(57) **CLAIM**

The ornamental design for an air cleaner cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an air cleaner cover embodying our new design, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented;

FIG. 2 is an alternate perspective view of the air cleaner cover depicted in FIG. 1, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented;

FIG. 3 is a rear elevational view of the air cleaner cover depicted in FIG. 2, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented;

FIG. 4 is a front elevational view of the air cleaner cover depicted in FIG. 2, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented;

FIG. 5 is a left elevational view of the air cleaner cover depicted in FIG. 2, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented;

FIG. 6 is a right elevational view of the air cleaner cover depicted in FIG. 2, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented; and,

FIG. 7 is a top plan view of the air cleaner cover depicted in FIG. 2, the portion shown in broken lines being for illustrative purpose only and forming no part of the design sought to be patented; the bottom plan view not being depicted as it is plain and unornamented, and is not visible during normal use.
