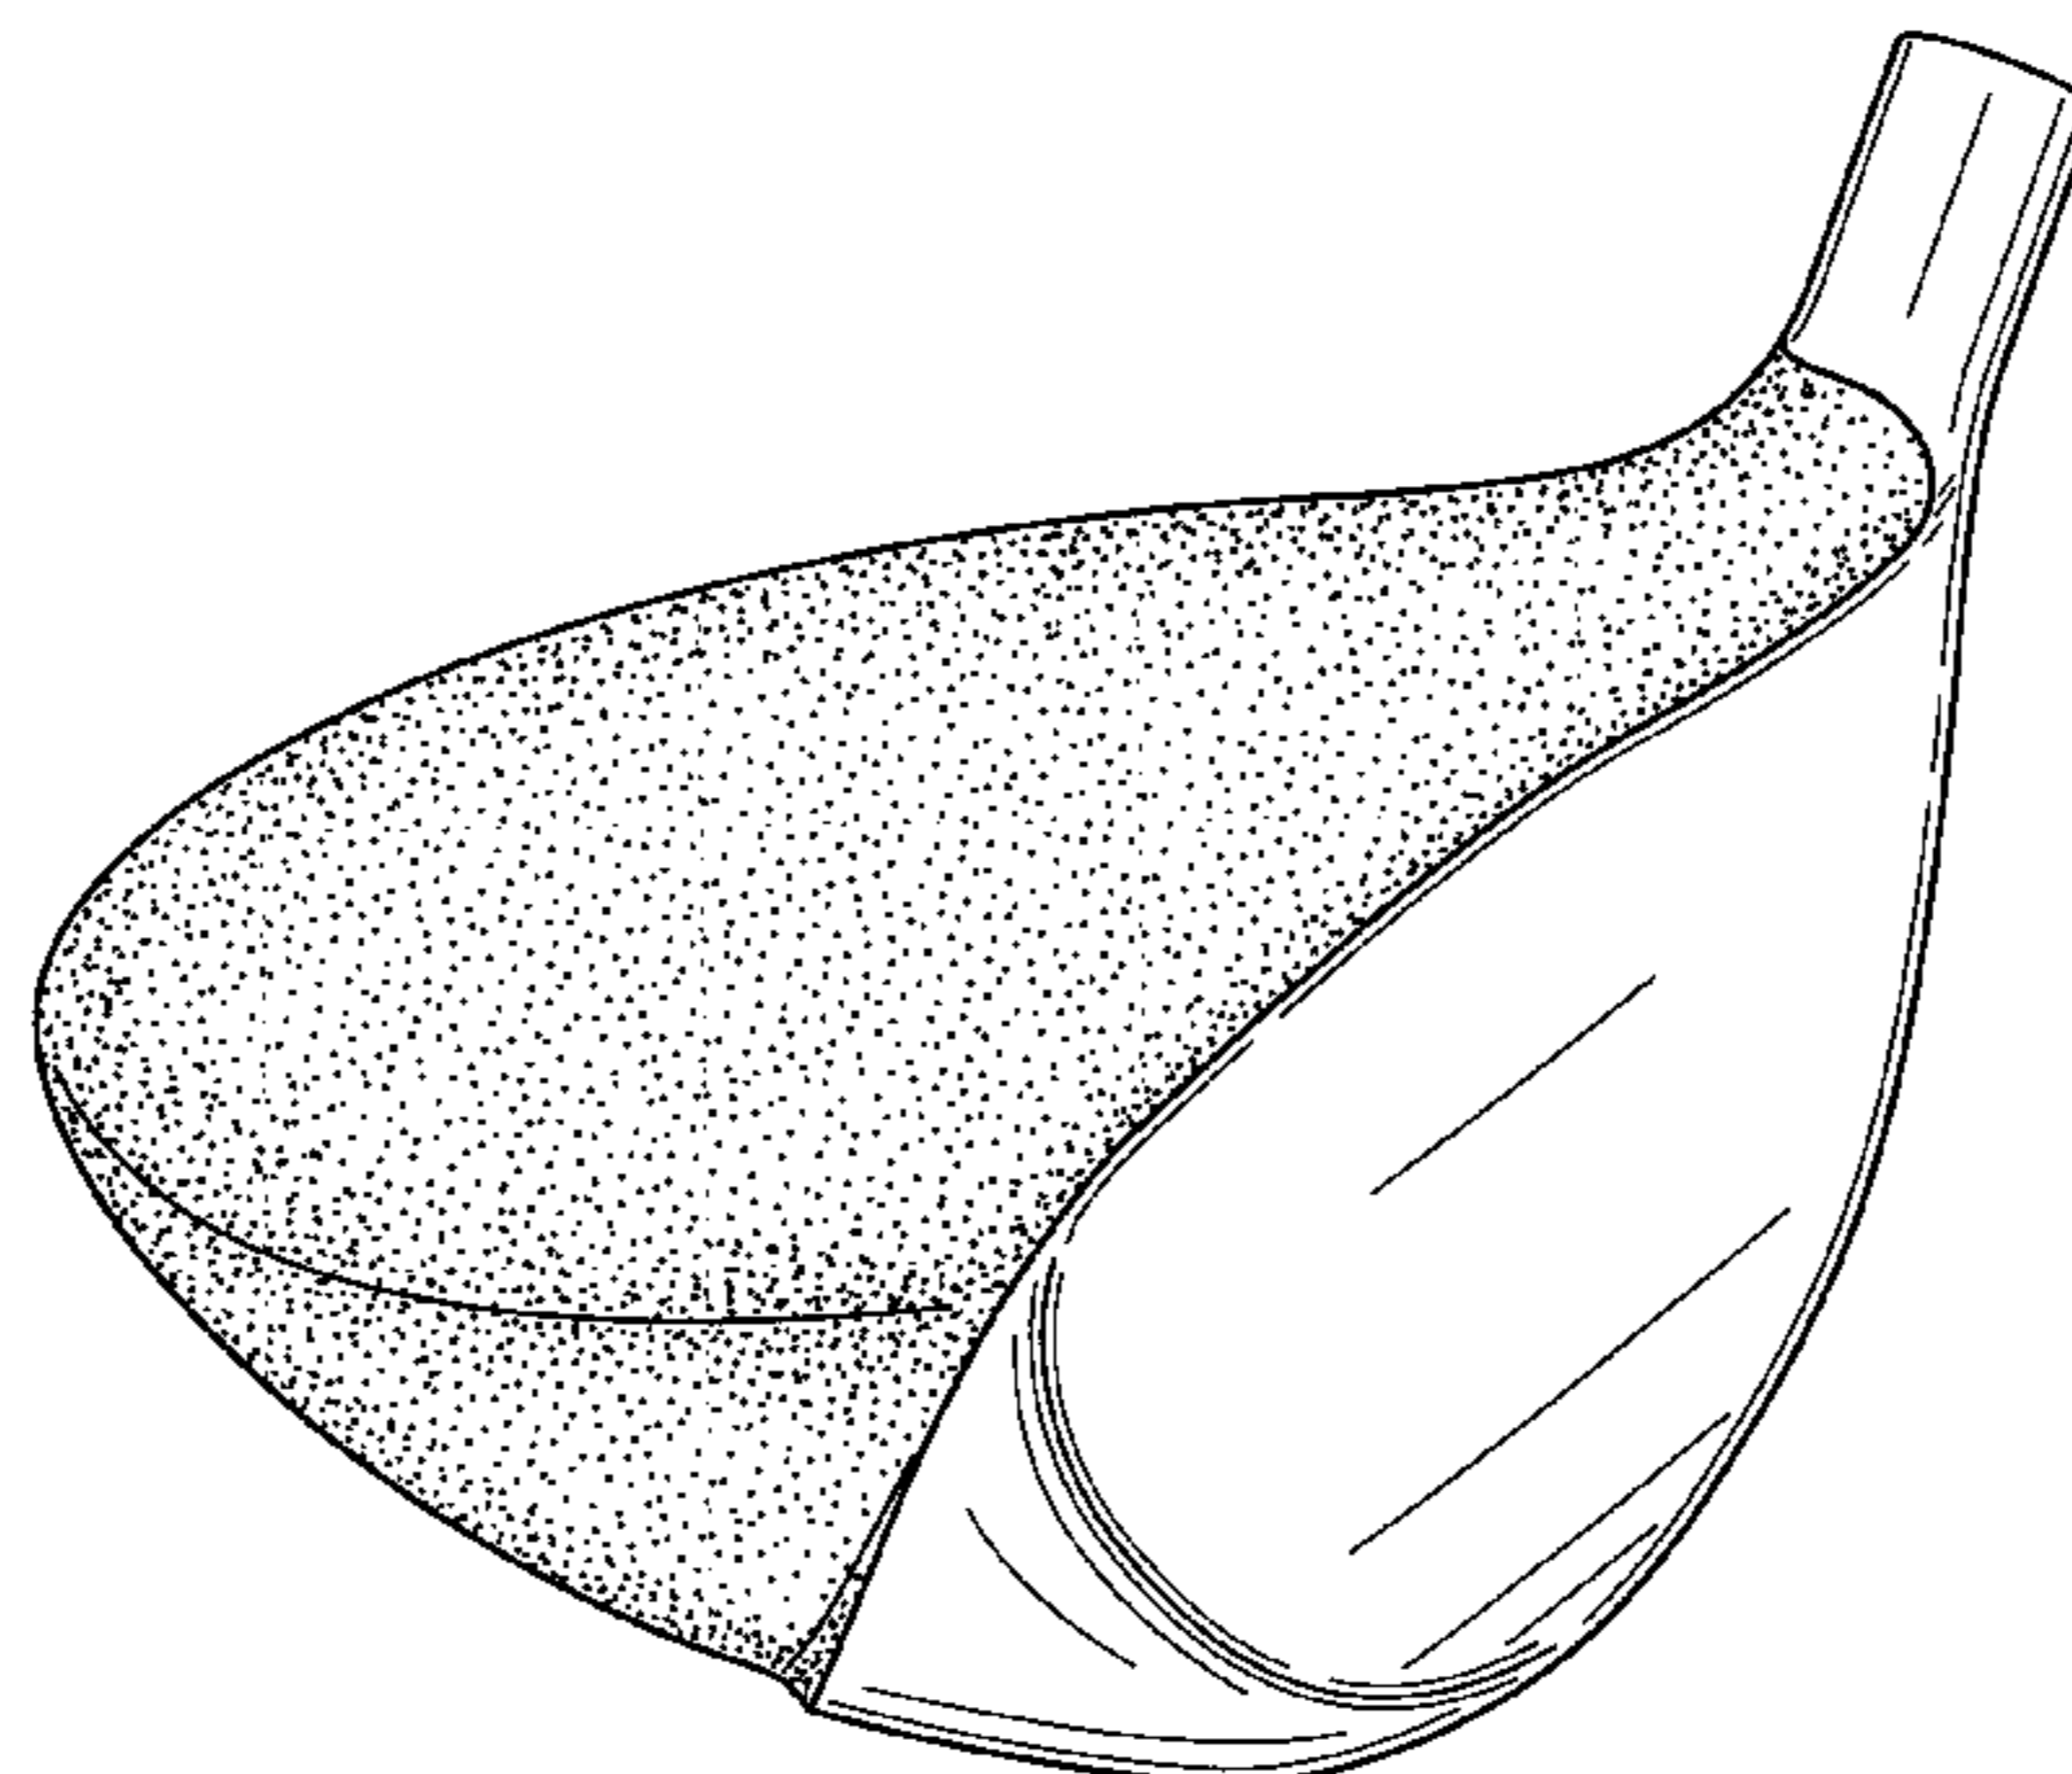

The ornamental design for a golf club head, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a golf club head showing our new design;
FIG. 2 is a front view thereof;
FIG. 3 is a rear view thereof;
FIG. 4 is a heel end view thereof;
FIG. 5 is a toe end view thereof;
FIG. 6 is a top view thereof; and,
FIG. 7 is a bottom view thereof.

The contrast of shading, dark stippling, light stippling, and line shading used in the three regions represents a difference in appearance either by color, texture, and/or finish. On the bottom of the club head, the broken line showing of the rounded three-sided shaped region and the unshaded area therein are for illustrative purposes only and forms no part of the claimed design.
