(57) **CLAIM**

The ornamental design for a watch bracelet with multiple decorative elements, as shown and described.

**DESCRIPTION**

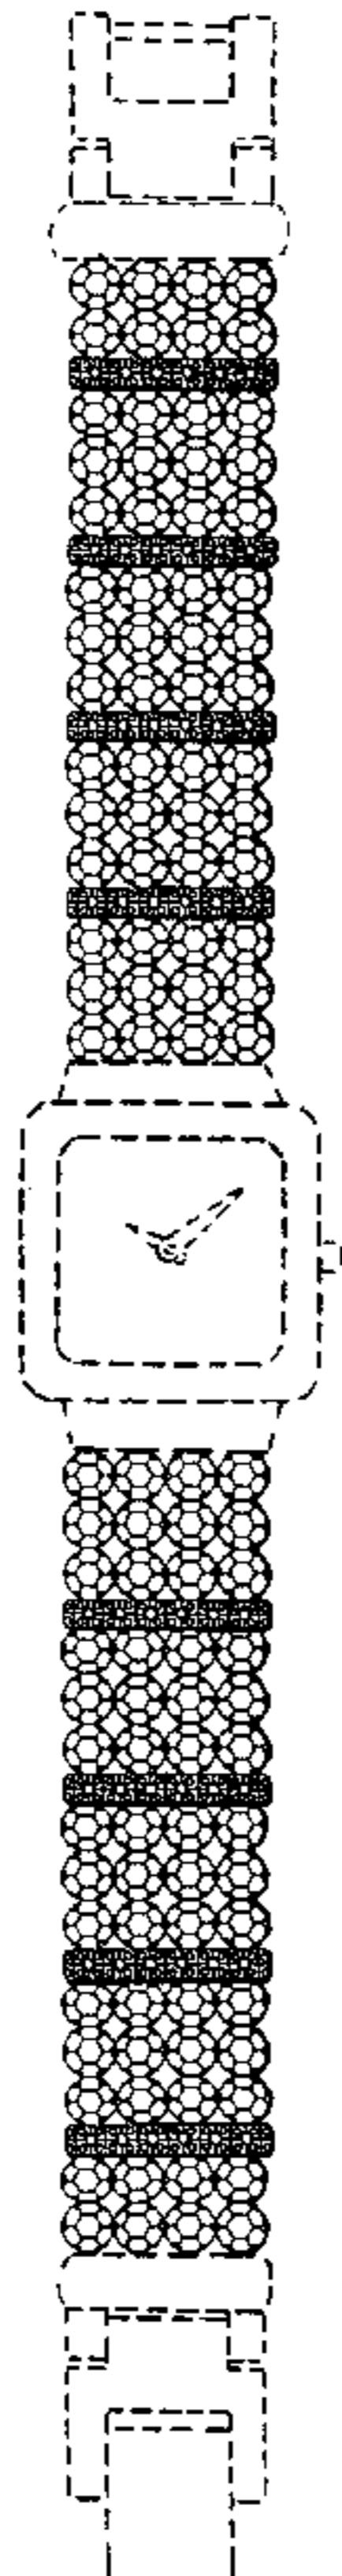

FIG. 1 is top plan view of a watch bracelet with multiple decorative elements showing my new design, the watch and latches of the bracelet shown in broken lines for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a right side elevational view, the left side elevational view being a mirror image thereof;

FIG. 3 is a bottom plan view; and,

FIG. 4 is a right end view, the left end view being a mirror image thereof.
