(57) **CLAIM**

The ornamental design for a pattern for a soft, flexible disposable wipe, as shown and described.

**DESCRIPTION**

The FIGURE is a top plan view of a pattern for a soft, flexible disposable wipe showing our new design. At least one unit of repeat is shown within the broken line boundaries which indicate the design can extend indefinitely to the boundaries of the product on which it is embodied. The broken line boundaries form no part of the claimed design.
