(57) **CLAIM**

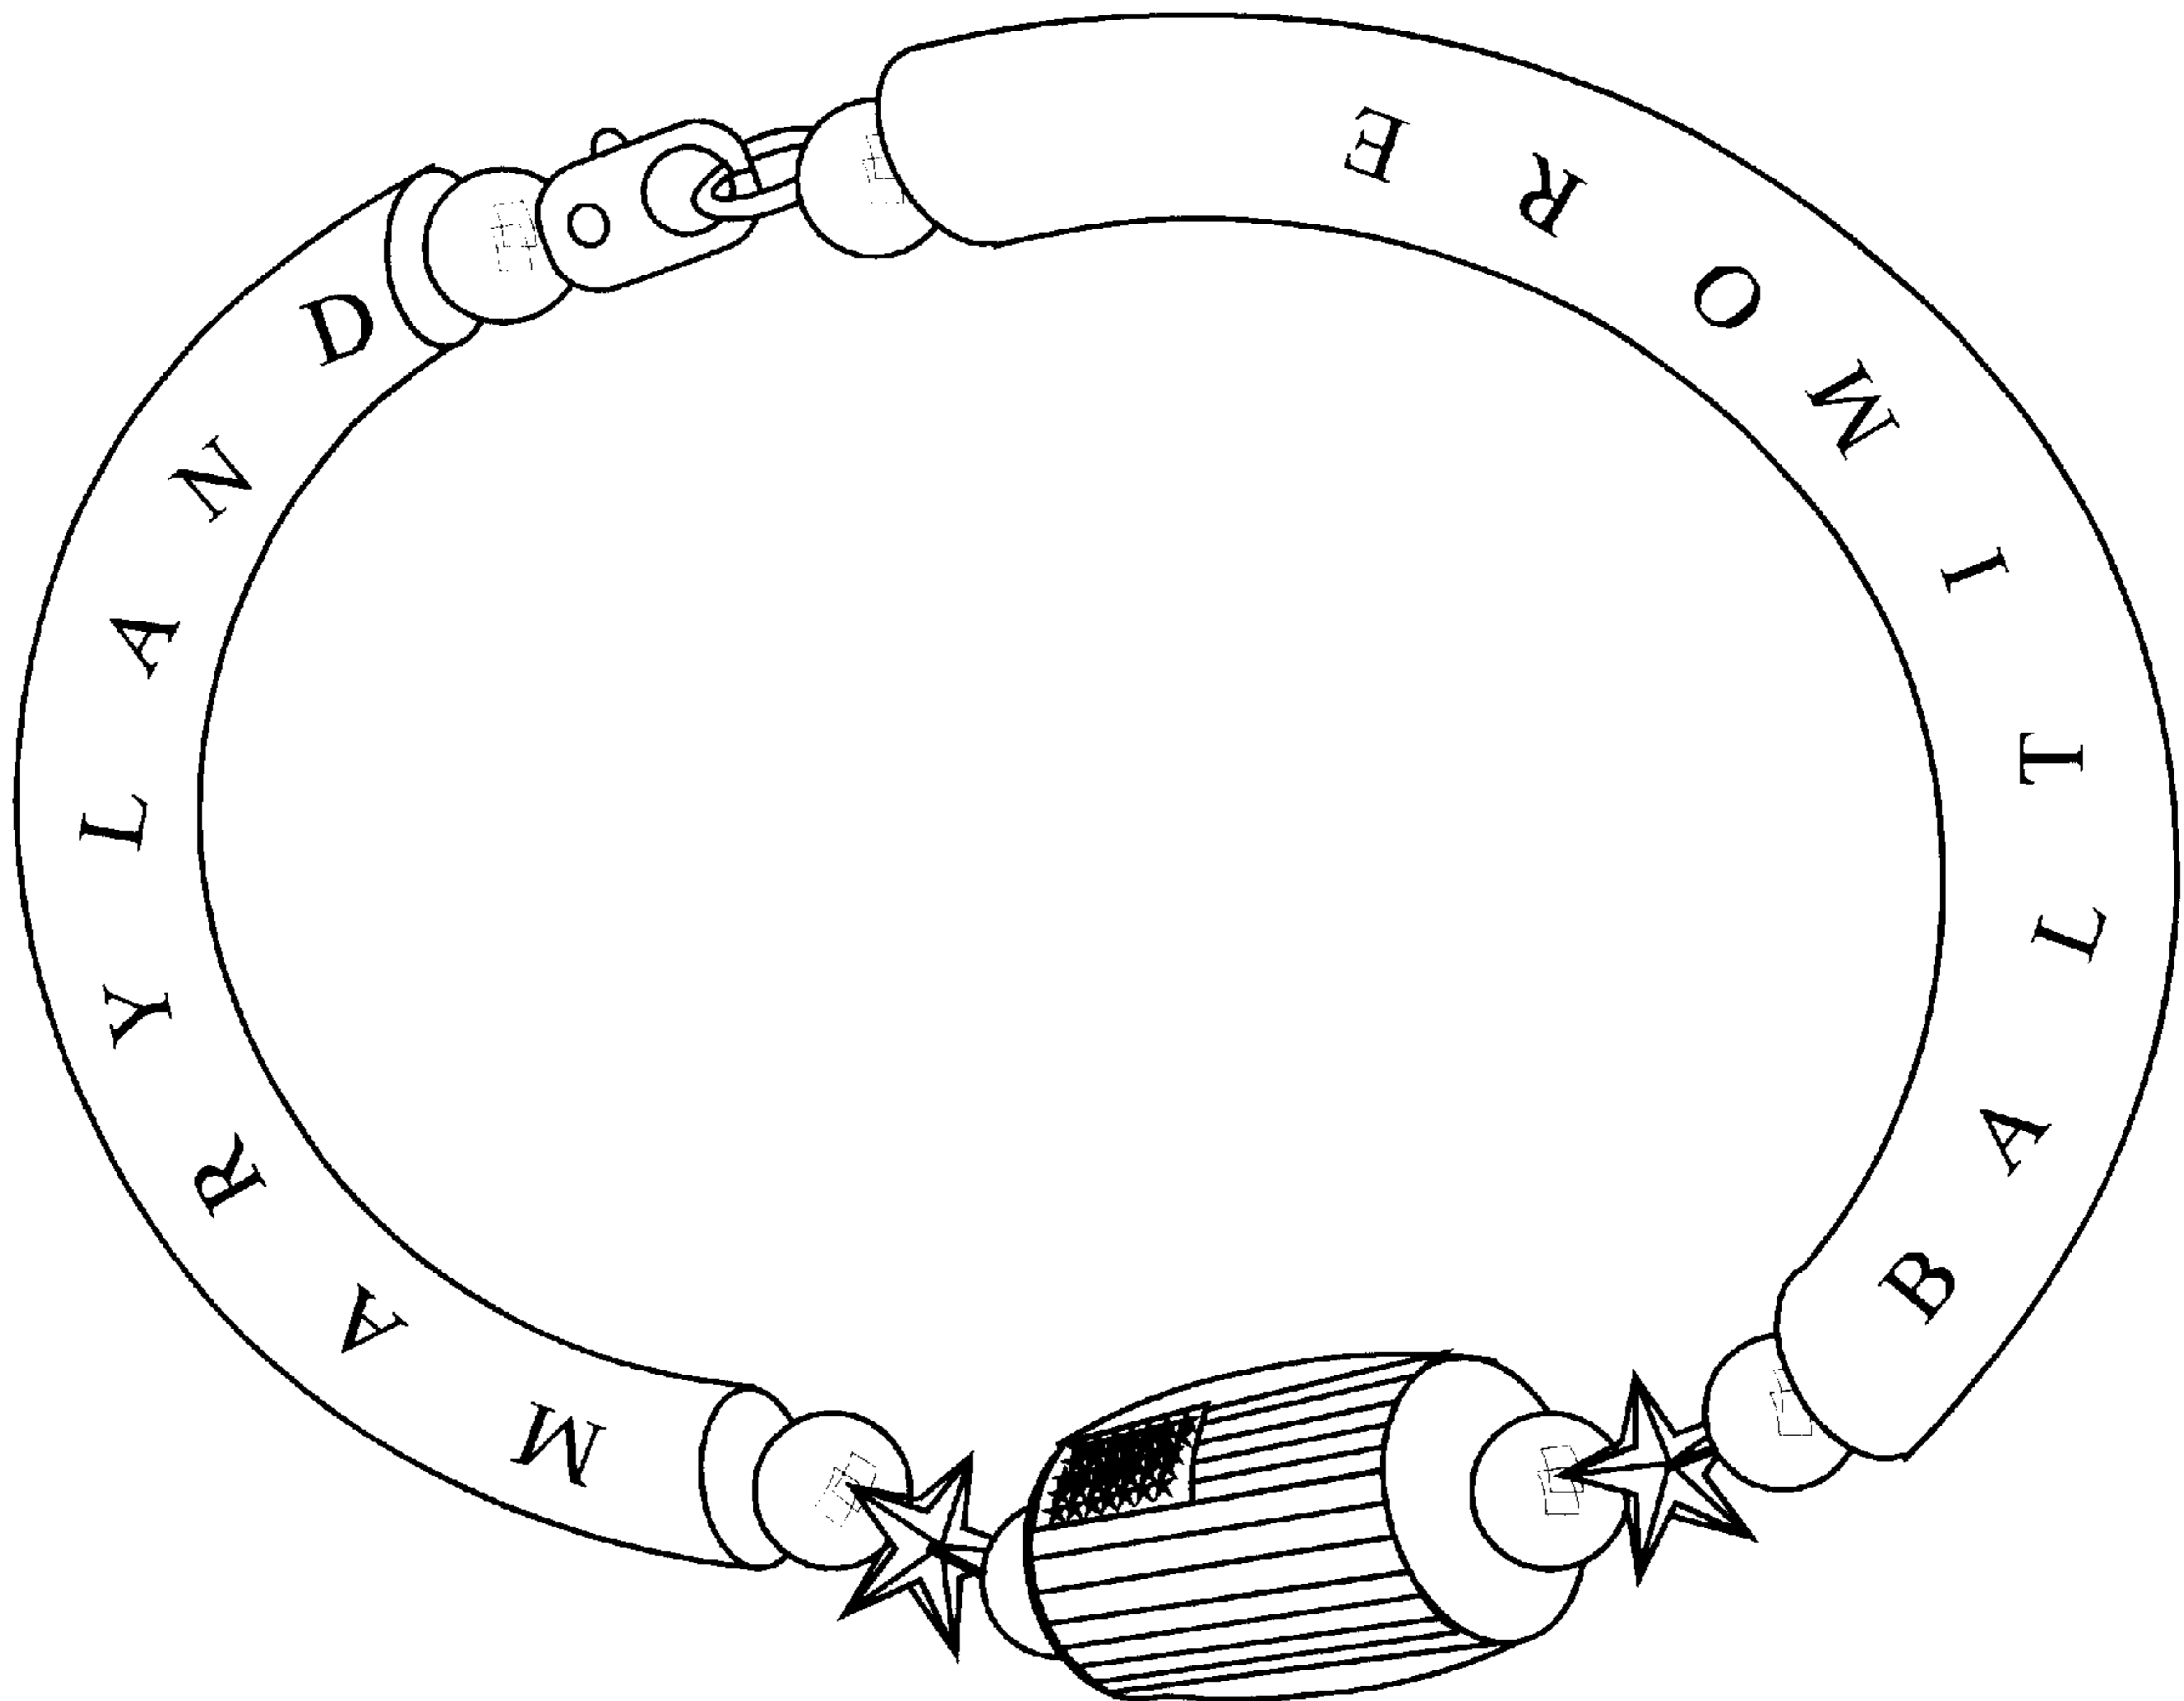

The new, original and ornamental design for a patriotic locator bracelet, as shown in FIGS. 1-2.

**DESCRIPTION**

FIG. 1 is a front perspective view of the patriotic locator bracelet according to my new design; and, FIG. 2 is a rear view of the patriotic locator bracelet of FIG. 1.

The design of the present invention and as shown in FIGS. 1-2 is a bracelet, comprised of two engraved metal bands joined together at one end by a jewelry clasp and at the other end by a pair of metal stars with a rectangular metal plate in the middle of the two stars. Said rectangular metal plate is imprinted with a representation of the American Flag on the front and engraved identification information on the back.
