(57) **CLAIM**

The ornamental design icon for a display panel on a medical apparatus, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front view of an icon for a display panel on a medical apparatus, the broken line drawing of a display panel is for illustrative purposes only and forms no part of the claimed design; and,

FIG. 2 is a front view thereof, on an enlarged scale, the display object is shown separately for clarity of illustration.
