(57) **CLAIM**

The ornamental design for a broadband telephone, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a broadband telephone showing my new design with a photo-album shown in the display in broken lines;

FIG. 2 is a perspective view thereof with a telephone keypad shown in the display in broken lines;

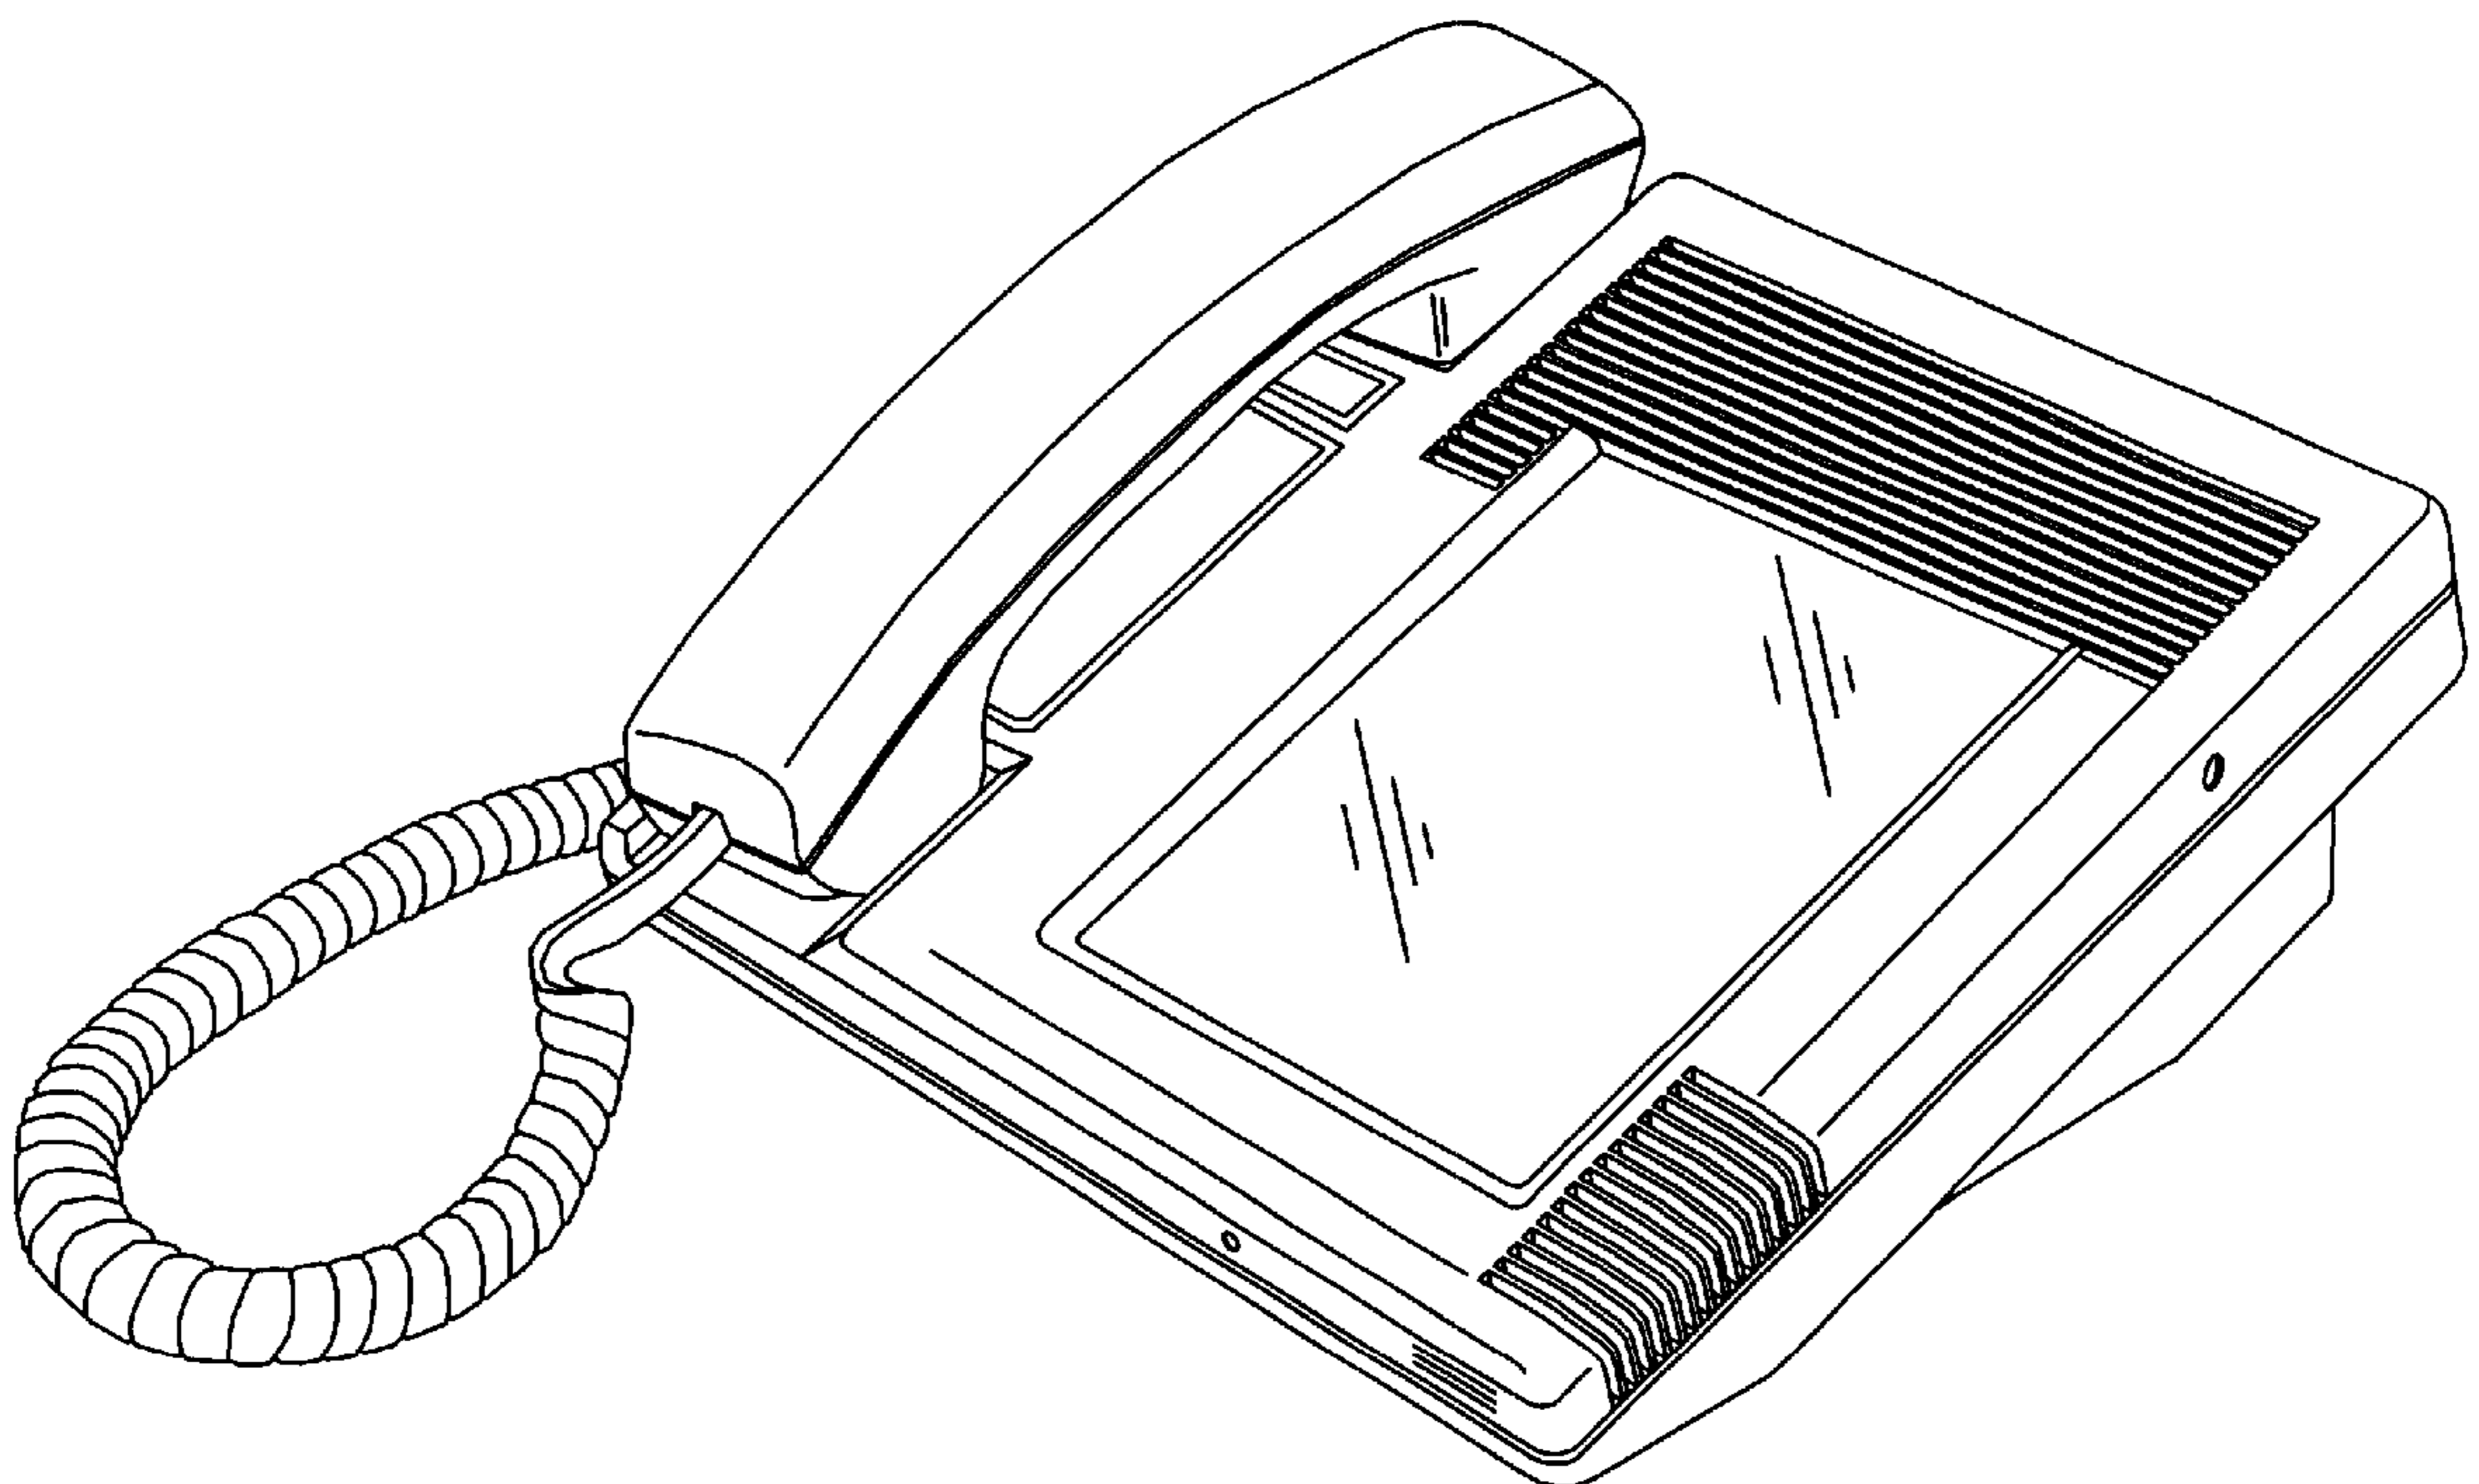

