(57) **CLAIM**

The ornamental design for a filter element with pinched seal, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the filter element with pinched seal embodying our new design; FIG. 2 is a side elevational view of the filter element with pinched seal depicted in FIG. 1, all other side elevational views being a mirror image thereof and having an identical appearance thereto; FIG. 3 is a top plan view of a filter element with pinched seal depicted in FIG. 1; and, FIG. 4 is a bottom plan view of the filter element with pinched seal depicted in FIG. 1.
