(57) **CLAIM**

The ornamental design for a light fixture having a reflective cover, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a light fixture having a reflective cover;

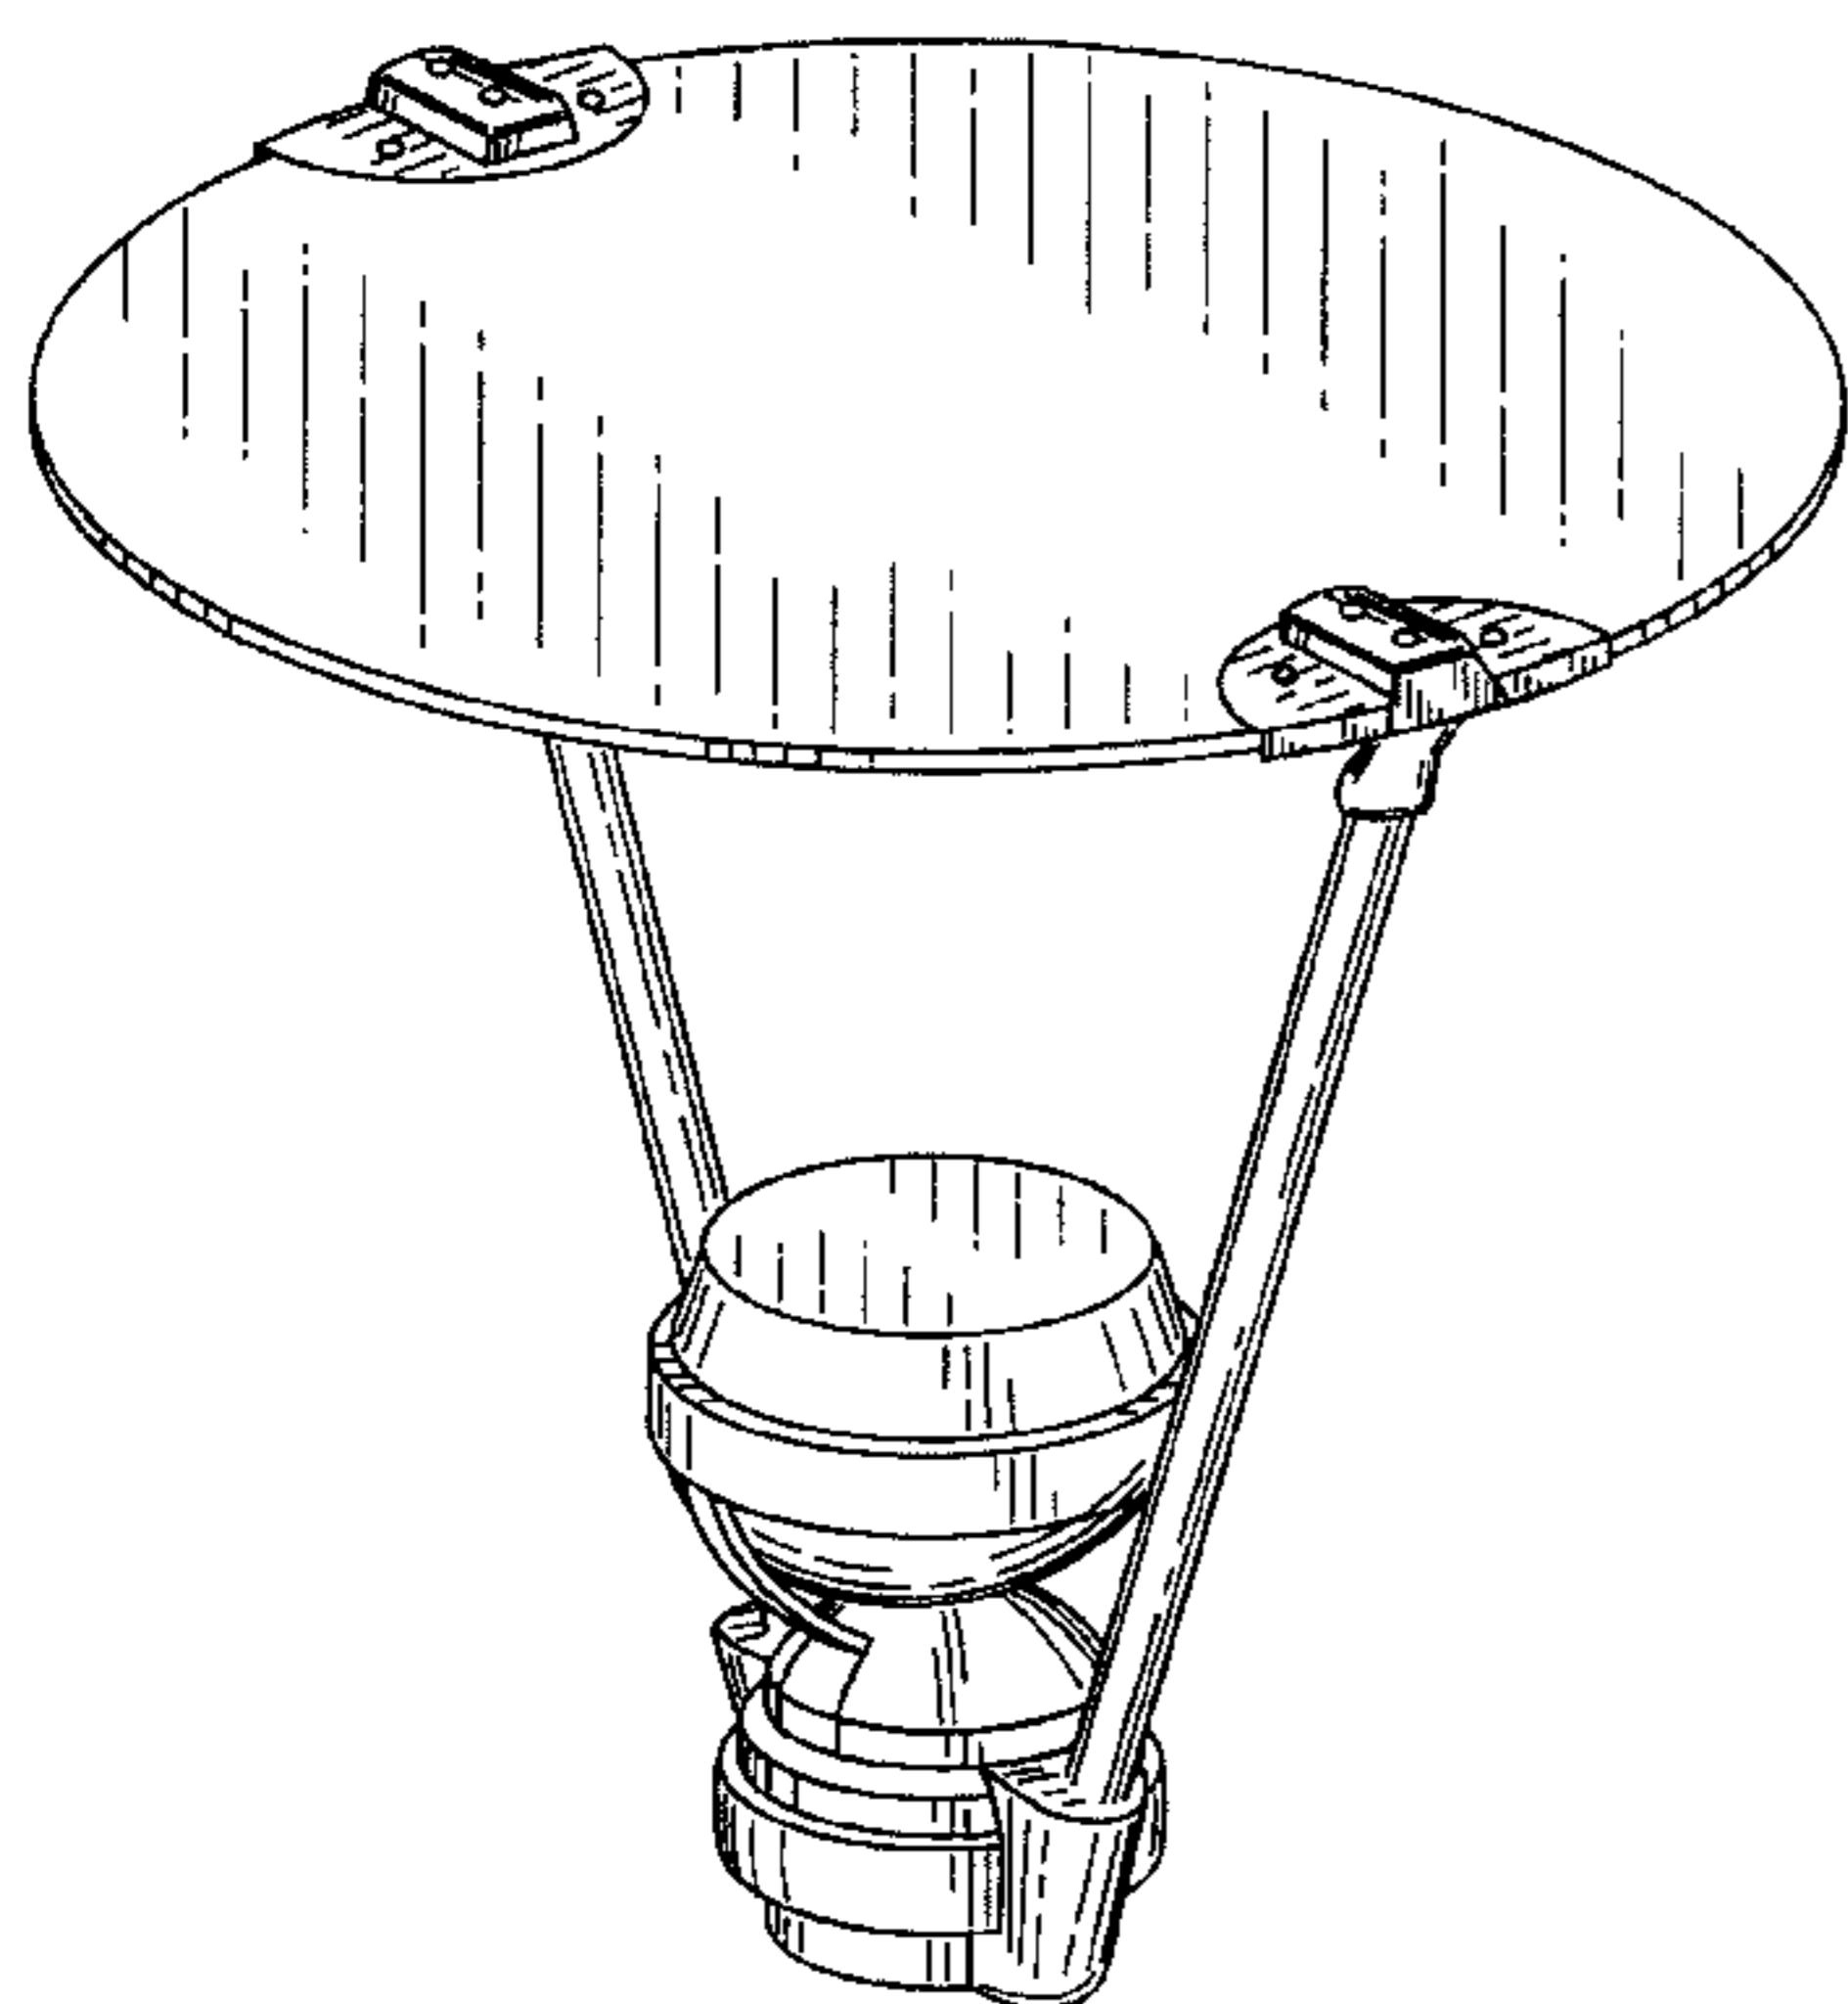

FIG. 2 is a perspective view of the light fixture having a reflective cover;

FIG. 3 is a frontal elevational view of the light fixture having a reflective cover;

FIG. 4 is a right side elevational view of the light fixture having a reflective cover;

FIG. 5 is a bottom perspective view of the light fixture having a reflective cover;

FIG. 6 is a top plan view of the light fixture having a reflective cover showing a second embodiment of the design, the sole difference being the polygonal reflective cover.

