(57) **CLAIM**

The ornamental design for a shingle, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a strip shingle of the invention; FIG. 2 is a front view of a second embodiment of a strip shingle of the invention; FIG. 3 is a front view of a third embodiment of a strip shingle of the invention; FIG. 4 is a front view of a fourth embodiment of a strip shingle of the invention; FIG. 5 is a front view of a fifth embodiment of a strip shingle of the invention; FIG. 6 is a front view of a sixth embodiment of a strip shingle of the invention; FIG. 7 is an end view of the strip shingles of FIGS. 1 through 6 with the other end view being a mirror image thereof and the top and bottom edges being substantially non-ornamental in design; and, FIG. 8 is a rear view of the strip shingle of FIGS. 1 through 6.

The broken line in the figures showing the portions of the strip shingle is for illustrative purposes only and forms no part of the claimed design.
