FIG. 1 is a rear left side perspective view of the automatic transmission shield;
FIG. 2 is a rear right side perspective view of the claimed invention;
FIG. 3 is a top plan view of the transmission shield;
FIG. 4 is an elevational view of the right side of the transmission shield;
FIG. 5 is an elevational view of the left side of the transmission shield;
FIG. 6 is a front elevational view of the transmission shield;
FIG. 7 is a rear elevational view of the transmission shield;
and,
FIG. 8 is a bottom plan view of the transmission shield.
