(57) **CLAIM**

The ornamental design for a wheeled trailer, as shown and described in the accompanying drawings.

**DESCRIPTION**

The intended use of the article in which the design is embodied is storage and carriage of cargo, namely motorcycles and motorcycle equipment.

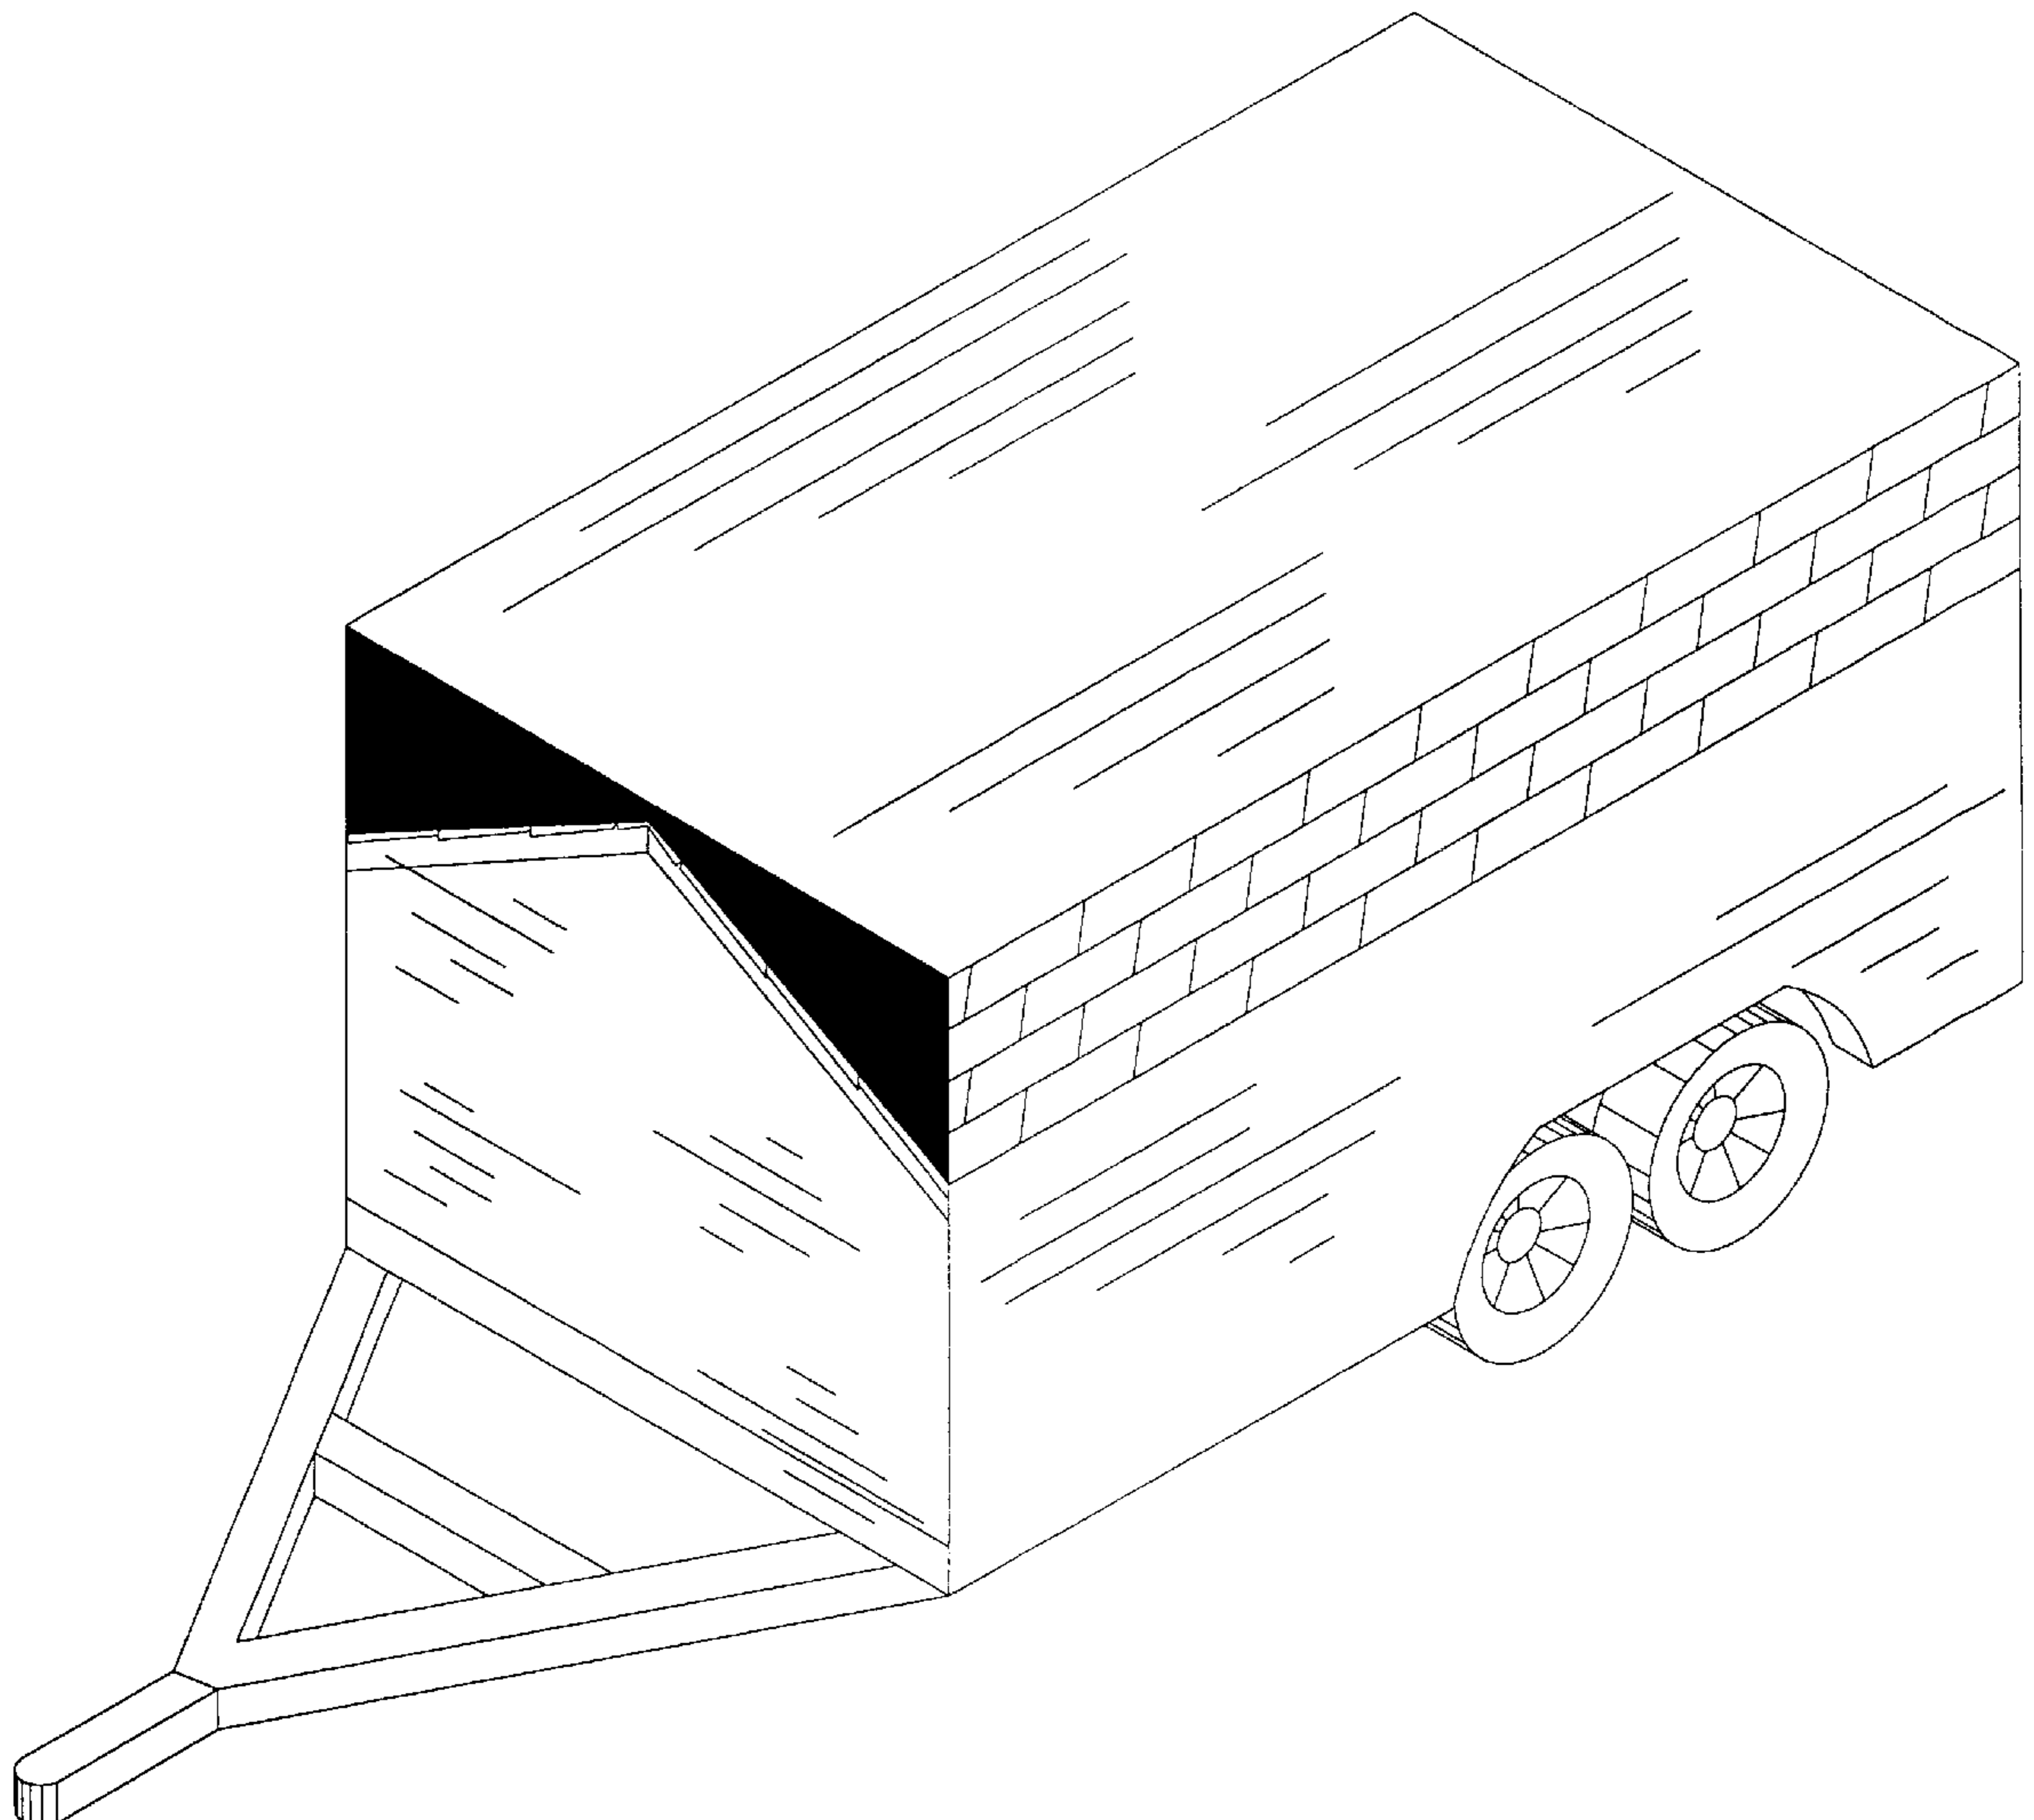

FIG. 1 is front perspective view of the inventively ornamentally designed wheeled trailer; and,

FIG. 2 is a rear perspective view of the inventively ornamentally designed wheeled trailer.

A characteristic feature of the design resides in application of a graphic display or graphic displays to a wall or walls of a wheeled trailer, causing the exterior of the trailer to suggest the appearance of a dog house.

The article in which the design is embodied comprises a wheeled trailer having a floor, front walls and side walls.
