(57) **CLAIM**

The ornamental design for a stock car air freshener for motor vehicles, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a stock car air freshener, showing our new design.

FIG. 2 is a perspective view of a stock car air freshener for motor vehicles, showing a second embodiment of our new design;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a right side elevational view thereof;

FIG. 7 is a top plan view thereof;

FIG. 8 is a bottom plan view thereof;

FIG. 9 is an alternative bottom plan view thereof; and,

FIG. 10 is a perspective view of a stock car air freshener for motor vehicles on a reduced scale shown in use. The broken line showing of environmental structure is for illustrative purposes only and forms no part of the claimed design.

The sole difference between the first and second embodiments resides in the location of the clip which is on the right side in the first embodiment and on the left side in the second embodiment. The sole difference between the third embodiment and the first two embodiments resides in the lack of a clip.
