(57) **CLAIM**

The ornamental design for an infant carrier cover, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the infant carrier cover fully assembled made in accordance with the design of the present invention;

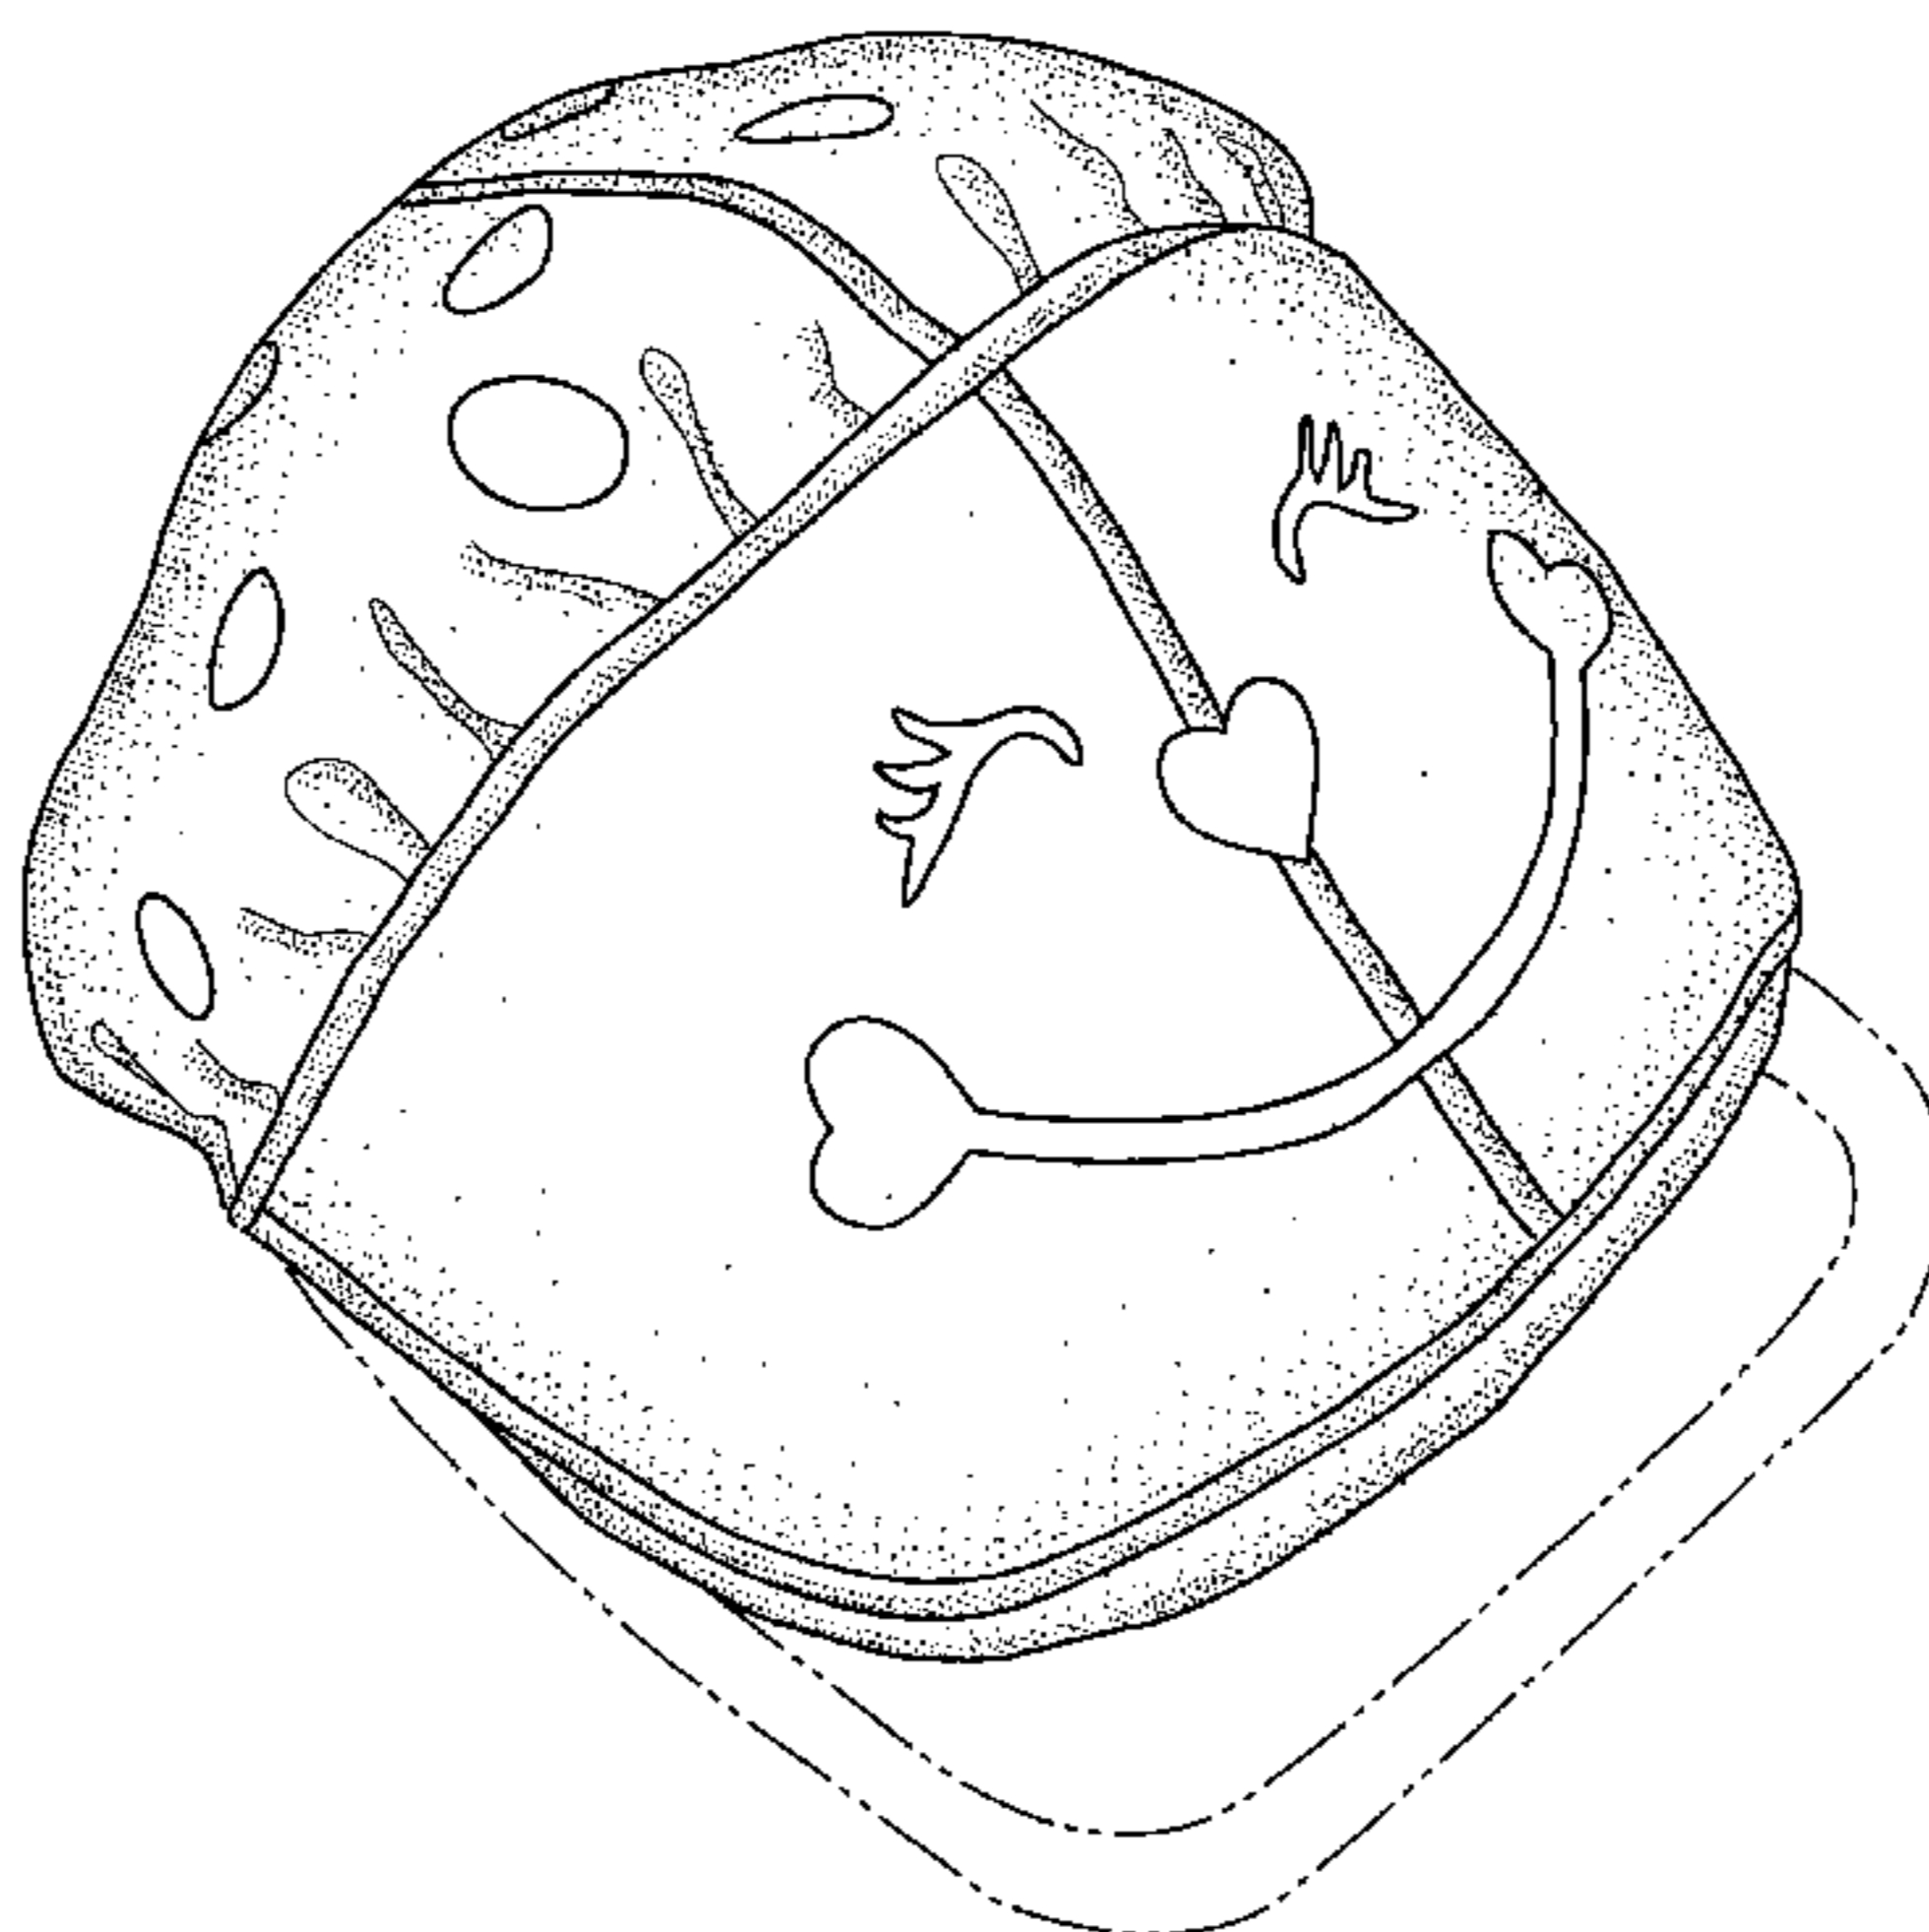

FIG. 2 is a front view of the infant carrier cover fully assembled made in accordance with the design of the present invention;

FIG. 3 is a back view of the infant carrier cover fully assembled made in accordance with the design of the present invention; and,

FIG. 4 is a full top view of the infant carrier cover fully assembled made in accordance with the design of the present invention.

The broken line showing the infant carrier is for illustrative purposes only and forms no part of the claimed design.
