(57) **CLAIM**

We claim the ornamental design for a adapter system for a battery, substantially as shown and described.

DESCRIPTION

FIG. 1 is a first perspective view of the adapter system for a battery according to an exemplary embodiment.

FIG. 2 is a second perspective view of the adapter system for a battery.

FIG. 3 is a top plan view of the adapter system for a battery.

FIG. 4 is a first side elevation view of the adapter system for a battery.

FIG. 5 is a second side elevation view of the adapter system for a battery.

FIG. 6 is a third side elevation view of the adapter system for a battery.

FIG. 7 is a fourth side elevation view of the adapter system for a battery; and,

FIG. 8 is a bottom plan view of the adapter system for a battery.

The broken line disclosure is for illustrative purposes only and forms no part of the claimed design.
