#### (57)**CLAIM**

The ornamental design for a selectively visible control for glass ceramic cooktop, as shown.

### **DESCRIPTION**

FIG. 1 is a perspective view of a selectively visible control for glass ceramic cooktop, the broken line showing is for illustrative purposes only, and forms no part of the claimed design;

FIG. 2 is a top plan view of a cooktop burner control for a glass ceramic panel showing my ornamental design in a first operating mode of said cooktop;

FIG. 3 is a bottom view of the cooktop burner control shown in FIGS. 1–2 and is typical of the bottom view of all embodiments, and is unadorned;

FIG. 4 is a front view of a cooktop burner control shown in FIGS. 1-3 and is typical of a front view for each of the embodiments of my ornamental design shown in FIGS. 1 and **7**;

FIG. 5 is a rear view of a cooktop burner control shown in FIGS. 1-4 and is typical of a rear view for each of the embodiments of my ornamental design shown in FIGS. 1 and **7**;

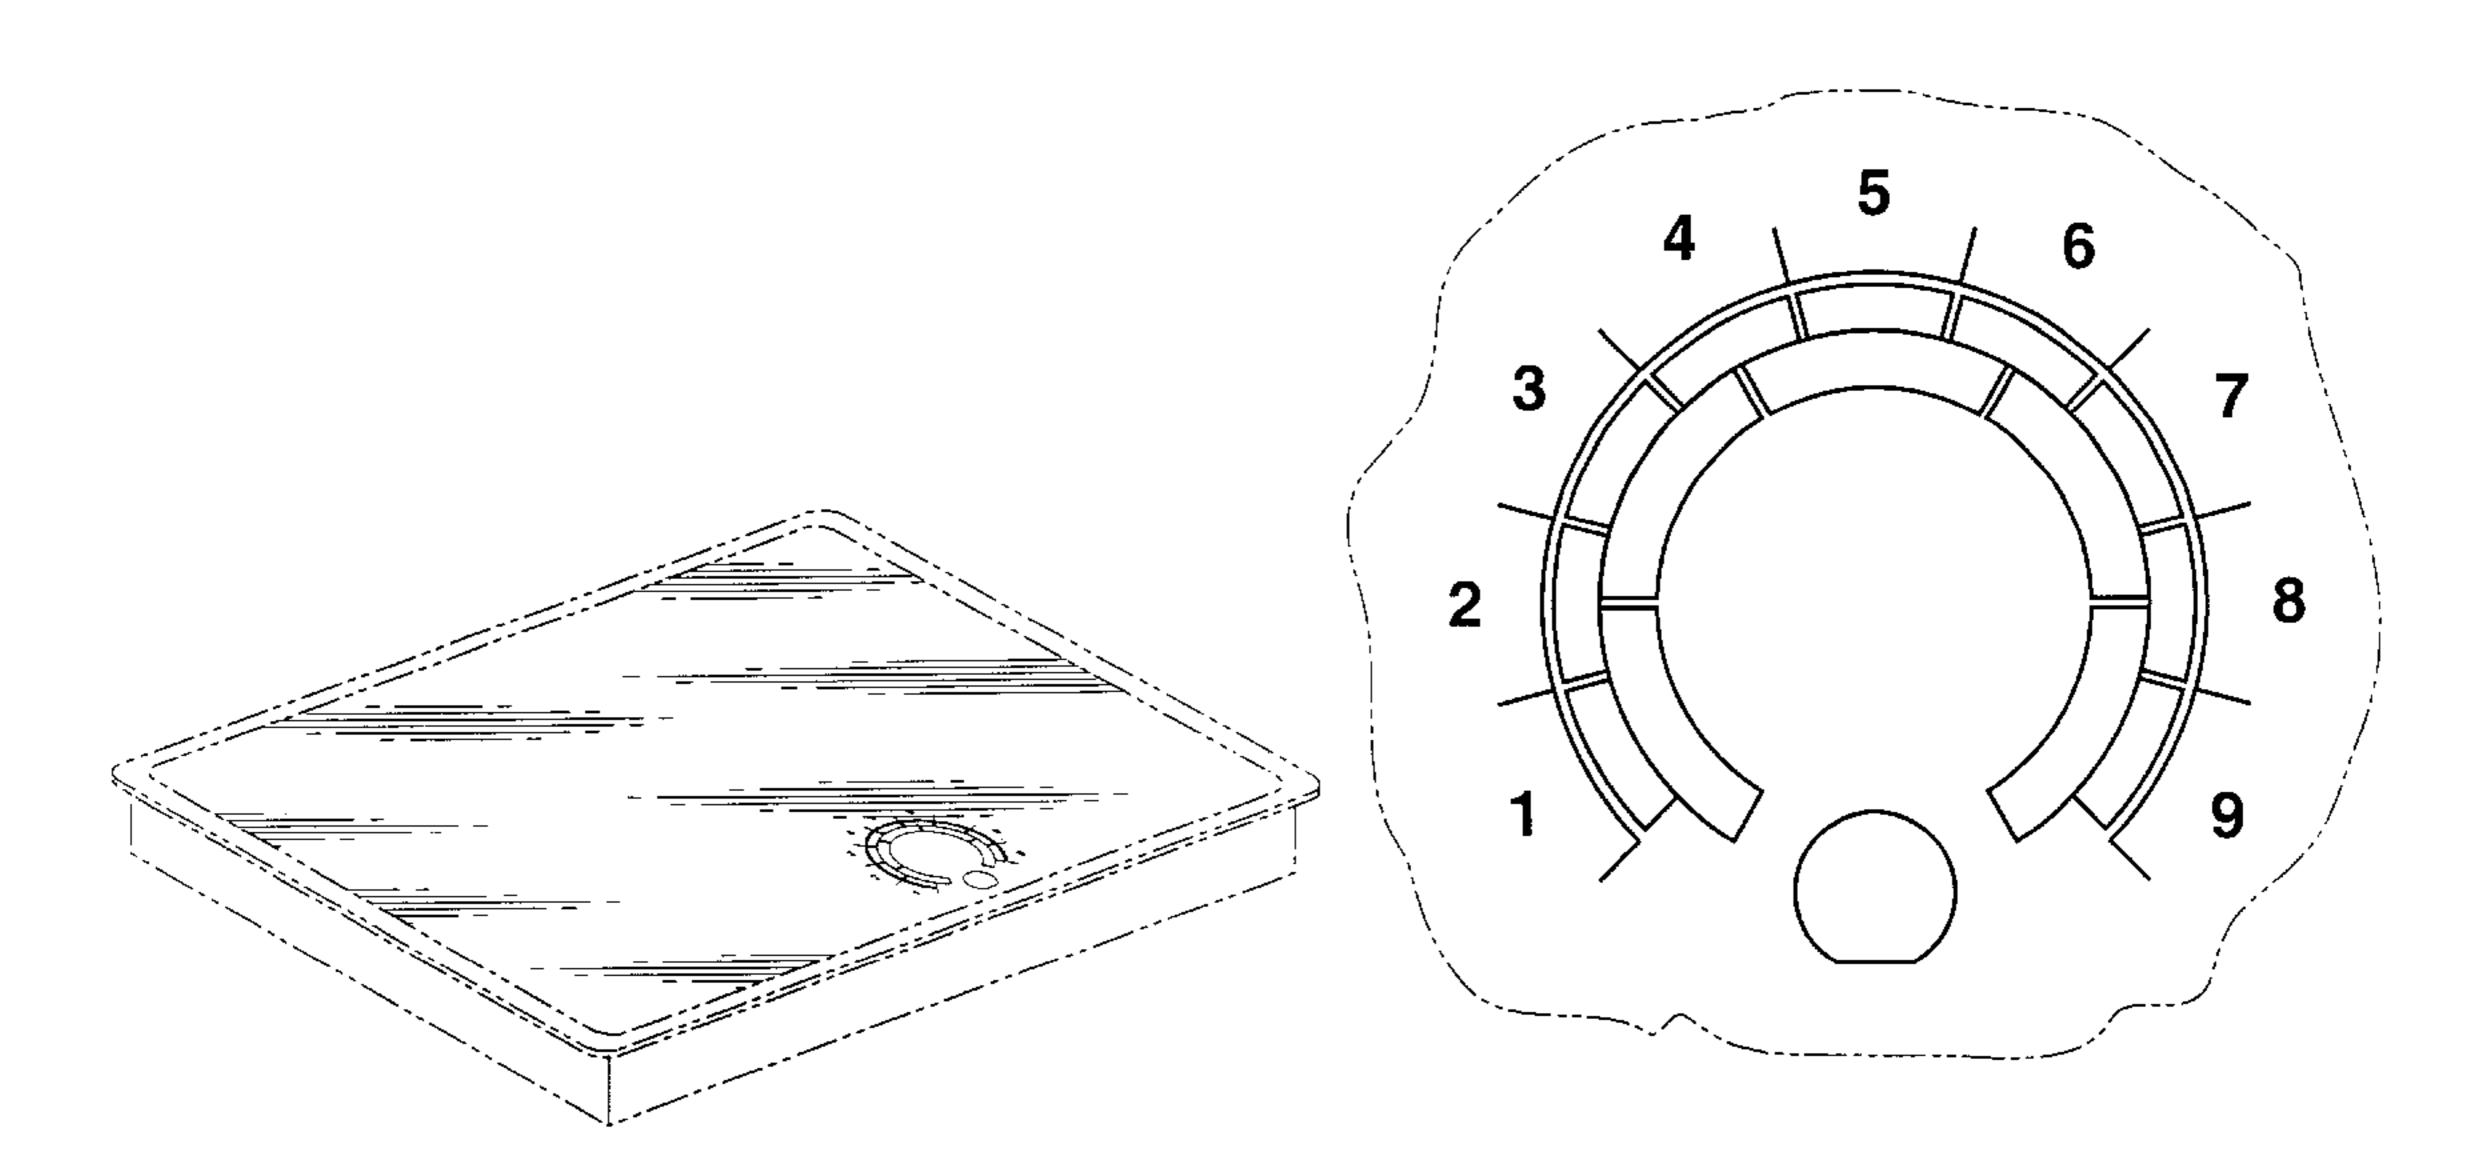

FIG. 6 is a left side view of a cooktop burner control shown in FIG. 1 that is typical of the left side view of each of the embodiments of my ornamental design shown in FIGS. 1 and **7**;

FIG. 7 is a right side view of a cooktop burner control shown in FIGS. 1-3 and is typical of the right side view for each of the embodiments of my ornamental design shown in FIGS. 1 and 7;

FIG. 8 is an enlarged plan view of a second embodiment of a selectively visible control for glass ceramic cooktop panel, shown broken away for ease of illustration; and,

