(57) **CLAIM**

The ornamental design for a roof vent having a stepped side, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the vent showing my new design, the broken lines at the edges representing the profiled material shown for illustrative purposes;

FIG. 2 is perspective view similar to FIG. 1 except for the showing of an alternate profiled material in broken lines;

FIG. 3 is a top view of the vent;

FIG. 4 is a side view of FIG. 1;

FIG. 5 is a side view of FIG. 2;

FIG. 6 is a end view of the vent;

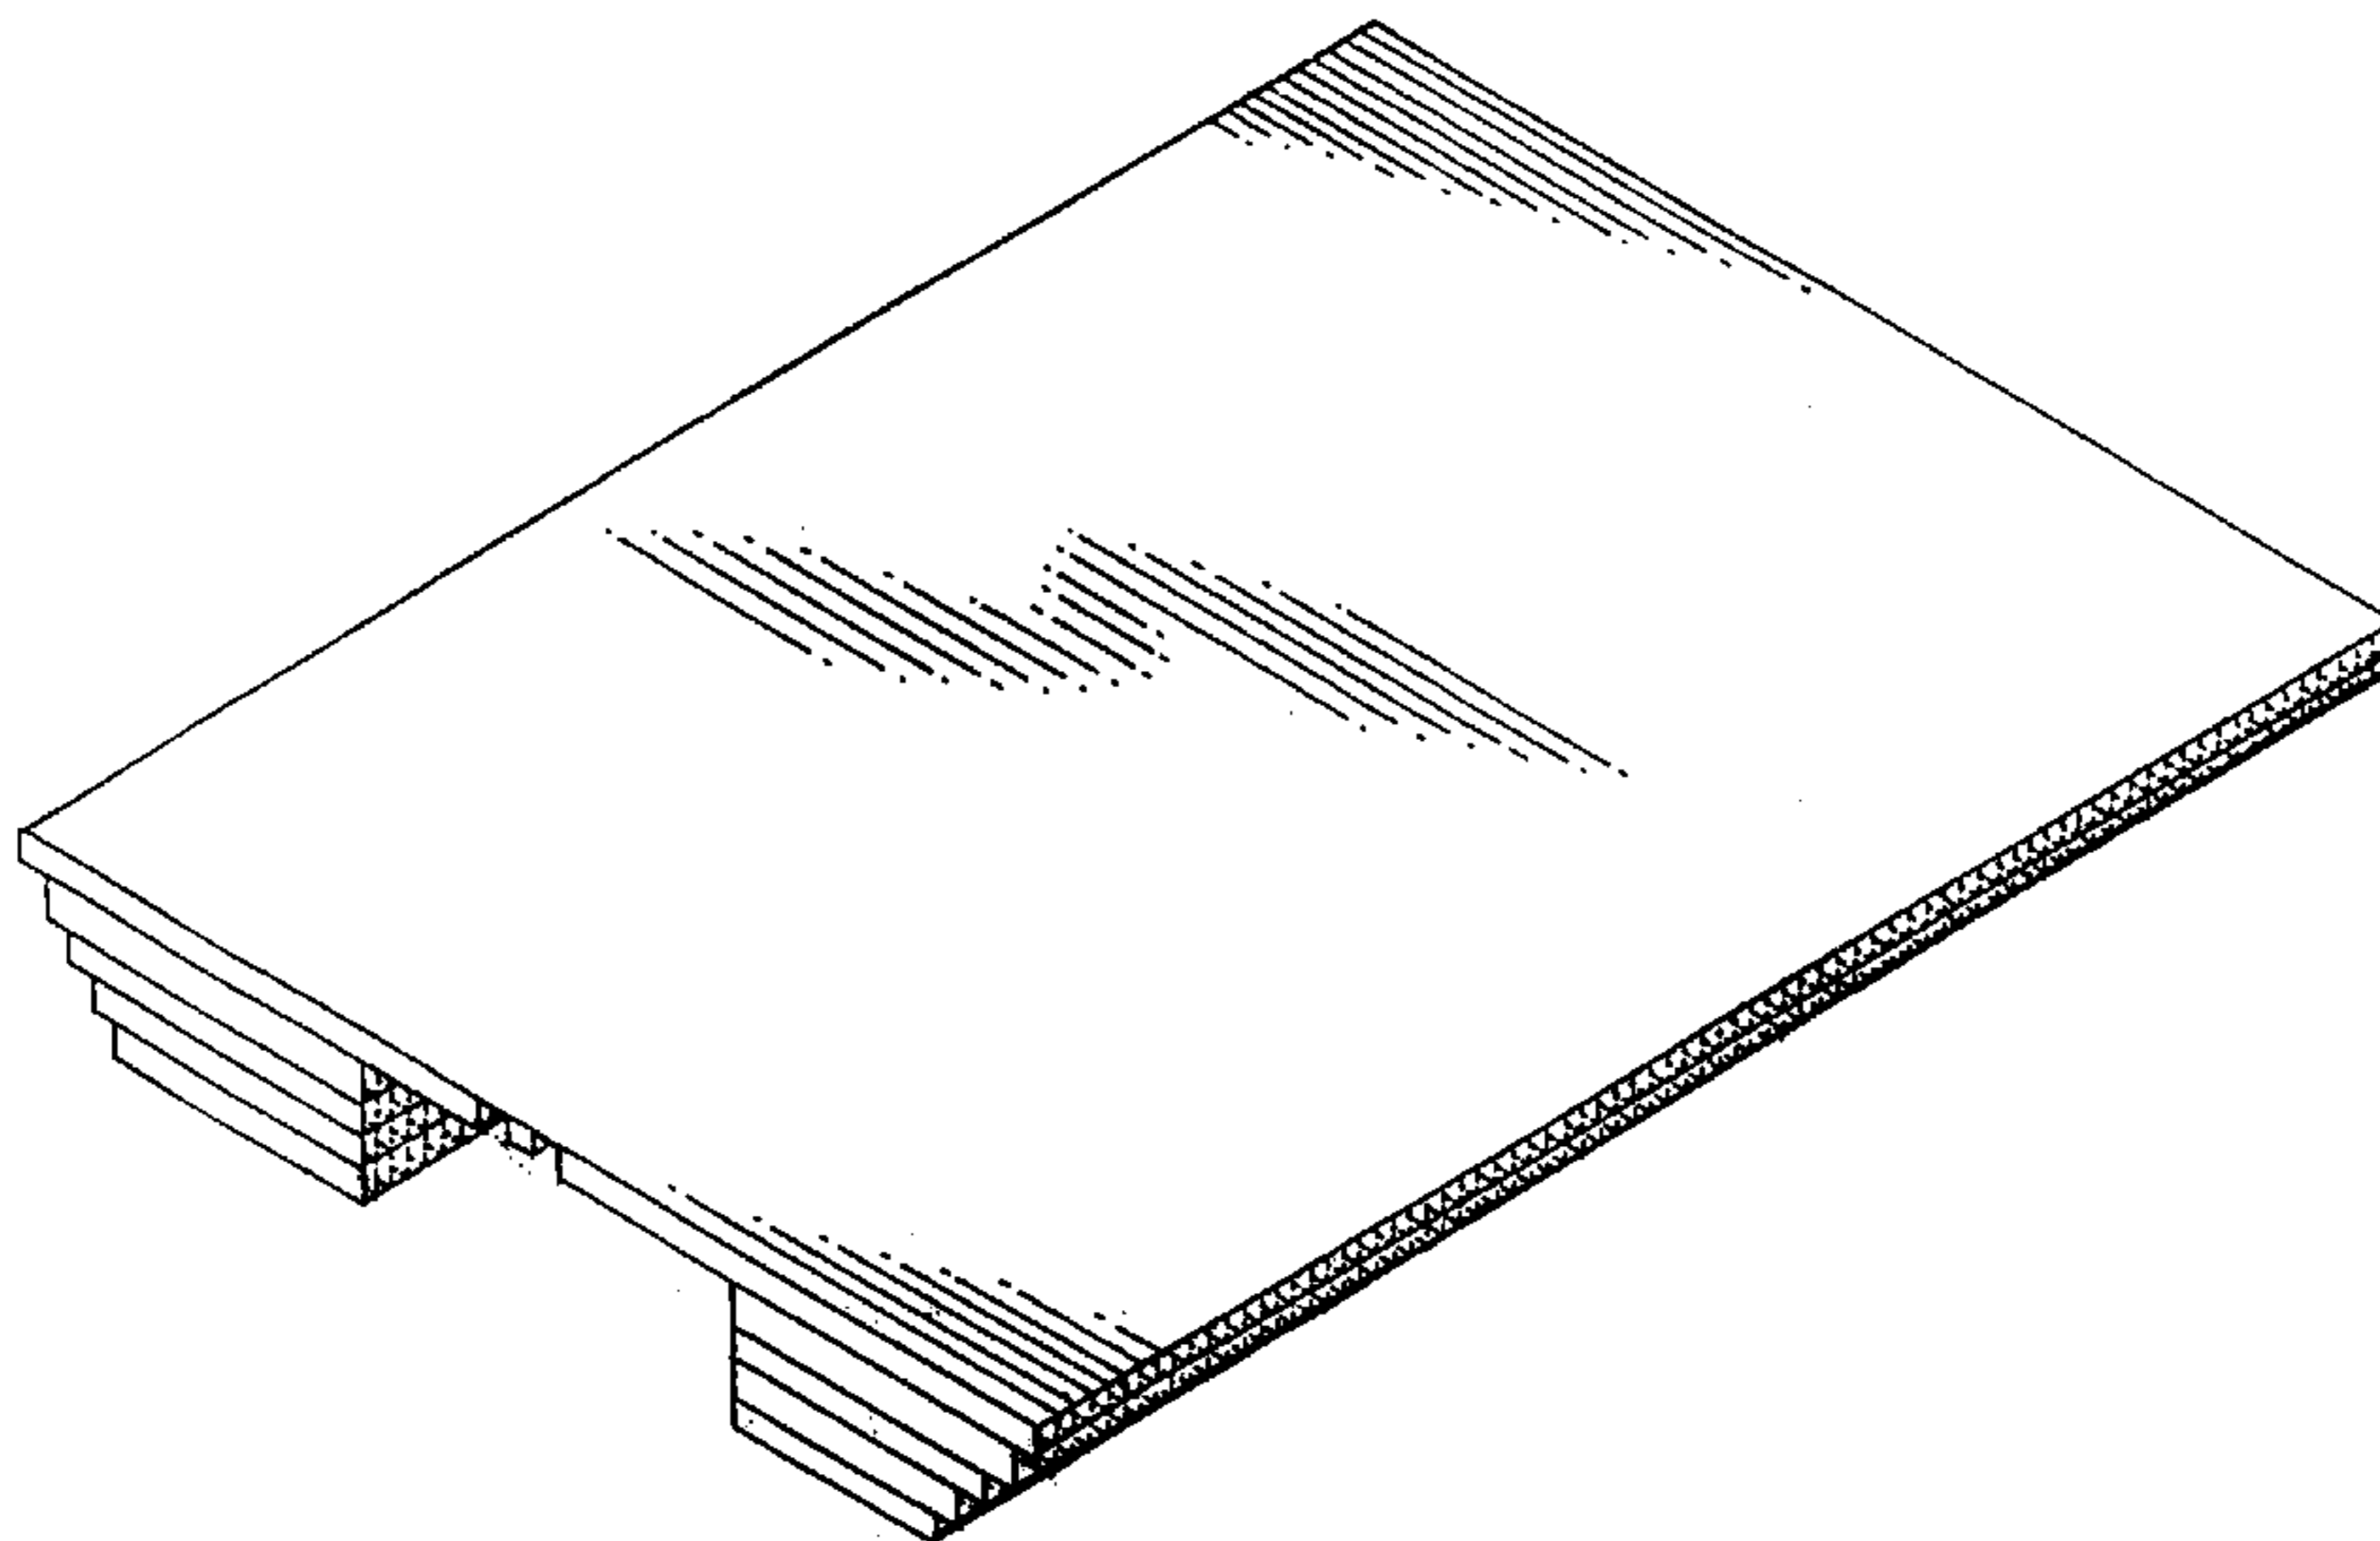

FIG. 7 is a bottom view of the vent;

FIG. 8 is an end view of the vent as shown covering the ridge of a roof; and,

FIG. 9 is another end view similar to FIG. 8 but showing the addition of closeable valve in broken lines.

The broken lines showing the profiled edge material, roof ridge, closeable valve and bottom surface features are for illustrative purposes only and form no part of the claimed design.
