(57) **CLAIM**

The ornamental design for a surface pattern for hygienic articles such as paper towels, napkins, toilet paper, or the like, as shown and described.

**DESCRIPTION**

The sole FIGURE is a view of a surface pattern for hygienic articles such as paper towels, napkins, toilet paper, or the like showing my new design.

The broken line define a portion of the hygienic article to which the surface pattern is applied, it being understood that the article may continue in one or more directions indeterminately. The broken lines form no part of the claimed design.