FIG. 3 is a perspective view thereof with an Internet browser shown in the display in broken lines;

FIG. 4 is a perspective view thereof with a sketch-pad shown in the display in broken lines; and,

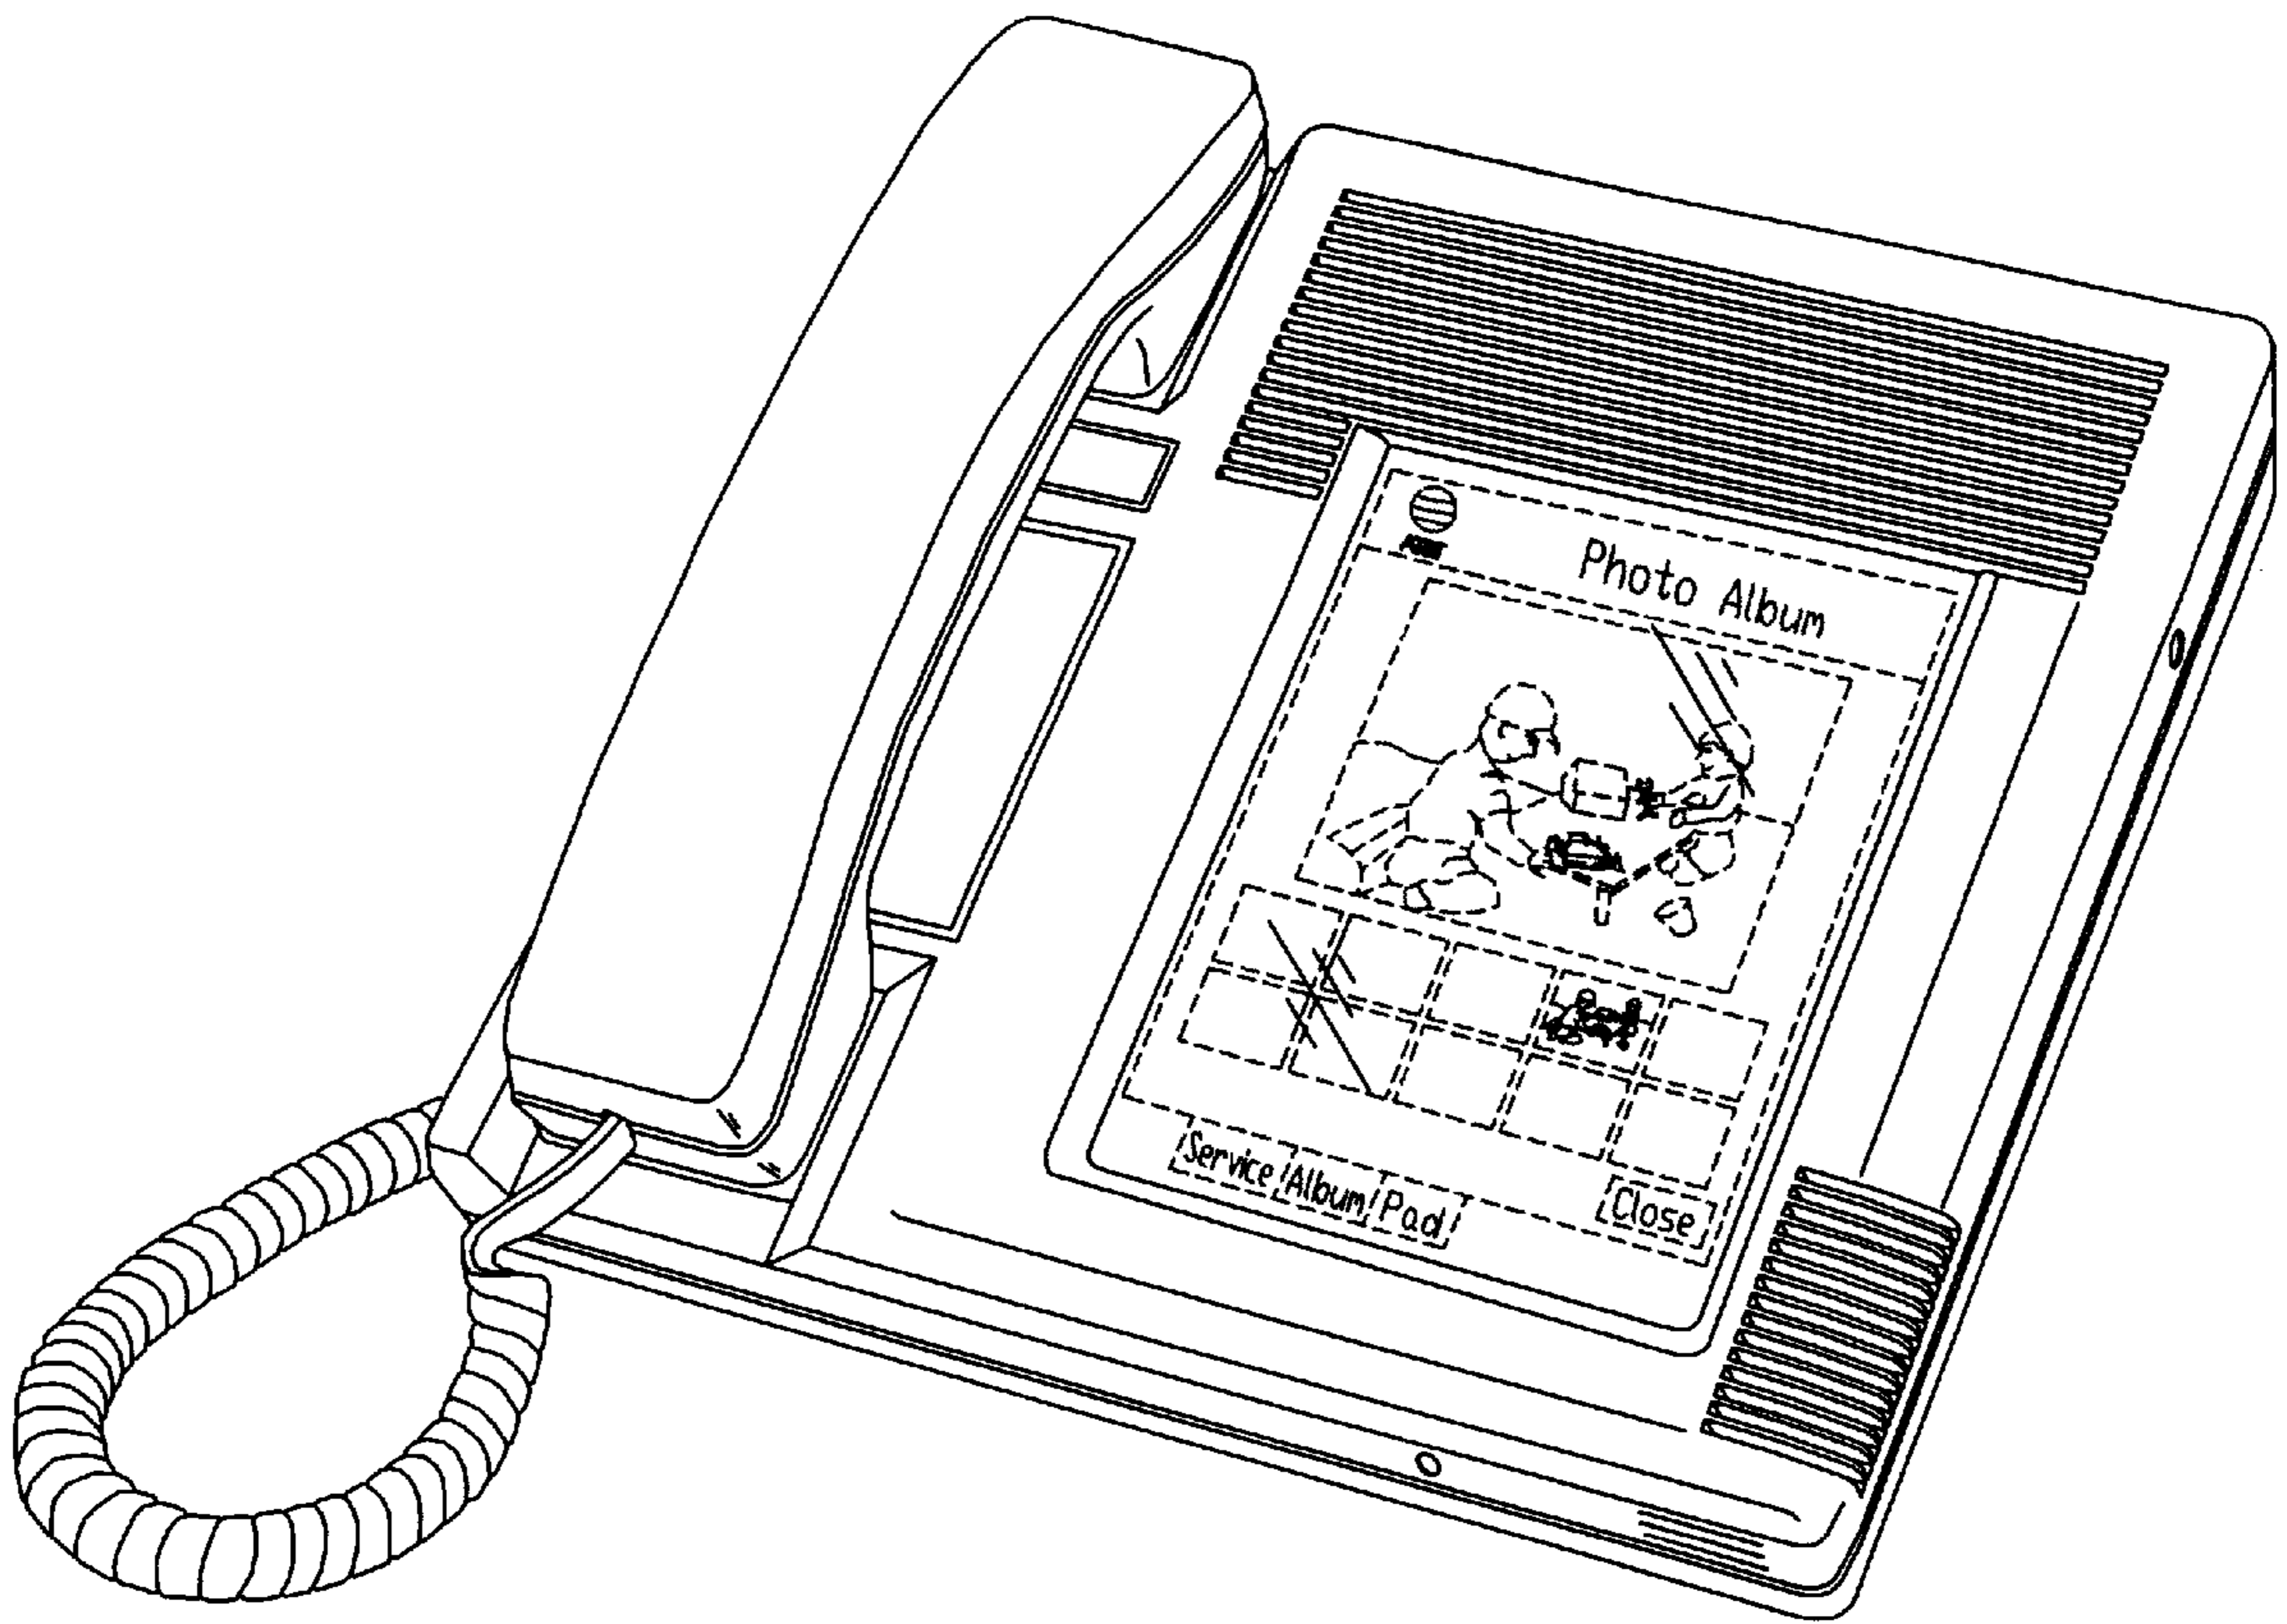

FIG. 5 is a perspective view thereof.

