(57) **CLAIM**

The ornamental design for an ergonomic aerosol container, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an ergonomic aerosol container being held by a user; and, FIG. 2 is a partial side view of the aerosol container. The recesses and ridges shown in the figures extend around the entire circumference of the container. The user's hand shown in FIG. 1 is shown for illustrative purposes only to denote the nature and environmental use of the claimed design.
