(57) **CLAIM**

The ornamental design for a file, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational plan view of a first embodiment of the file showing my new design;

FIG. 2 is a rear elevational view thereof with a book, not a part of the design, shown by dotted lines;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a left side elevational view thereof wherein the dashes indicate lines along which the corners of the files are bent, the right side elevational view being the mirror image of the left side elevational view;

FIG. 6 is a front elevational view of the file according to the first embodiment of the design with the file opened and the book rest, a part of the design, standing upright;

FIG. 7 is a rear elevational view thereof with a book, not a part of the design, shown by dotted lines;

FIG. 8 is a top plan view thereof;

FIG. 9 is a bottom plan view thereof;

FIG. 10 is a left side elevational view thereof;

FIG. 11 is a perspective view thereof taken from the front, top and the left side;

FIG. 12 is a front elevational plan view of a second embodiment of the file showing my new design;

FIG. 13 is a rear elevational view thereof with a book, not a part of the design, shown by dotted lines;

FIG. 14 is a top plan view thereof;

FIG. 15 is a bottom plan view thereof;

FIG. 16 is a left side elevational view thereof wherein the dashes indicate lines along which the corners of the files are bent, the right side elevational view being the mirror image of the left side elevational view;

FIG. 17 is a front elevational view of the file according to the second embodiment of the design with the file opened and the book rest, a part of the design, standing upright;

FIG. 18 is a rear elevational view thereof with a book, not a part of the design, shown by dotted lines;

FIG. 19 is a top plan view thereof;

FIG. 20 is a bottom plan view thereof;

FIG. 21 is a left side elevational view thereof; and,

FIG. 22 is a perspective view thereof taken from the front, top and the left side.