The broken lines showing four different modes of touch-sensitive operation in FIGS. 1-4 are for illustrative purposes only and form no part of the claimed design. All of the features shown on the display area in FIGS. 1-4 are considered to be broken line, non-claimed, subject matter.

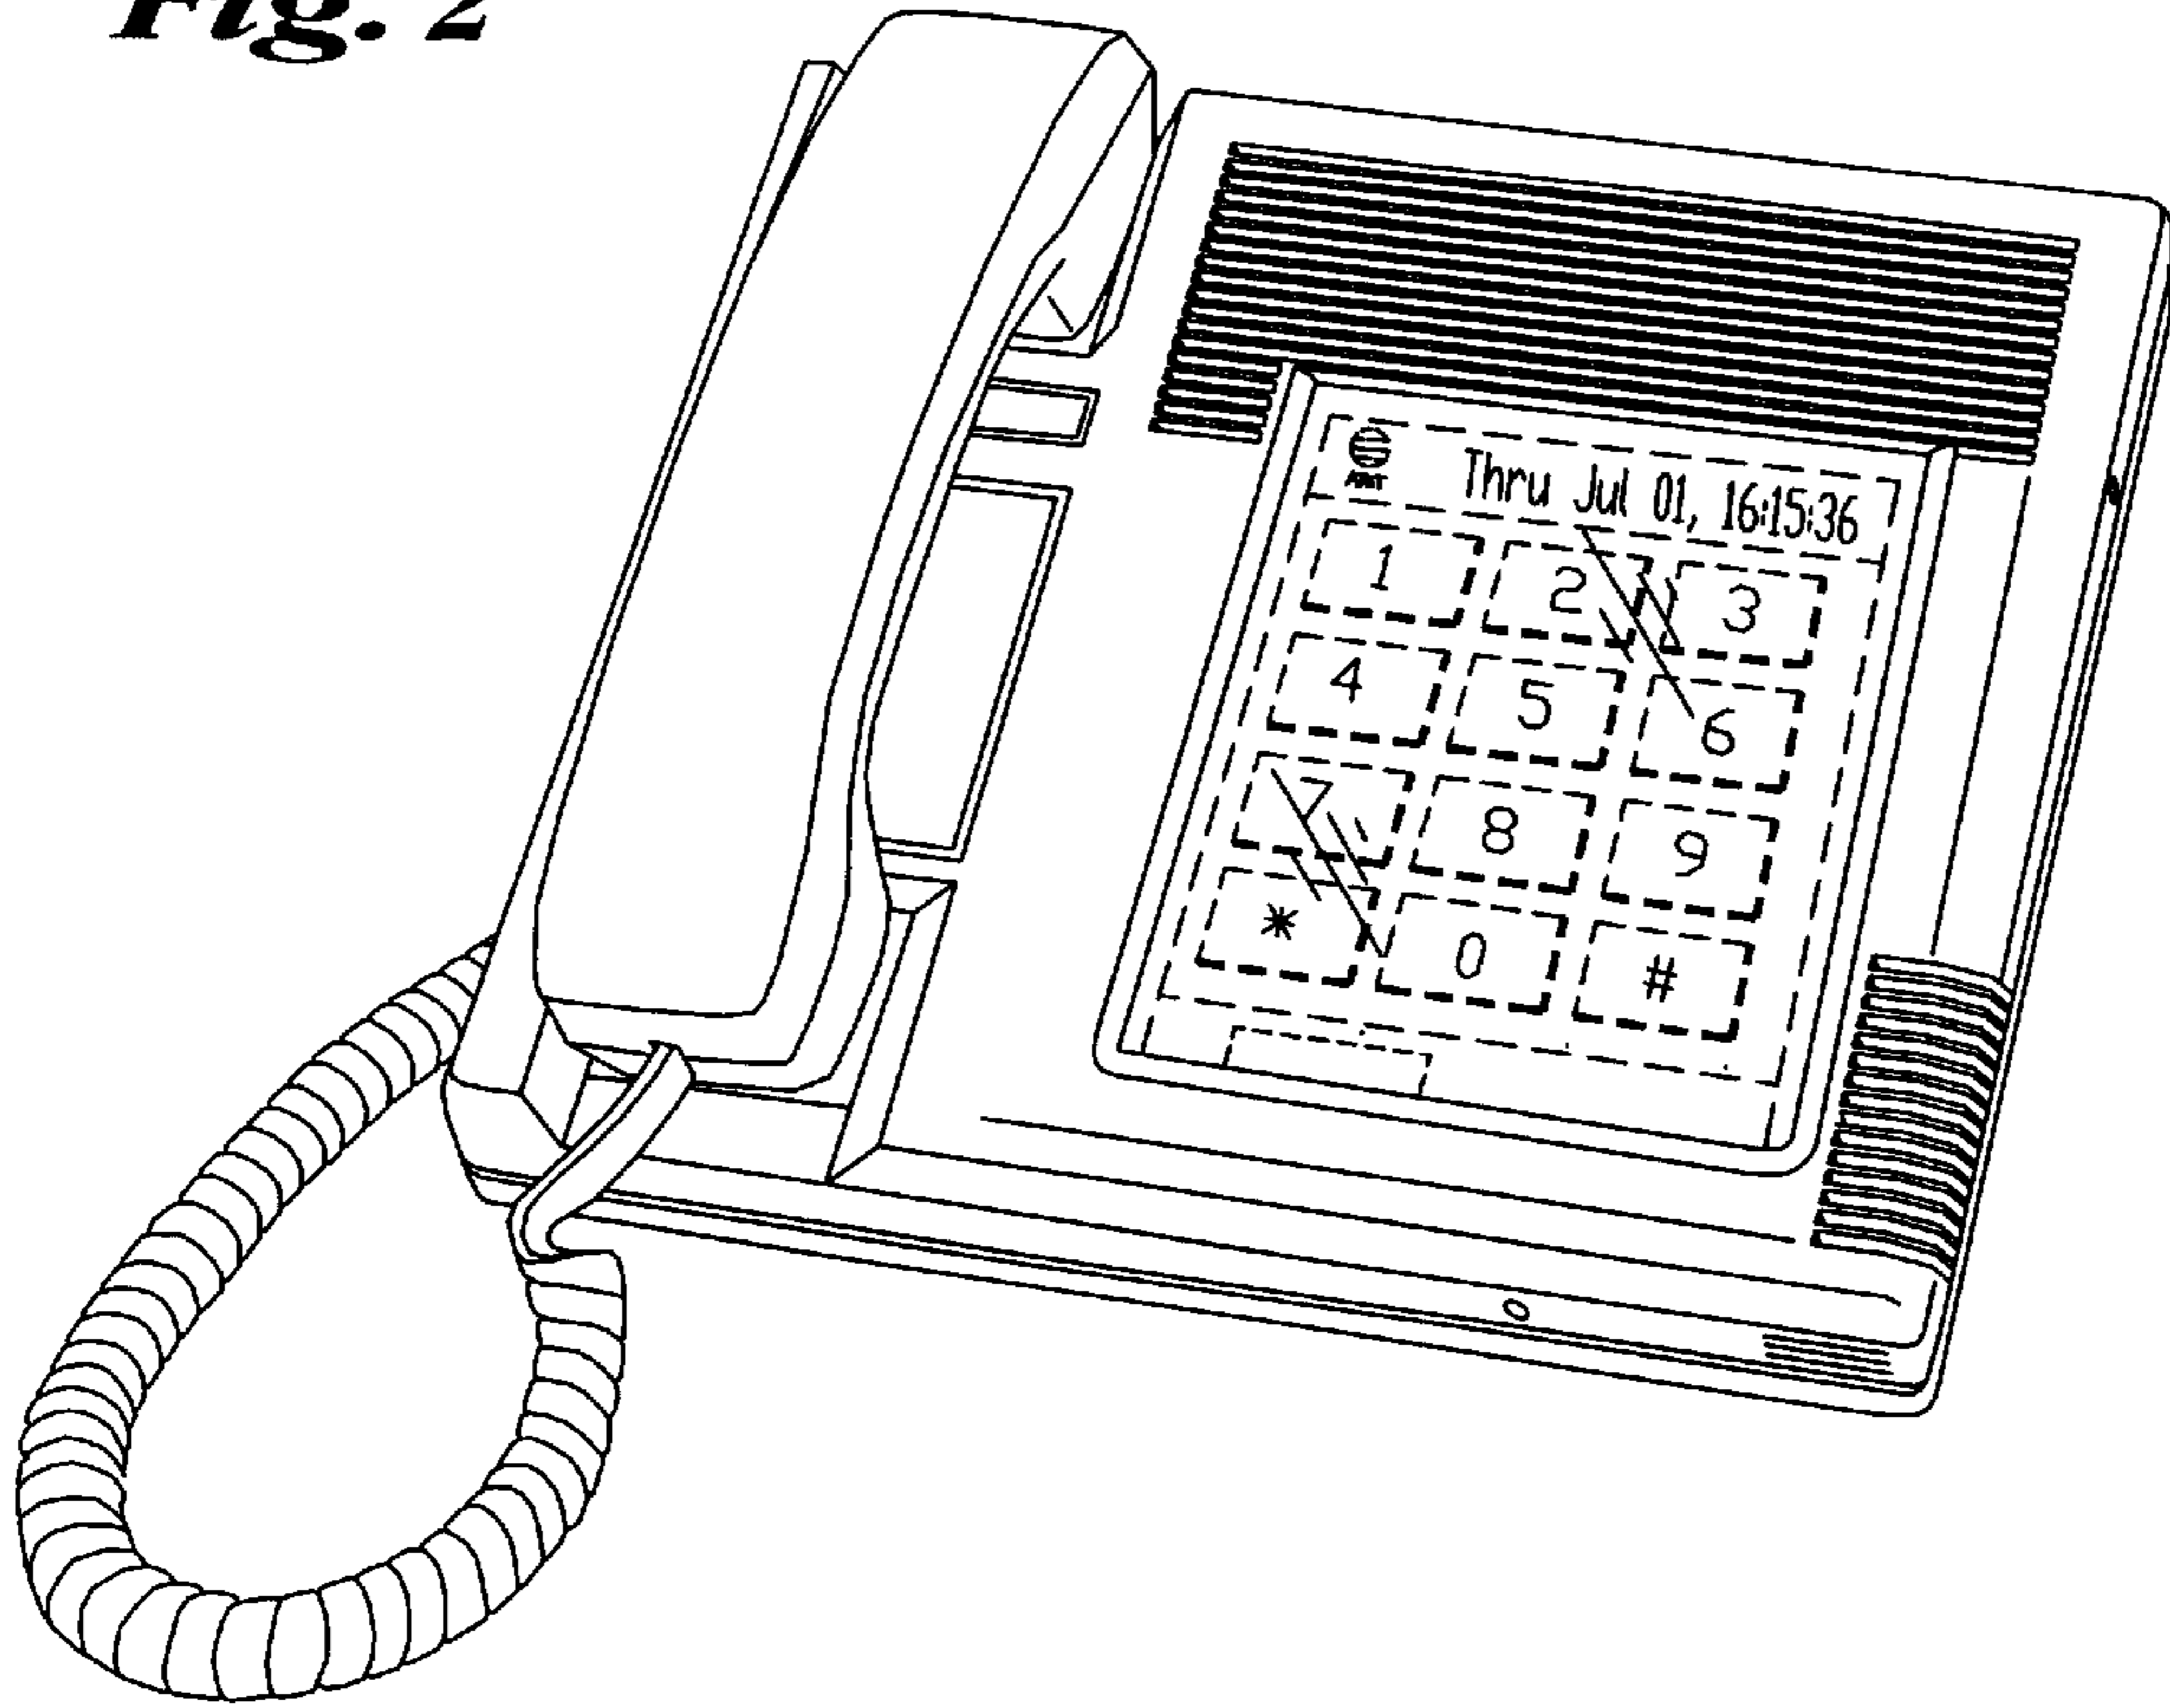

**1 Claim, 3 Drawing Sheets**