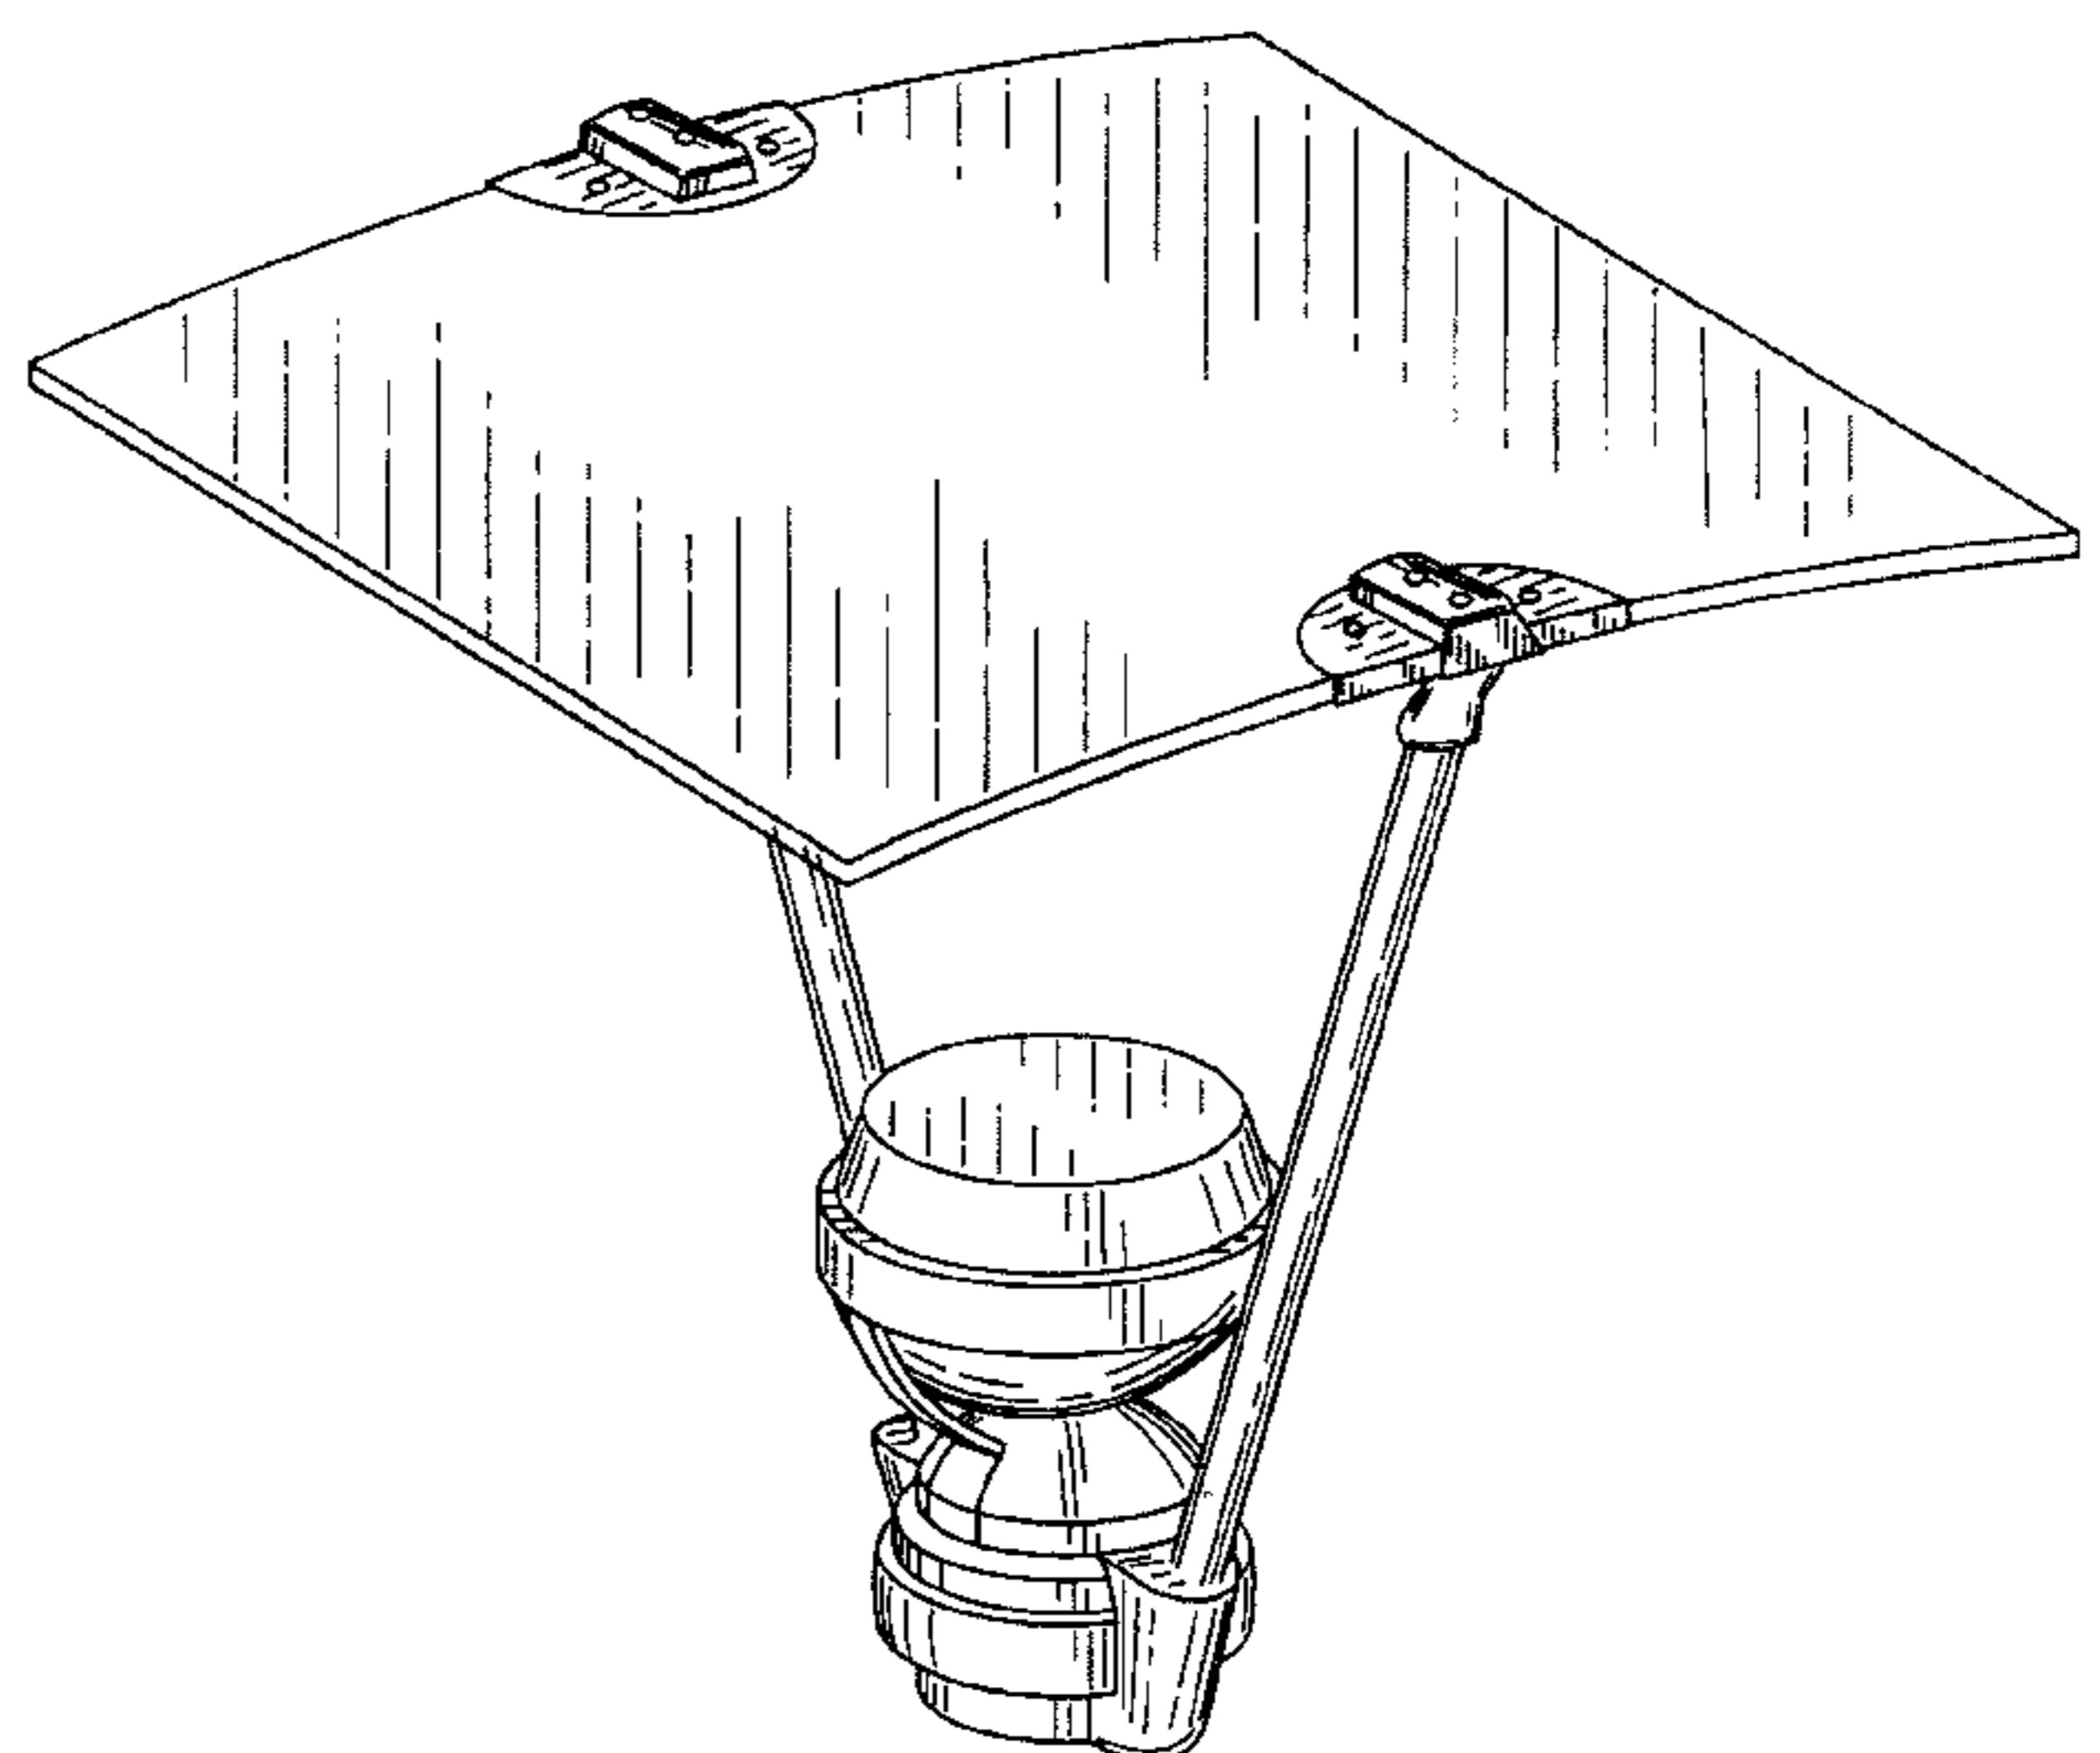

FIG. 7 is a perspective view of the light fixture having a reflective cover showing a second embodiment of the design, the sole difference being the polygonal reflective cover.

FIG. 8 is a frontal elevational view of the light fixture having a reflective cover showing a second embodiment to design, the sole difference being the polygonal reflective cover.

FIG. 9 is a right side elevational view of the light fixture having a reflective cover showing a second embodiment to design, the sole difference being the polygonal reflective cover.

FIG. 10 is a bottom perspective view of the light fixture having a reflective cover showing a second embodiment to design, the sole difference being the polygonal reflective cover.