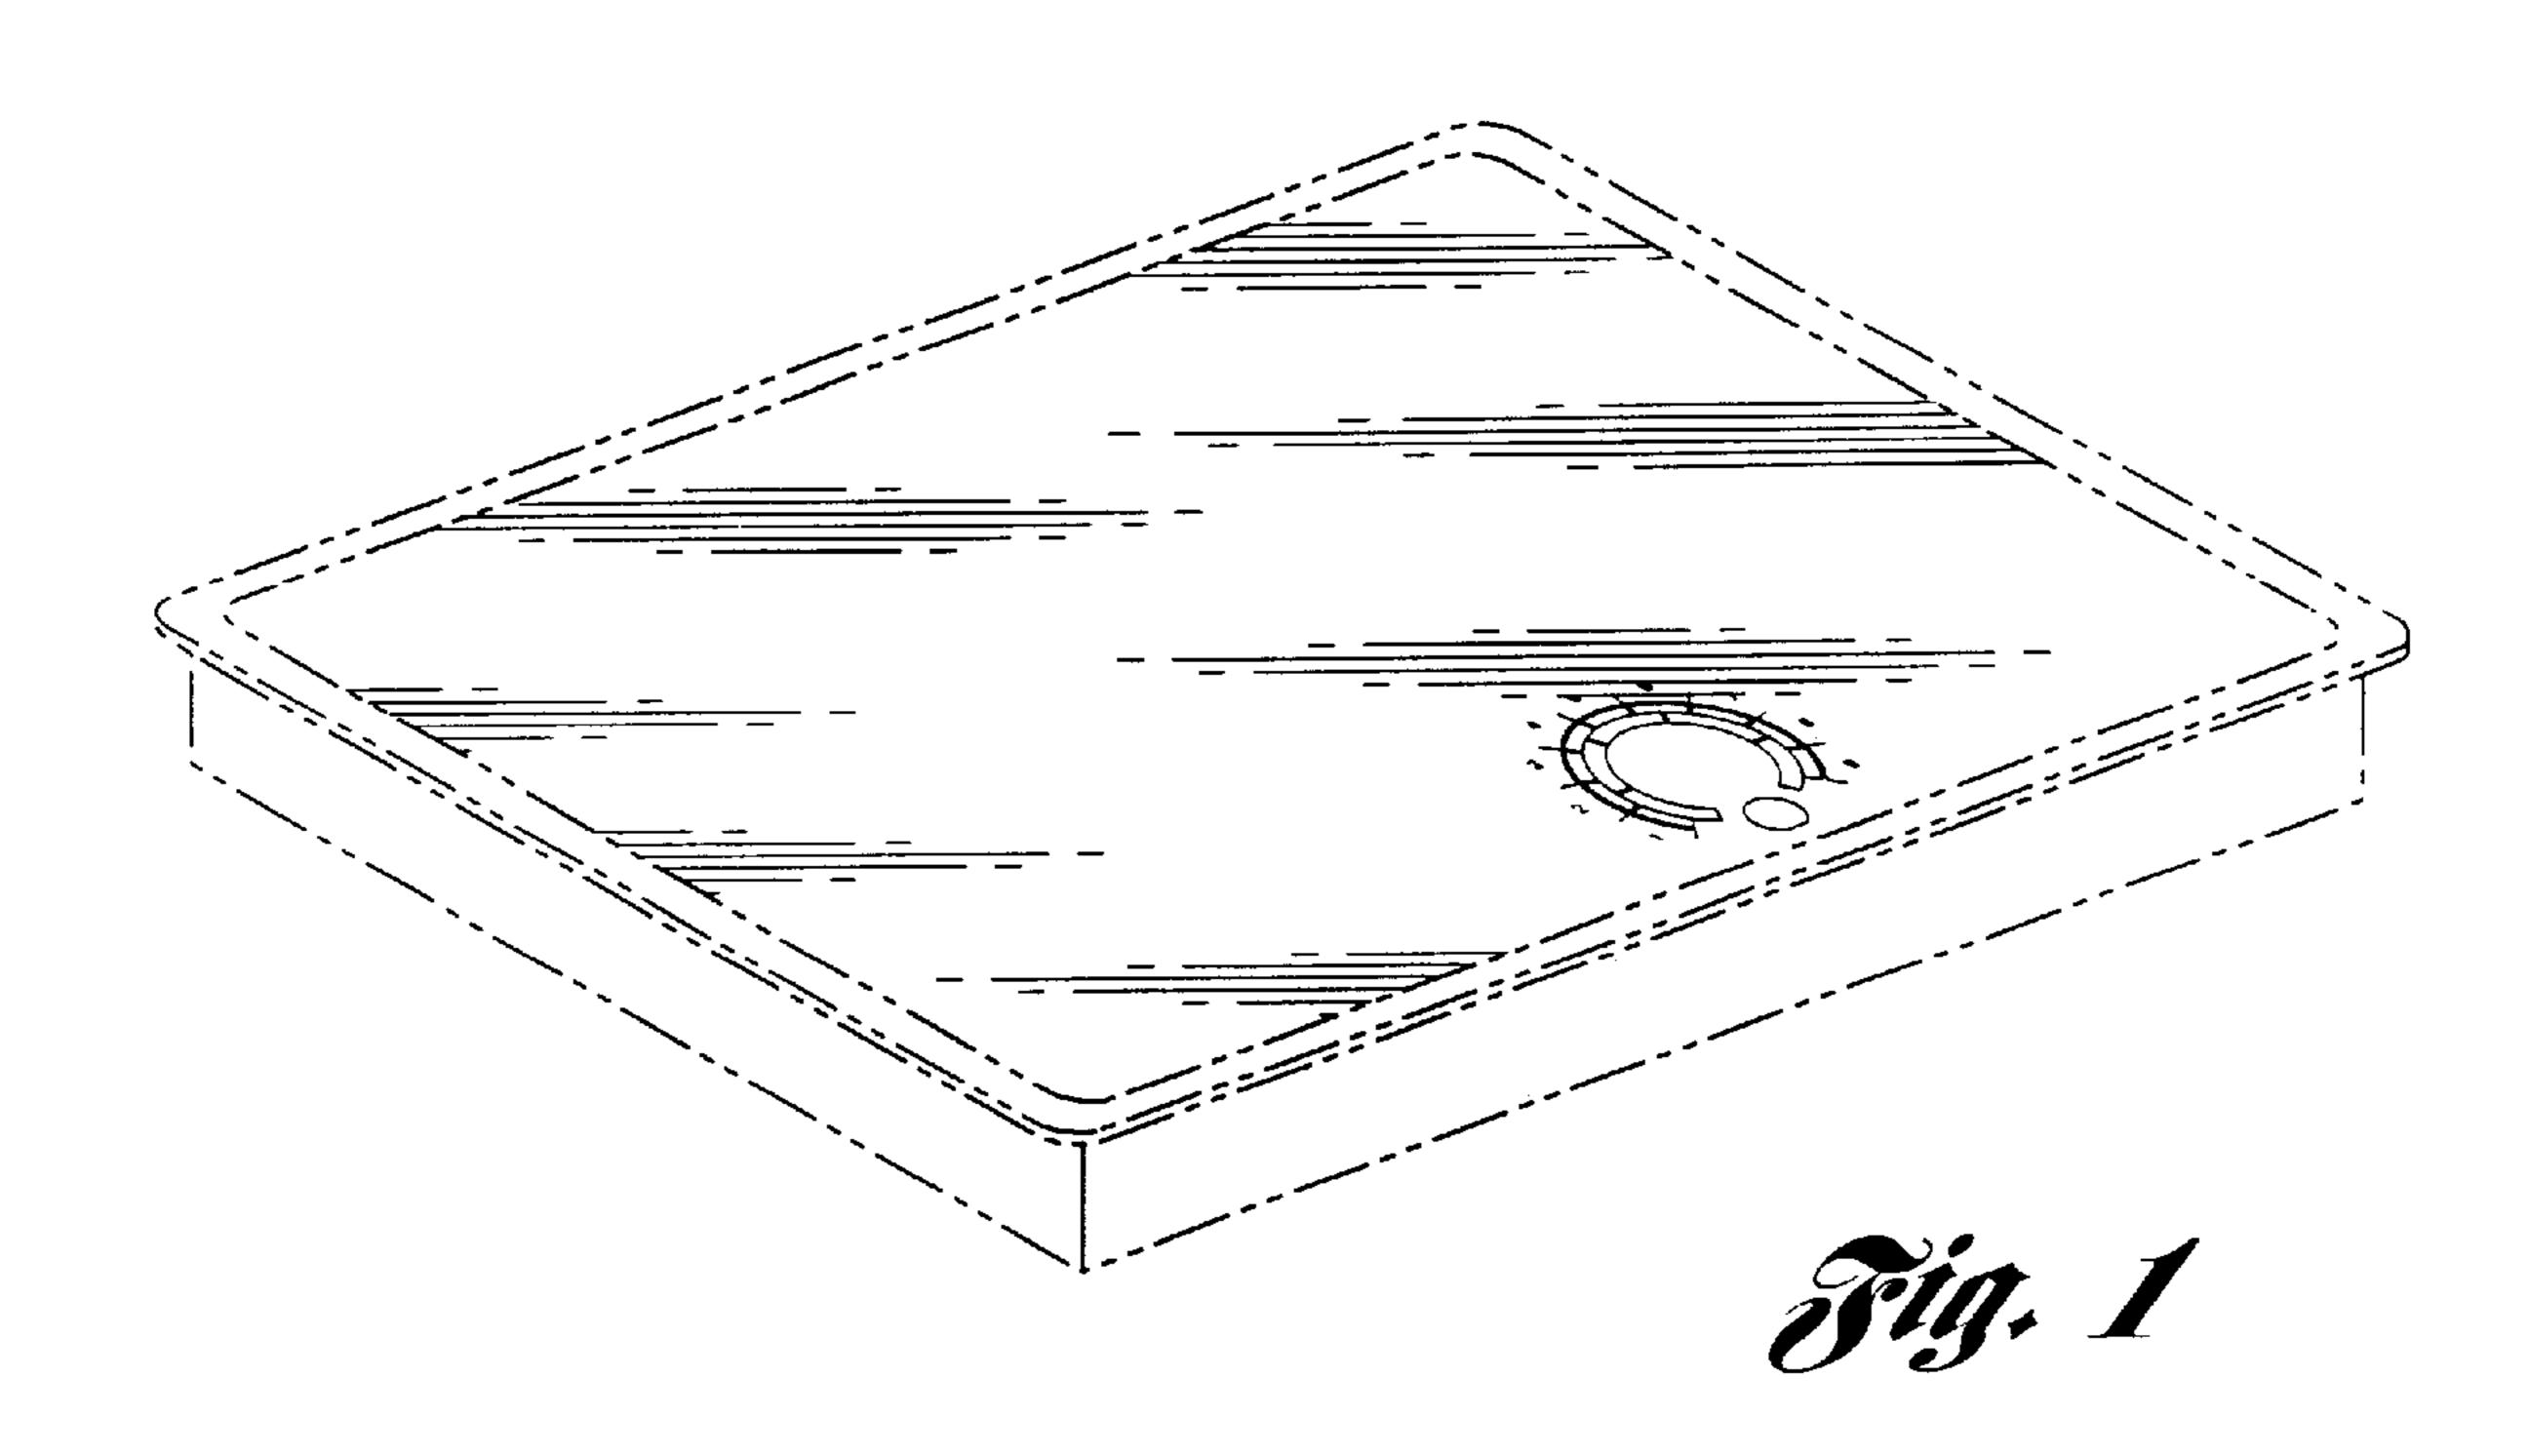

FIG. 9 is an enlarged plan view of the embodiment shown in FIGS. 1–7.
