(57) **CLAIM**

The ornamental design for a bullnose pliers, as shown and described.

DESCRIPTION

This application is related to U.S. Design application Ser. No. 29/141091, filed on even date herewith, entitled "Griping Faces for Bullnose Pliers", and hereby incorporated by reference as if reproduced in its entirety.

FIG. 1 is a perspective view taken from the top, front, and left side view of a bullnose pliers showing our new design; FIG. 2 is a left side elevational view thereof.

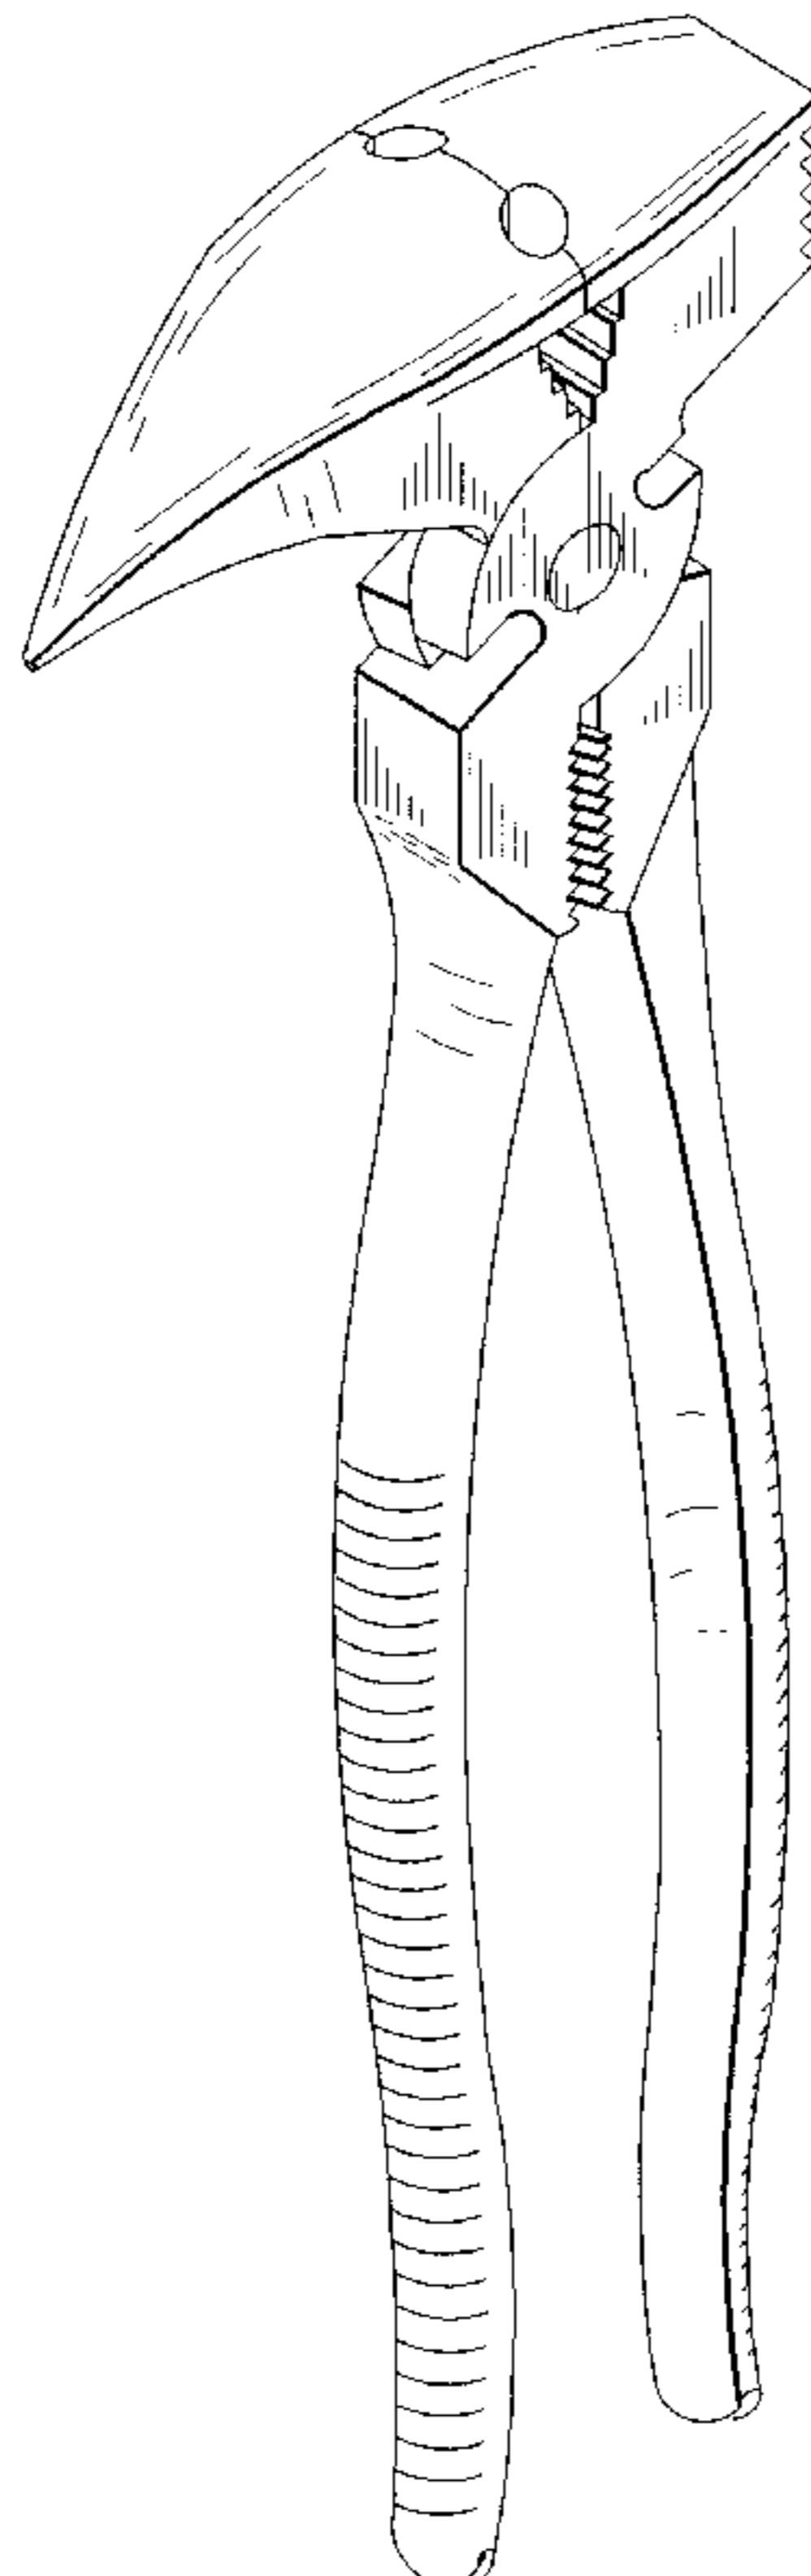

FIG. 3 is a front side elevational view thereof, the rear side being the same as the front side.

FIG. 4 is a right side elevational view thereof.

FIG. 5 is a top view thereof; and,

FIG. 6 is a bottom plan view thereof.
